INDEPENDENT AUDITOR'S REPORT

To Plan management of
HARTWIG, INC. 401(k) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Hartwig, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hartwig, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the 2022 Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Hartwig, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hartwig, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hartwig, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hartwig, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule Of Assets (Held At End Of Year), as of September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Hartwig, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 26, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HARTWIG, INC.
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of Hartwig, Incorporated 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan, which was adopted on October 1, 2003 and restated on October 1, 2013 by Hartwig, Incorporated (the Corporation), is a defined contribution plan covering all employees of the Corporation who have attained an age of 20 years or older. Employees who have worked for the Corporation for three consecutive months are eligible to make salary deferrals at the beginning of the following quarter and receive matching contributions, if applicable, under the Plan. In order to be eligible to receive employer profit sharing contributions under the Plan, employees must have completed one year of service, defined as working 1,000 hours during the 12 consecutive months immediately following date of hire. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may contribute a portion of pretax and/or post tax compensation, as defined by the Plan, not to exceed the statutory maximum deferral contribution limitation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for matching contributions equal to a discretionary percentage determined by the Corporation. As of January 1, 2018, the Corporation changed the matching percentage from 10% to 20% of the employee's deferral. The Corporation stopped the match April 2020 and did not restart the match until June 2021 at a 5% matching percentage rate. On September 1, 2021, the Corporation increased the matching percentage to 10% and again on January 1, 2022 to 20% match on the employee deferral.

In addition, each year the Corporation may make an additional discretionary contribution to the Plan. The discretionary contribution is allocated as a percentage of each eligible participant's plan compensation, capped at \$100,000 in relation to total Plan compensation for the Plan year. The Corporation did not make any discretionary contributions for the years ended September 30, 2022 and 2021.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Corporation's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. **DESCRIPTION OF PLAN** - continued

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Corporation's matching contributions is based on years of service. Participants are 100% vested after five years of service.

Forfeitures - Participants who terminate their employment and are less than 100% vested in their employer's contributions forfeit the non-vested portion of their account balance. Forfeitures are typically applied to the Plan year in which the forfeiture occurs. As of September 30, 2022 and 2021, forfeited non-vested accounts totaled \$924 and \$450, respectively. For the 2022 and 2021 Plan years, the amount of forfeitures used to reduce employer contributions amounted to \$2,142 and \$7,195, respectively.

Participant Hardship Withdrawals - Participants may file a written request for a hardship withdrawal from the Plan for that portion of their account resulting from salary deferrals and certain employer contributions to the extent vested. Prior to receiving a hardship withdrawal, the employee must take any other distribution available and borrow the maximum non-taxable loan amount allowed under the Plan. Participants should refer to the Plan document for exceptions to this rule. The maximum hardship withdrawal is the total of a participant's 100% vested balance.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 and up to 50% of the vested balance from the Plan with the receivable being a participant-directed investment of their account. Lending transactions are treated as transfers to (from) the investment accounts from (to) the participant receivable account. The notes receivable are secured by the vested balance in the participant's account and bear interest at prime plus 1%. Interest rates range from 4.25% to 6.5%. Principal and interest is paid back to the Plan ratably through payroll deductions.

Payment of Benefits - The Plan provides for retirement benefits to begin upon normal retirement age but no later than April 1 of the calendar year in which participants attain the age of 70½.

On termination of service, participants may elect to receive either a lump sum amount equal to the value of their account or monthly installments over their remaining life. If the terminated participant's account balance is under \$1,000, their funds are automatically distributed in a lump sum. If the terminated participant's account balance is greater than \$1,000 but less than \$5,000, their funds are automatically rolled over to an IRA selected by the plan administrator unless instructed otherwise by participant. Participants with account balances greater than \$5,000 may leave their funds in the Plan indefinitely.

In the event of death, the full value of the participant's account is payable to their beneficiary in a lump sum, or if permitted, in installments over a period which will not exceed the life expectancy of the beneficiary.

Investment Options - Upon enrollment in the Plan, a participant may direct participant contributions as well as any employer contributions in either a specified dollar amount per payroll period or in whole percentage increments of earnings in any of the funds offered by the Plan. The Plan currently offers various mutual funds through a pooled separate account arrangement. Participants should reference prospectus information supplied by the Plan for detailed fund information.

1. **DESCRIPTION OF PLAN** - continued

Plan Termination - Although it has not expressed any intent to terminate the Plan, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4, *Fair Value Measurements*, for the fair value disclosures.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses of the Plan are charged to participants' individual investment accounts. Some of the Plan's administrative expenses are absorbed by the Corporation. In 2018, the expense structure changed and revenue is no longer used towards Plan costs.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Total investments, at fair value, as shown in the statements of net assets available for benefits at September 30, 2022 and 2021
- Notes receivable from participants included in the statements of net assets available for benefits at September 30, 2022 and 2021
- Investment income and related investment activity as shown in the statement of changes in net assets available for benefits for the years ended September 30, 2022 and 2021
- All amounts included in Note 4, *Fair Value Measurements*
- All information included in the supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year)

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Plan used the following methods and significant assumptions to estimate fair value for assets recorded at fair value. There have been no changes in the methodologies used at September 30, 2022 and 2021.

Pooled separate account - This fund is valued using the underlying mutual fund which is then adjusted to apply the expense factor disclosed in the annuity contract. The formula-calculated unit value is then compared to an accounting-driven unit value the following morning. The accounting unit value is determined in a manner similar to a mutual fund NAV calculation: dividing the net assets by the number of units outstanding. Any discrepancies between the two unit values are resolved to ensure the recordkeeping system reflects the accurate value for the day.

4. FAIR VALUE MEASUREMENTS - continued

Investment contract -The guaranteed investment contract with an insurance company is not actively traded; however, the contract's monthly crediting interest rate is based upon the prevailing interest rates for U.S. Treasuries of similar duration to the contract, and interest rates for similar investment products as quoted by John Hancock's competitors, both of which are considered observable inputs.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of September 2022 and 2021:

		Fair Value Measurements Using:	
		Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
	Total Investments		
September 30, 2022			
Pooled separate accounts:	\$ 23,050,500	\$ -	\$ -
Guaranteed contract with insurance company	<u>1,882</u>	<u>-</u>	<u>1,882</u>
Total	<u>\$ 23,052,382</u>	<u>\$ -</u>	<u>\$ 1,882</u>
September 30, 2021			
Pooled separate accounts	\$ 30,689,196	\$ -	\$ -
Guaranteed contract with insurance company	<u>109,170</u>	<u>-</u>	<u>109,170</u>
Total	<u>\$ 30,798,366</u>	<u>\$ -</u>	<u>\$ 109,170</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended September 30, 2022 and 2021 are reported in net appreciation (depreciation) in fair value of investments.

Fair Value of Investments in Entities that Use NAV

As of September 30, 2022 and 2021, the pooled separate account had a fair value of \$23,050,500 and \$30,689,196, respectively, no unfunded commitments, daily redemption frequency, no other redemption restrictions, and no redemption notice period.

5. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds held by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA. Investments in these funds totaled \$23,052,382 and \$30,798,366 at September 30, 2022 and 2021, respectively.

Some of the administrative costs of the Plan are paid by the Corporation. Certain employees serve as the Plan's administrators. The administrators do not receive any compensation for services rendered to the Plan.

6. INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Corporation, by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter, however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through the date of the Independent Auditors' Report, the date the financial statements were available to be issued.
