We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SMITH TRUCKING, INC. 401(K) PLAN & TRUST and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SMITH TRUCKING, INC. 401(K) PLAN & TRUST's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SMITH TRUCKING, INC. 401(K) PLAN & TRUST's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SMITH TRUCKING, INC. 401(K) PLAN & TRUST's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets held (at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of SMITH TRUCKING, INC. 401(K) PLAN & TRUST. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations and Reporting and Disclosure under ERISA.

SMITH TRUCKING, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN

The following description of the SMITH TRUCKING, INC. 401(K) PLAN & TRUST (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan with 401(k) features. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Entities

The Plan consists of participants from Smith Trucking, Inc., which is part of a commonly controlled group, and from Rose Management, Inc., which is an affiliated corporation (Plan Sponsors).

Eligibility

Eligible employees of the Plan Sponsors may participate after reaching the age of 21 and completing a minimum of six months of service. Employees will begin participation in the Plan the 1st day of the month following the date the eligibility requirements are met.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Discretionary profit sharing contributions are determined and made by the employers. The employers have not made any discretionary profit sharing contributions for the years ended December 31, 2021 and 2020.

SMITH TRUCKING, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the employer's discretionary profit sharing contributions, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their contributions and any past employer's matching contributions into any of the different investment funds offered by the Plan or elect to have their investments professionally managed.

Vesting

Participants are vested immediately in their voluntary 401(k) contributions plus actual earnings thereon. Participants are 100% vested in their safe harbor matching contributions that occurred prior to January 1, 2010. The Plan applies a six-year graduated vesting schedule for employer profit sharing contributions. Participants will be 100% vested in any employer profit sharing contributions after six years of vesting service or at the time of death, disability, or retirement, provided the person has reached normal retirement age.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest based on inquiry with professional lenders in the same geographic area of the participant and Plan Sponsor to determine the prevailing interest rate for loans under like circumstances.

Loans require repayment within five years from the loan date, unless the loan is for the purchase of the participant's primary residence, in which case the repayment may be for a reasonable period of time that may exceed five years.

SMITH TRUCKING, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

If employment terminates for reasons other than death, disability or early or normal retirement, participants are entitled to receive only the vested percentage of their account balance. If the account balance does not exceed \$5,000, a distribution can be made regardless of whether the participant consents to receive it.

Forfeitures

Forfeited nonvested accounts are used to either reduce the Company's discretionary matching contributions or pay Plan expenses in accordance with the provisions of the Plan. The balance of forfeited nonvested accounts at December 31, 2021 and 2020 was \$0 each year. During the years ended December 31, 2021 and 2020, there were no forfeitures used to pay administrative expenses.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements and supplemental schedules of the Plan were prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect amounts reported on the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

SMITH TRUCKING, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value was determined using the net asset values of mutual funds, which was determined by the net asset value of the underlying shares.

Participant loans are valued at their outstanding principal balances, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as received.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan administration costs were paid through participant accounts.

SMITH TRUCKING, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contributions Payable

The Plan is required to return contributions received during the Plan year in excess of the Code's limits.

Tax Positions Interest and Penalty

Interest recognized on underpayment of income taxes is recorded to interest expense. Penalties recognized on tax positions are recorded to income tax expense. During the years ended December 31, 2021 and 2020, there were no underpayment interest or penalties to recognize.

NOTE C. INCOME TAX STATUS

The Plan Prototype obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

As of December 31, 2021, the federal 2020, 2019, and 2018 tax returns remain subject to examination.

SMITH TRUCKING, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE D. CERTIFICATION BY THE TRUSTEE

The Trustees provided the plan administrator with certifications as to the completeness and accuracy of investment assets and notes receivable from participants aggregating \$1,729,448 and \$1,499,003 for the years ended December 31, 2021 and 2020, respectively. The related net investment income, including the net appreciation in fair value of such assets of \$193,625 and \$215,978 for the years ended December 31, 2021 and 2020, respectively, was also included in the certifications. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedules of the Plan based on such certifications from the Trustee as being complete and accurate.

NOTE E. FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Basis of Fair Value Measurement

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

SMITH TRUCKING, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE E. FAIR VALUE MEASUREMENTS (Continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2021 and 2020. As required by FASB ASC 820, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE F. PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. The Trustee is a party-in-interest as a result of providing custodial services to the Plan and investment of Plan assets in its investment funds. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

NOTE G. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company's contributions.
