Independent Auditor's Report

To the Trustees
ConnectAmerica.com 401(k) Savings Plan
Bala Cynwyd, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ConnectAmerica.com 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ConnectAmerica.com 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ConnectAmerica.com 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ConnectAmerica.com 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ConnectAmerica.com 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ConnectAmerica.com 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of ConnectAmerica.com 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1: Description of Plan

The following description of the ConnectAmerica.com 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, sponsored by ConnectAmerica.com, LLC (the "Company"), is a defined contribution plan covering eligible employees of the Company and participating employers (including American Medical Alert Corp. and Instant Care, Inc. as of December 31, 2021) who have satisfied certain eligibility requirements as defined in the plan document. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Employees are eligible to enter the Plan once they have reached the age of 18 and have completed one month of service. Once eligible, employees enter the Plan on the first of the following month. Employees must complete six months of service to be eligible to receive matching and profit sharing contributions. In addition, employees must be employed as of the end of the plan year in order to receive profit sharing contributions.

Transfer of Assets into Plan

Effective January 1, 2021, American Medical Alert Corp. became a participating employer, and assets totaling \$6,414,815 (including notes receivable from participants of \$68,811, of which \$44,226 were in deemed loan status at the time of transfer) from the American Medical Alert Corp. 401(k) Savings Plan were merged into the Plan.

Contributions

Each year, participants may contribute to the Plan up to 100% of eligible compensation, as defined by the plan document, on a pre-tax or Roth basis, up to the the maximum amount allowed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. Newly eligible participants are automatically enrolled in the Plan at a pre-tax deferral rate of 3% upon their entry date, unless they make an alternate election. Automatically enrolled participants have their contributions invested in a designated fund until changed by the participants. The Company may make discretionary matching and profit sharing contributions to the Plan. For 2021, the Company made a discretionary matching contribution equal to 50% of the first 8% of eligible compensation that a participant contributed to the Plan. The Company made no discretionary profit sharing contributions for 2021. Contributions are subject to certain IRS limitations.

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, and allocations of (a) Company profit sharing contributions and (b) plan earnings (losses). Participant accounts are charged with withdrawals and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and any rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of service. Effective January 1, 2021, participants vest at a rate of 25% per year and become fully vested after four years of service. A participant also becomes 100% vested upon occurrence of death or disability or attainment of early retirement age (age 55) prior to termination of service with the Company.

Notes Receivable From Participants

Prior to January 1, 2021, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50% at December 31, 2021, which were commensurate with local prevailing rates at the time of issuance as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.

As of January 1, 2021, participants are no longer allowed to borrow from their accounts. However, subsequent to year end, the plan document was amended to allow participants to once again borrow from their accounts, effective July 1, 2022.

Payment of Benefits

Benefits are payable to participants, their beneficiaries, or their estates upon termination of employment, normal retirement (age 65), disability, or death. Benefits are also payable for in-service distributions from a participant's fully vested accounts upon attaining age 59 1/2, or from a participant's voluntary contribution accounts upon a financial hardship, if certain criteria are met. Benefits are payable in the form of a lump-sum distribution or partial withdrawals. Additionally, participants are entitled to receive a distribution of their rollover accounts at any time. Account balances less than \$5,000 may be automatically rolled into a qualified retirement account upon termination of participant's employment.

Note 1: Description of Plan (Continued)

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$74 and \$142,513, respectively. These accounts may be used to reduce future Company contributions or to pay administrative expenses of the Plan in accordance with the plan document. During the year ended December 31, 2021, Company contributions were reduced by \$179,842 from forfeited non-vested accounts and \$0 of forfeited non-vested accounts was used to pay administrative expenses.

Coronavirus Aid, Relief, and Economic Security Act

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, which were immediately available, for coronavirus-related distributions, increased maximum retirement plan loan amounts, and deferments of certain participant loan payments for up to one year. The Plan intends to formally execute the required plan amendments for these provisions by the required date.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts (FBRICs). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the plan document.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Excess Contributions Payable

At December 31, 2021 and 2020, amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and totaled \$169,007 and \$77,960, respectively. Of the liability recorded at December 31, 2021, \$24,665 is reflected as a reduction to Company contributions, \$128,151 is reflected as a reduction to participant contributions, and \$16,191 is reflected as a reduction to net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses that are paid via direct payment are allocated proportionately to plan participants based on their respective account balances and are included in net investment income. Other investment-related expenses are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

Subsequent Events

The Plan has evaluated subsequent events through March 27, 2023, which is the date the financial statements were available to be issued.

Effective January 1, 2022, IBeat, Inc. DBA 100Plus became a participating employer and, as of January 1, 2023, the IBeat, Inc. DBA 100Plus 401(K) Plan was legally merged into the Plan with assets of \$416,100 transferring into the Plan during January 2023.

Effective July 1, 2022, Lifeline Systems Company became a participating employer and, shortly thereafter, assets totaling \$30,438,369 from the Lifeline Systems Company 401(k) Plan were merged into the Plan.

Effective January 1, 2023, Anelto, Inc. became a participating employer.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust fund: Fair value of the common/collective trust fund is based on the quoted NAV of underlying investments held by the common/collective trust fund. The common/collective trust fund invests in a fully benefit-responsive guaranteed investment contract whose underlying investments are pooled separate accounts that invest in funds that are actively traded and must publish their daily NAV and transact at that price.

Mutual funds held in pooled separate accounts: Fair value of mutual funds held in pooled separate accounts is based on quoted net asset values of underlying investments held by the pooled separate accounts adjusted by an asset charge. The underlying mutual funds held in the pooled separate accounts are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price.

Note 3: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,355,147	\$ -	\$ -	\$ 16,355,147
Common/collective trust fund	-	2,742,725	-	2,742,725
Total investment assets at fair value	\$ 16,355,147	\$ 2,742,725	\$ -	\$ 19,097,872

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds held in pooled separate accounts	\$ -	\$ 7,719,596	\$ -	\$ 7,719,596
Total investment assets at fair value	\$ -	\$ 7,719,596	\$ -	\$ 7,719,596

Note 4: Fully Benefit-Responsive Investment Contracts (FBRICs)

As of December 31, 2020, the Plan invested in a FBRIC with Minnesota Life Insurance Company in the form of a guaranteed return account (GRA) that invested in traditional investment contracts. Minnesota Life Insurance Company maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Minnesota Life Insurance Company was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The GRA was carried at contract value. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate was based on a formula agreed upon with the issuer, but could not be less than 1.50%.

Certain events could limit the Plan's ability to transact at contract value with Minnesota Life Insurance Company including plan termination and other events as specified in the GRA. The plan administrator did not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer were probable of occurring. The GRA did not permit Minnesota Life Insurance Company to terminate the agreement prior to the scheduled maturity date.

With the Plan changing trustees during the 2021 plan year, the Plan no longer invests in this GRA as of December 31, 2021.

Note 5: Information Prepared and Certified by the Trustees

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments (both those at fair value and those at contract value) and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest income on notes receivable from participants, and interest and dividends, for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company and Minnesota Life Insurance Company, the Trustees of the Plan.

The Plan changed trustees during the 2021 plan year from Minnesota Life Insurance Company to Reliance Trust Company. Management has obtained certifications from Reliance Trust Company as of December 31, 2021 and for the year ended December 31, 2021, and Minnesota Life Insurance Company as of December 31, 2020 and for the period ending January 15, 2021, stating that the certified investment information, as described above, is complete and accurate.

Note 6: Party-in-Interest Transactions

Prior to January 15, 2021, certain plan investments were managed by Minnesota Life Insurance Company, the trustee of the Plan. Therefore, transactions with Minnesota Life Insurance Company qualify as party-in-interest transactions. The Plan incurred fees from Minnesota Life Insurance Company related to services performed as the Plan's trustee during the plan year ended December 31, 2021 totaling \$11,338.

The Plan incurred fees from ADP, Inc. related to services performed as the Plan's third-party administrator and recordkeeper. Fees for these services during the plan year ended December 31, 2021 were \$46,582.

The Plan's investment advisor is Centaurus Financial Inc. For the year ended December 31, 2021, fees paid by the Plan to the advisor amounted to \$35,479.

In addition, certain investment-related fees incurred by the Plan are included in net appreciation in fair value of investments, since they are paid through revenue sharing rather than direct payment.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Notes to Financial Statements

Note 8: Tax Status

The Company adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 9: Risks and Uncertainties and Investment Concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2021 and 2020, three investment securities represented 38% and 57%, respectively, of Plan's net assets.

Note 10: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 19,192,734	\$ 9,237,967

Notes to Financial Statements

Note 10: Reconciliation of Financial Statements to Form 5500 (Continued)

These financial statements account for contribution receivables and excess contributions payables on an accrual basis, while Form 5500 accounts for these items on a cash basis. In addition, the Form 5500 records notes receivable from participants as a distribution when deemed while these financial statements record them as a distribution upon the occurrence of a distributable event. As a result of the treatment difference for deemed defaulted notes receivable from participants, there was also a \$44,226 difference in the transfer of assets into the plan noted on Form 5500 compared to that recorded in these financial statements, with Form 5500 reflecting a transfer of assets into the plan of \$6,370,589 while these financial statements show a transfer of assets into the Plan of \$6,414,815.
