INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Forman Mills, 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Forman Mills, 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Forman Mills, 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Forman Mills, 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Forman Mills, 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Forman Mills, 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Forman Mills, 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. FORMAN MILLS, 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following brief description of the Forman Mills, 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan which was established in 1996, covering substantially all non-union employees of Forman Mills, Inc. (the “Company”). The Plan is sponsored by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – An employee reaching the age of 21 becomes eligible to participate in the Plan after six months of service. An eligible employee becomes a participant effective on the first day of the month subsequent to meeting the eligibility requirements.

Contributions – Each year, participants may contribute up to the maximum percentage of pre-tax annual compensation allowable under the Internal Revenue Code (“IRC”). From time to time the pretax contributions of certain employees, designated as highly compensated employees under IRC rules, may be limited so that the Plan may satisfy various non-discrimination tests required under applicable Federal regulations. Participants may elect to contribute up to 60% of their regular compensation (subject to certain limitations), as defined by the Plan. Also, in accordance with Internal Revenue Service (“IRS”) guidelines, participants could not make contributions exceeding \$19,500 for 2021. Eligible employees may make an additional employee contribution known as a “catch-up” contribution in accordance with the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA). Catch-up contributions were limited to \$6,500 for 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various money market funds and mutual funds as investment options for participants.

The Company’s matching contributions to the Plan were discretionary. Participant and employer contributions are subject to limits as prescribed in the IRC. For the year ended December 31, 2021, the Company made discretionary matching contributions of \$71,802.

Rollovers – Rollover contributions are permitted into the Plan in accordance with IRS regulations and Plan provisions.

Participant Accounts - A separate account is maintained for each participant. Each participant’s account is credited with his or her contribution; any Company contributions, an allocation of plan earnings or losses and charged with an allocation of any administrative expenses paid by the plan. Allocations of earnings or losses are based upon the investment performance of the individual funds in which each participant’s account balance is invested. Allocations of expenses are based upon account balances, as defined in the plan agreement. Participants may change their investment elections at any time through the Plan’s trustee. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants – Participants may borrow from their individual account balances in accordance with the Plan's provisions. The maximum amount is the lesser of (a) \$50,000 or (b) one-half a participant's vested account, but not less than \$1,000. Loans are collateralized by the participant's vested account. All loans bear an interest rate as determined by the plan administrator and must be repaid in five years, unless used for the purchase of the participant's principal residence, which may be paid over a period up to ten years. The interest rates of loans range from 4.25% to 6.50%, maturing through May 2031. Interest and principal are paid ratable through payroll deductions. Upon termination of employment, the participant may either repay any outstanding balance in full or incur a tax liability on the unpaid balance.

Vesting – Plan participants are 100% fully vested in their rollover contribution, salary deferral contributions, safe harbor contributions, and any earnings thereon. Employer matching contributions made prior to January 1, 2018 and subsequent to July 8, 2019, any discretionary match contributions, and any earnings thereon will be vested in accordance with the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited Accounts – Forfeited balances of participants' non-vested accounts are used to first to reduce plan expenses. Any remaining amounts will be used to reduce future employer contributions. There were no unallocated forfeitures at December 31, 2021 and 2020. For the years ended December 31, 2021 and 2020, \$9,203 and \$19,496 of forfeitures, respectively, were utilized to reduce employer contributions.

Distributions – Benefits will normally be distributed to a participant or his or her beneficiary upon death, disability, retirement, termination of employment or minimum required distribution. Benefits are distributed, under one or both of the following methods: (i) a single lump-sum payment (ii) installments over a period of time as determined by the participant and the Plan. Employees may defer distribution only if the account balance is greater than \$5,000. If the account balance exceeds \$1,000 but is less than \$5,000, the plan administrator may direct the Trustee to distribute the amount to an Individual Retirement Account or Annuity ("IRA"). If the participant's account is \$1,000 or less, the plan administrator is authorized to direct the Trustee to issue a lump-sum distribution without the participant's written consent.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America on the accrual basis of accounting.

Valuation of Investments and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for descriptions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is recorded when earned. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included as administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based upon the terms of the Plan agreement.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of asset and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expense and charged directly to the participant's account.

Payment of Benefits – Benefit payments to participants are recorded when paid.

Excess Contributions – To satisfy relevant non-discrimination provisions of the Plan, certain active participants are required to have excess deferral and employer match contributions returned to them. The excess contributions payable at December 31, 2021 and 2020 were \$40,699 and \$63,259, respectively. The Plan distributed the 2021 excess contributions prior to March 15, 2022.

3. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company (the "Trustee" or "Fidelity"), except for comparing such information certified by the trustee with information included in the plan's financial statements and supplemental Form 5500, Part IV, Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

3. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED) (continued)

	2021	2020
Investments:		
Money market funds	\$ 281,466	\$ 485,203
Mutual funds	6,230,901	5,544,362
	<u>\$ 6,512,367</u>	<u>\$ 6,029,565</u>

- Net investment earnings consisting of dividend and interest income as shown in the accompanying statement of changes in net assets available for benefits of \$452,003 for the year ended December 31, 2021.
- The Plan's investments appreciated in value by \$522,236 for the year ended December 31, 2021.
- All investment-related information in the accompanying supplemental Form 5500, Part IV, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 — Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

FORMAN MILLS, 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

4. FAIR VALUE MEASUREMENTS (continued)

Mutual and Money Market Funds: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 281,466	\$ -	\$ -	\$ 281,466
Mutual funds	6,230,901	-	-	6,230,901
Investments at fair value	<u>\$ 6,512,367</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,512,367</u>

The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 485,203	\$ -	\$ -	\$ 485,203
Mutual funds	5,544,362	-	-	5,544,362
Investments at fair value	<u>\$ 6,029,565</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,029,565</u>

5. PLAN TERMINATION

Although the Company has not expressed any intention to do so, the Company reserves the right to; modify, suspend, amend or terminate the Plan in whole or in part at any time subject to the provisions of ERISA. If the Plan is terminated, the amounts credited to the employer contribution accounts of all participants become fully vested.

6. FEDERAL INCOME TAX STATUS

The Plan's trustees adopted a prototype non-standardized profit-sharing plan with cash or deferral arrangement, which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which states that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The plan administrator has analyzed the tax positions by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

7. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and money market funds managed by Fidelity. Fidelity serves as the trustee as defined by the Plan. As described in Note 2, the Plan provides for certain expenses related to plan operations and investment activity to various service providers. Loans to the participants are secured by the balances in the respective participant accounts. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. Administrative fees totaled \$3,775 for the year ended December 31, 2021. Fees paid by the Plan for investment advisory services totaled \$17,394 for the year ended December 31, 2021.

8. RISKS AND UNCERTAINTIES

The Plan invests in various securities including mutual funds and money market funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. CARES ACT

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed in law. This aid package was designed to help the economy from the effects of the coronavirus pandemic. Several of the provisions of the CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan has opted into the following provisions of the CARES Act:

Hardship distributions – Qualified plan participants were permitted to take a coronavirus pandemic-related distribution of up to \$100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions were permitted to be taken up until December 31, 2020. Distributions may be repaid within three years or a participant may elect these distributions to be included in taxable income on a pro rata basis over three years.

Required minimum distributions (RMDs) – A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

Participant loans - Participants were permitted to borrow up to \$100,000 during 2020 (an increase from \$50,000 previously permitted). The CARES Act allowed new or existing loan repayments which were scheduled to occur between March 27, 2020 and December 31, 2020 to be delayed until 2021 by re-amortizing and extending the loan maturity date.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 27, 2022, the date which the financial statements were available to be issued. Based upon this evaluation, The Company has determined that no subsequent events have occurred which would require disclosure in or adjustment to the financial statements.

11. RECONCILIATION TO FORM 5500
