INDEPENDENT AUDITOR'S REPORT

To the Trustees
Interstate Truck Center, LLC 401(k) Profit Sharing Plan
Stockton, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Interstate Truck Center, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Interstate Truck Center, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Interstate Truck Center, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Interstate Truck Center, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Interstate Truck Center, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Interstate Truck Center, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets Held for Investment Purposes at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the

INTERSTATE TRUCK CENTER, LLC
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Interstate Truck Center, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. A more complete description of the Plan's provisions can be found in the plan agreement.

General – The Plan was adopted on November 1, 1976 by Interstate International, Inc. (a wholly-owned subsidiary), and on January 1, 1988 by Big D International Trucks, Inc. dba Silver State International, Inc. (acquired by Interstate International, Inc.). Effective November 1, 2004, these corporations contributed substantially all of their assets to two limited liability companies, Interstate Truck Center, LLC in California, and JBP, LLC dba Silver State International Trucks in Nevada (collectively the "Company").

Effective January 1, 2008, JBP, LLC dba Silver State International Trucks withdrew from the multi-employer plan and participant accounts related to that entity were transferred to a separate plan.

The Plan is a defined contribution plan covering all eligible employees of the Company who have 1,000 hours and one year of service, except collective bargaining employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Company's annual contributions to the Plan will equal the total amount of employee deferral contributions, employer matching contributions, and employer profit-sharing contributions. Employee deferral contributions under Internal Revenue Code Section 401(k) are amounts which the Company must contribute pursuant to a salary reduction agreement. The Company must contribute the amount by which participants have reduced their compensation for the plan year, subject to a statutory dollar limitation of \$19,500 for 2021 and \$19,500 for 2020. An additional salary deferral may be made for the calendar year by any participant that is age 50 or over during the calendar year. The Company will make employer-matching contributions up to 4% of an eligible participant's gross wages for the plan year. For the plan years ended December 31, 2021 and 2020, the employer matching contributions were \$321,247 and \$327,290, respectively.

Subject to Internal Revenue Service and ERISA limitations, employer profit-sharing contributions are at the discretion of the Company's Managing Members and the Company must have current and accumulated net profits exceeding \$1,000. For the years December 31, 2021 and 2020, the employer profit-sharing contributions were zero and zero, respectively.

Funding – Employee salary deferrals are funded by the Company concurrently with the processing of payroll each period. The annual Employer matching contribution is funded on or before the due date, including extensions, of the plan Sponsor's income tax return.

401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN (Continued)

Participant Accounts – Each participant's account is credited with an allocation of the employer's profit-sharing contribution, plan earnings and forfeitures of terminated participants' non-vested accounts and with actual employee deferral contributions and employer matching contributions. Contributions and forfeitures are allocated based on the ratio of each participant's compensation for the Plan year to the compensation of all participants for the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting – Participants are 100% vested in their employee deferral contributions. With respect to employer matching contributions, participants are 100% vested. With respect to employer profit-sharing contributions, participants are 20% vested after two years of service with an additional 20% increase in vesting for each additional year of service.

Investing Options – Upon enrollment in the Plan, a participant may direct employee contributions and employer matching contributions in any of the investment funds John Hancock Life Insurance Company USA offers. Participants may change their investment options daily through a toll-free number with John Hancock or via the internet on the John Hancock website.

Participant Notes Receivable – Participants may borrow from their fund accounts up to a maximum of the lesser of \$50,000 or 50% of their non-forfeitable account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from 1-5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the non-forfeitable balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the advisory committee. The interest rates on the current loans outstanding range from 3.75% to 5.50%. Principal and interest is paid ratably through bi-weekly payroll deductions.

If a participant should fail to make a payment on their loan, the loan is considered to be delinquent. The participant is given 90 days from the loan becoming delinquent to bring the loan back to a current status. If the loan is not brought current, the unpaid loan balance is considered to be a deemed distribution. As of December 31, 2021, there were no delinquent loans outstanding.

Payment of Benefits – Upon termination of service including death, disability or retirement, a participant will be paid no earlier than 90 days following the participant's separation from service. Normal retirement age is defined as 65. The benefit obligations payable to participants were \$1,298,446 and \$276,332 for December 31, 2021 and 2020, respectively.

NOTE 1 DESCRIPTION OF PLAN (Continued)

Forfeitures – Monies forfeited by the participants in the Plan upon termination of employment with the Company, prior to attaining 100% vesting in the employer profit-sharing contributions may be used as part of the matching contributions, employer profit-sharing contributions, or to reduce administrative expenses. Total forfeitures allocated for 2021 and 2020 were \$0 and \$0, respectively.

Plan Amendments – Effective January 1, 2005, the Plan's name changed from the Interstate International, Inc. 401(k) Profit Sharing Plan to the current name. The Plan's federal identification number was also changed.

Effective February 1, 2005, the in-service distribution rules changed as follows: an in-service distribution from a participant's salary deferred account may be requested upon reaching age 59 ½; an in-service distribution from profit-sharing and/or matching contributions may be requested once a participant is 100% vested in his account; and, participants may request an in-service distribution threshold for involuntary cash-outs decreased from \$5,000 to \$1,000 for non-responsive separated participants. Effective August 15, 2005, the Plan loan policy was updated to provide for more detailed documentation to support loan requests.

The Plan was amended effective for plan years beginning after December 31, 2005 to comply with Internal Revenue Service regulations regarding hardship distributions. Hardship distributions must satisfy the deemed immediate and heavy financial need standards.

Effective January 1, 2008, JBP, LLC and Big D National Truck, Inc. dba: Silver State International, Inc. became unrelated employers and were removed as Participating Employers in the Interstate Truck Center, LLC 401(k) Profit Sharing Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Interstate Truck Center, LLC 401(k) Profit Sharing Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements is as follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INTERSTATE TRUCK CENTER, LLC
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized when received. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Notes receivable from participants are considered to be delinquent after one payment is late. The participant is notified by letter that the note receivable is held in default if the note is not brought current after three missed payments. The default is a deemed distribution.

Allowance for Doubtful Accounts

Allowance for doubtful accounts is assumed to be zero based on historical collections.

Investment Valuation and Income Recognition

Mutual funds are stated at their quoted market price on a daily basis.

Participant notes receivable are valued at cost plus accrued interest, which approximates fair value. The net aggregate change in net assets available for plan benefits are presented as net appreciation or depreciation in the fair value of investments.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

During the year, the Plan sponsor paid for accounting and certain administrative expenses. Other administrative expenses paid by the Plan are reflected in the statement of changes in net assets available for plan benefits.

NOTE 3 FAIR VALUE MEASUREMENTS

Generally accepted accounting principles provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

INTERSTATE TRUCK CENTER, LLC
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 FAIR VALUE MEASUREMENTS (Continued)

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
	Inputs to the valuation methodology include:
Level 2	• Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at the year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

On July 18, 1996, the Plan entered into an allocated retirement account group annuity contract with The Manufacturers Life Insurance Company (John Hancock). John Hancock maintains the contributions from the employees and employer match in the investment options directed by each participant. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses charged by Manulife. The contract is included in the financial statements at fair value as reported to the Plan by John Hancock. Fair value represents contributions made under the contract, plus earnings, less plan withdrawals and administrative expenses.

NOTE 6 TAX STATUS

The IRS has determined and informed the plan sponsor by a letter dated August 30, 2001, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The tax years 2018 to current remain subject to examination by taxing authorities.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 8 RISKS AND UNCERTAINTIES

Plan participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. The maximum amount of loss due to credit risk in the event of a complete institutional failure at December 31, 2021 is \$18,297,508.

NOTE 9 SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 14, 2022, the date through which the financial statements were available to be issued.
