## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Family Medicine Residency of Idaho, Inc.  
403(b) Plan  
Boise, Idaho

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Family Medicine Residency of Idaho, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Family Medicine Residency of Idaho, Inc.**  
**403(b) Plan**  
**Notes to Financial Statements**  
**Years Ended December 31, 2021 and 2020**

**1. Description of Plan:**

The following brief description of Family Medicine Residency of Idaho, Inc. 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution 403(b) plan covering qualified employees of Family Medicine Residency of Idaho, Inc. (the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility** – All of the Plan Sponsor's employees are eligible to defer to the Plan if they work more than 20 hours a week. Employees are further eligible to receive employer contributions after they have completed three consecutive months of service and are over age 18. Employees must also work at least 500 hours during the year to qualify for the match. Residents in training and fellows are excluded from receiving matching or profit-sharing contributions.

**Entry date** – Employees may participate in deferrals to the Plan upon hire and may enter the Plan for match and profit-sharing on the first day of the month following the date that the service and age requirements for eligibility are satisfied.

**Contributions** – Each year, participants may contribute from their compensation defined as gross W-2 wages. Contributions are subject to Internal Revenue Code (IRC) annual limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows participants to designate contributions as Roth contributions.

The Plan Sponsor provides a discretionary match equal to the employee's deferral, up to 2 percent of the eligible compensation for each respective payroll period. The Plan Sponsor also provides a discretionary profit-sharing contribution to employees independent of employee contributions. Discretionary contributions are allocated as a uniform percentage of plan compensation to all eligible participants. For the years ended December 31, 2021 and 2020, the Plan Sponsor approved a discretionary profit-sharing contribution of 4 percent. Profit-sharing contributions made for the years ended December 31, 2021 and 2020, net of forfeitures, were \$854,299 and \$786,970, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

**Participant accounts** – Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching and profit-sharing contributions, and plan earnings, and charged with withdrawals and investment losses and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment options** – Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the funds offered by the Plan. Participants may change their investment options daily.

**1. Description of Plan (continued):**

**Vesting** – Vesting is based on years of credited service as set forth in the following table. Service before the age of 18 does not qualify for vesting purposes. A participant will become 100 percent vested immediately upon death or disability.

| <b>Participants’<br/>Years of Service</b> | <b>Vested<br/>Percentage</b> |
|-------------------------------------------|------------------------------|
| 1                                         | 0%                           |
| 2                                         | 25%                          |
| 3                                         | 50%                          |
| 4                                         | 75%                          |
| 5 or more                                 | 100%                         |

**Forfeitures** – At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$12,913 and \$66,647, respectively. These accounts can be used to pay expenses of the Plan or reduce future employer contributions. During the year ended December 31, 2021, employer contributions were reduced by \$53,734 from forfeited nonvested accounts.

**Payment of benefits** – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account or partial installments as defined in the plan agreement. A terminated employee with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between \$1,000 and \$5,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. In-service distributions may be taken after the participant has reached age 59½ or hardship withdrawals subject to qualifying situation. However, the participant must be 100 percent vested.

**Death benefits** – The designated beneficiary is entitled to a death benefit distribution equal to the participant’s vested account balance.

**Plan termination** – Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provisions set forth in ERISA. Upon termination, no further contributions will be made to the Plan, and the plan custodian will distribute the plan funds to the plan participants.

**CARES Act** – The Plan has implemented certain requirements of the CARES Act, which allows certain eligible individuals to receive coronavirus-related distributions or relief from loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within the CARES Act have been elected by the Plan Sponsor. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

**2. Summary of Significant Accounting Policies:**

***Basis of accounting*** – The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Use of estimates*** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment valuation and income recognition*** – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

***Benefit payments*** – Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid at December 31, 2021 and 2020.

***Administrative fees*** – Other than transaction-related costs paid by participants, administrative expenses of the Plan are paid by the Plan Sponsor as provided in the plan document. Forfeited nonvested accounts can be used to pay expenses of the Plan.

***Subsequent events*** – The Plan Sponsor has evaluated subsequent events through October 10 2022, the date on which the financial statements were available to be issued.

**3. Information Certified by the Plan Custodian:**

Newport Trust Company, the custodian of the Plan, has supplied the plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental Schedule H, Line 4i – schedule of assets (held at end of year) as of December 31, 2021.

**4. Fair Value Measurements:**

Financial Accounting Standards Board *Accounting Standards Codification* 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

**Family Medicine Residency of Idaho, Inc.**  
**403(b) Plan**  
**Notes to Financial Statements (Continued)**  
**Years Ended December 31, 2021 and 2020**

**4. Fair Value Measurements (continued):**

The three levels of the fair value hierarchy under the authoritative guidance are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

- Mutual funds are valued at the net asset value of shares held by the Plan at year end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

|              | 2021          |         |         |               |
|--------------|---------------|---------|---------|---------------|
|              | Level 1       | Level 2 | Level 3 | Total         |
| Mutual funds | \$ 23,088,663 | \$ -    | \$ -    | \$ 23,088,663 |

  

|              | 2020          |         |         |               |
|--------------|---------------|---------|---------|---------------|
|              | Level 1       | Level 2 | Level 3 | Total         |
| Mutual funds | \$ 17,593,491 | \$ -    | \$ -    | \$ 17,593,491 |

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the periods above are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

**403(b) Plan**  
**Notes to Financial Statements (Continued)**  
**Years Ended December 31, 2021 and 2020**

**4. Fair Value Measurements (continued):**

*Changes in fair value levels* – The availability of observable market data is monitored to assess the appropriate classifications of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no significant transfers in or out of Levels 1, 2, or 3.

**5. Tax Status:**

The plan terms have been drafted in reliance on the sample language provided by the IRS in the draft *Listing of Required Modifications* issued April 4, 2009. The Plan is required to operate in conformity with the IRC to maintain the exclusion from tax for plan participants. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The plan administrator intends to apply for a determination letter on the Plan when the government opens such a program.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that, more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

**6. Risks and Uncertainties:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

Notes to Financial Statements (Continued)  
Years Ended December 31, 2021 and 2020**

**7. Party-in-interest Transactions:**

The following transactions are considered party-in-interest transactions under ERISA regulations, but are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA:

- The Plan Sponsor provides to the Plan certain accounting and administrative services for which no fees are charged to the Plan. The employees that provide these services also are participants in the Plan.
- Plan investments are managed by Newport Trust Company, the Plan's custodian. The Plan also relies on Newport Trust Company to prepare the IRS Form 5500.
- The Plan relies on third-party service provider DST Retirement Solutions, LLC, to process the Plan's investment transactions and to manage the individual participant accounts of the Plan.
- The plan auditor performs the required annual audit of the Plan.

**8. Subsequent Event:**

The Plan's fair value of investments in mutual funds have had material declines in fair value subsequent to the statements of net assets available for benefits date.
