Report of Independent Auditors

To the Participants and Administrator of the
C.S. Wo & Sons, Ltd. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the C.S. Wo & Sons, Ltd. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- 
- The information in the accompanying 2021 Financial Statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreeing to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 Financial Statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

C.S. Wo & Sons, Ltd. Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. Description of the Plan

The C.S. Wo & Sons, Ltd. Profit Sharing Plan (the “Plan”) was initially adopted on July 16, 1954. The Plan was amended at various dates since adoption to reflect changes in the applicable laws and regulations. The Plan is subject to the provisions of the Department of Labor’s Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974 (“ERISA”).

On March 11, 2020, the World Health Organization declared an outbreak of the coronavirus infection known as COVID-19 to be a global pandemic. COVID-19 has had a significant adverse impact on Hawaii’s hospitality and retail sectors, ultimately forcing the Plan Sponsor to temporarily close its stores in Hawaii for a portion of 2020. The Plan Sponsor took several steps to strengthen its financial position including reducing operating expenses and making adjustments to their operating framework.

The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

Principal provisions of the amended Plan are as follows:

Eligibility

Employees of C.S. Wo & Sons, Limited (the “Company”) become eligible participants on the first day of January, April, July or October following the completion of an introductory period of service of 90 calendar days of continuous employment.

Contributions

Contributions by participants are voluntary pre-tax salary deferrals. Participants shall be entitled to elect to defer monthly, a percentage of their compensation in increments of 1%, up to the maximum allowable under the Internal Revenue Code (“IRC”). At the plan administrator’s discretion, rollover contributions may be accepted from another qualified plan.

The Plan allowed for fixed employer matching contributions at amounts equal to 25% of the first 6% of an eligible participant’s pre-tax salary deferral and additional discretionary matching contributions based on a percentage of a participant’s salary deferral if at least 1,000 service hours are completed by the participant during the plan year. Effective June 1, 2020, the Plan was amended to eliminate the fixed employer matching contributions. No additional discretionary matching contributions were made in 2021 and 2020.

Allocation of Employer Contributions, Plan Earnings and Losses, and Forfeitures

Separate employer matching and salary deferral accounts are maintained for each participant, as applicable. The accounts are credited for the participant’s share of contributions, income or loss, distributions, and all other information affecting the value of the accounts. Forfeitures, as determined under the Plan, are allocated to employer matching and/or employer discretionary accounts. Forfeited nonvested accounts amounted to \$7,740 at December 31, 2021. There were no forfeited nonvested accounts at December 31, 2020.

Benefits

Generally, benefits vest based on completed years of service as follows:

Completed Years of Service	Vested Interest
Less than 2	10 %
2	20 %
3	40 %
4	60 %
5	80 %
6 or more	100 %

Full vesting is provided in the event of a participant's death, disability or normal retirement regardless of years of service.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law to provide emergency assistance to qualifying individuals and businesses. The Plan has adopted the distribution provisions of the CARES Act which provided for penalty-free coronavirus related distributions of up to \$100,000 for participants meeting certain eligibility criteria. The distribution provisions of the CARES Act were effective for the plan year ended December 31, 2020.

Distributions to Active Participants

- **Company Discretionary Contribution Account** – Upon the approval of the Administrative Committee, participants who would otherwise suffer financial hardship may apply for distributions of up to their vested interest in Company discretionary contributions.
- **Salary Deferral Account** – Upon the approval of the Administrative Committee, participants who would otherwise suffer certain Internal Revenue Service ("IRS") approved financial hardship may apply for distributions of up to 100% of their salary deferrals.
- **Voluntary Contribution Account** – Upon written request, participants may withdraw up to 100% of their voluntary contributions.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less, for qualified hardship reasons. The loans are secured by the balance in the participant's account and bear interest at rates of 1% above the prime rate for loans originated on or prior to September 30, 2015, and 2% above the prime rate for loans originated subsequent to September 30, 2015. Principal and interest are paid ratably through payroll deductions.

The Plan also adopted the loan provision of the CARES Act which enables participants meeting certain eligibility criteria to suspend the repayment of their loan(s) during the period from March 27, 2020 through December 31, 2020.

C.S. Wo & Sons, Ltd. Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Administrative Expenses

Administrative expenses are paid by the Plan to the extent not paid by the Company, as provided in the plan document.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue contributions or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to participant accounts shall become vested and nonforfeitable. Vested amounts would be paid to participants as provided in the plan document.

Due to COVID-19 and the temporary suspension of operations by the Plan Sponsor, the number of active participants in the Plan decreased significantly during the year ended December 31, 2020, subsequently resulting in a partial termination of the Plan. Accordingly, the account balances for participants who terminated during 2020 became fully vested.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements under the accrual method of accounting.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The plan invests in a variety of investments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Fair Value Measurements

The Plan measures the fair value of assets and liabilities as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants at the measurement date. The fair value hierarchy distinguishes between independent observable inputs and unobservable inputs used to measure fair value, as follows:

- **Level 1** – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- **Level 2** – Inputs other than quoted market prices included within Level 1 that are observable for an asset or liability, either directly or indirectly.
- **Level 3** – Unobservable inputs for an asset or liability reflecting the reporting entity's own assumptions. Level 3 inputs should be used to measure fair value to the extent that observable Level 1 or Level 2 inputs are not available.

The level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Investment Valuation and Income Recognition

The Plan's investments in money market mutual funds and mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end and are generally categorized as Level 1 in the fair value hierarchy.

The Plan has an investment in a stable value fund that invests in guaranteed investment contracts issued by insurance companies and synthetic investment contracts issued by banks, insurance companies, and other issuers. Unit holders may ordinarily direct the withdrawal or transfer of all or a portion of their investment daily. Withdrawals other than benefit payments and transfers require twelve-month advance written notice. Certain plan sponsor-directed actions also require advance written notice and may limit the ability of unit holders to transact at contract value.

The Plan also has investments in collective investment trust funds that primarily invest in equity securities and collective trust funds. If the Plan initiates a full redemption of these collective investment trust funds, the issuer reserves the right to require a 30-day notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

There were no unfunded commitments or restrictions on the participants' ability to redeem their investments in the stable value fund and collective investment trust funds at December 31, 2021 and 2020.

C.S. Wo & Sons, Ltd. Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

The net asset value is used as a practical expedient to estimate the fair value of the stable value fund and collective investment trust funds. This practical expedient would not be used if it is determined to be probable that the investments will sell for an amount different from the reported net asset values.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when earned. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants are recorded in the period the Company makes payroll deductions from plan participants.

Contributions from the Company are accrued with certain limitations based on defined matching contribution provisions of the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid. There were no benefits paid in 2022 and 2021 to participants who elected to withdraw funds in 2021 and 2020, respectively.

Income Taxes

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Subsequent Events

The Plan has reviewed all events that have occurred from January 1, 2022 through October 6, 2022, the date that the financial statements were available for issuance, for proper accounting and disclosure in the financial statements.

3. Investments

The plan administrator continued to elect the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained a certification from Charles Schwab Trust Company, the trustee of the Plan, that all of the following information provided by the trustee is complete and accurate:

- All information related to investment balances and notes receivable from participants presented in the statements of net assets available for benefits at December 31, 2021 and 2020.
- Investment income, including net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants presented in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- All information presented in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021.

Investments measured at fair value on a recurring basis have been categorized based on the fair value hierarchy in Note 2 at December 31, 2021 and 2020 as follows:

	Level 1	Total
2021		
Cash equivalents	\$ 123,040	\$ 123,040
Mutual funds	<u>31,004,585</u>	<u>31,004,585</u>

4. Tax Status

The Plan is relying upon an advisory letter issued by the IRS to Sungard Business Systems LLC under the IRS's preapproved plan program that the Plan constituted a qualified plan under Section 401(a) of the IRC and is therefore exempt from federal income taxes under provisions of Section 501(a). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

5. Party-In-Interest Transactions

The Plan has an investment in the Schwab Government Money Market Fund, which is managed by the Charles Schwab Corporation. Charles Schwab Trust Company, an affiliate of the Charles Schwab Corporation, is the trustee as defined by the Plan. Administrative services were provided by RiversEdge Advanced Retirement Solutions and investment management services were provided by Mosaic Pacific Investment Advisors. Transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan to Mosaic Pacific Investment Advisors for investment management services during 2021 amounted to approximately \$59,000. There were no fees paid by the Plan to RiversEdge Advanced Retirement Solutions for administrative expenses during 2021, as the plan utilized available mutual fund revenue sharing and other credits to offset amounts owed to RiversEdge Advanced Retirement Solutions.

6. Plan Compliance

The Plan returned excess participant deferral contributions to certain affected active participants to satisfy the nondiscrimination provisions of the Plan. Excess participant contributions and investment earnings on those contributions in 2021 amounted to \$3,489 and were returned in 2022. Excess participant contributions and investment earnings on those contributions in 2020 amounted to \$33,499 and were returned in 2021.
