Independent Auditors' Report

Board of Directors
Community Action Partnership of Orange County 403(b) Plan
Garden Grove, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statement

We have performed an audit of the financial statements of the Community Action Partnership of Orange County 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Community Action Partnership of Orange County 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community Action Partnership of Orange County 403(b) Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Community Action Partnership of Orange County 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community Action Partnership of Orange County 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We have audited the statement of net assets available for benefits of the Community Action Partnership of Orange County 403(b) Plan as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and in our report dated July 15, 2021, we expressed an unmodified opinion on those financial statements.

COMMUNITY ACTION PARTNERSHIP OF ORANGE COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(See Independent Auditors' Report)

Note 1 - Plan Description

The following brief description of the Community Action Partnership of Orange County 403(b) Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Community Action Partnership of Orange County 403(b) Plan is a defined contribution plan sponsored by Community Action Partnership of Orange County (CAP OC), a California not-for-profit organization, for the benefit of its employees. The Plan is a defined contribution plan under which employer contributions are based on a fixed formula that is not related to profits. The Plan covers all employees of CAP OC. The Plan administrator is the management of Community Action Partnership of Orange County. All assets of the Plan are held in group annuity contracts sponsored by Mutual of America Life Insurance Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

There is no minimum age or service requirement to enroll in the plan and make salary deferral contributions. All employees who have reached the age of 21 and have worked 1,000 hours for CAP OC in a six month period are eligible to receive employer discretionary contributions.

Contributions

Participants may contribute only by way of elective deferrals not to exceed a certain dollar limit which is set by law. Contributions are subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers numerous mutual funds as investment options for participants.

Employees are eligible to make salary deferral contributions at the date of their hire. CAP OC makes discretionary contributions of 6% of the employees' gross earnings each pay date after the employee has completed six months of employment. The participants' contributions are invested directly in the participants' selected investments. CAP OC's contributions are invested directly in the participants' selected investments.

Participant Accounts

Each participant's account is credited with an allocation of: (a) participant contributions, (b) the employer contribution, if any and (c) Plan earnings and gains or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

COMMUNITY ACTION PARTNERSHIP OF ORANGE COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(See Independent Auditors' Report)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Once CAP OC makes a discretionary contribution to the Plan for a participant's benefit, that contribution belongs to the participant. Although not applicable in 2021, nonelective deferrals to the Plan made by CAP OC may be subject to vesting restrictions.

Investment Options

All investments of the Plan are participant-directed. The Plan currently offers more than thirty (30) investment options for participants. Participants are allowed to change their investment election at any time. If a participant does not make any investment selections, the deferrals and any employer contributions are invested in the Plan's Mutual of America Life Insurance Company - Retirement Funds appropriate to their age at time of allocation.

Participant Loans

Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to 50% of their account balance. CAP OC determines whether a participant qualifies for a loan, applying such criteria as a commercial lender of funds would apply in like circumstances with respect to the participant. Participants make repayments through direct, after-tax payroll deductions. Loans bear interest commensurate with the prevailing interest rate charged on similar commercial loans under like circumstances.

Rollover Contributions

The Plan permits Rollover Contributions subject to approval by the Plan Administrator.

Administrative Expenses

All reasonable plan administration expenses related to the administration of the Plan or associated with the investment of Plan assets may be paid by the Plan or by CAP OC. If CAP OC does not pay Plan-related expenses, such fees or expenses will generally be allocated to the accounts of Participants either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. Participants who direct the investment of their benefits under the Plan are responsible for any investment-related fees incurred as a result of their direction.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons (as allowed under the Plan), a participant will be eligible to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service hardship withdrawals are permitted if certain criteria are met. In addition to ordinary income tax, participants who receive a distribution before age 59 1/2 may be subject to a ten percent (10%) penalty, unless the participant elects to "rollover" the distribution into another qualified plan or an Investment Retirement Account (IRA). There is no penalty for distributions due to a participant's death or disability.

COMMUNITY ACTION PARTNERSHIP OF ORANGE COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020
(See Independent Auditors' Report)

Administration of Plan Assets

Participant direction procedures have been established to permit participants to direct their own investments by giving instructions to the Plan Administrator. This will relieve the Employer, the Plan Administrator and the Trustee of any legal liability for losses that are the direct result of participant investment direction. All of the Plan's assets are held under a group annuity contract with Mutual of America.

Plan Termination

Although it has not expressed an intention to do so, The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Contributions are recognized as revenues in the period in which employee services are performed and plan expenses are recorded when the corresponding liabilities are incurred, regardless of when payment is made.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments and Income Recognition

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts but no adjustment of the contracts from fair value to contract value because the contracts are not fully benefit-responsive and contract value is equal to the fair value.

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The fixed annuities in the general accounts are reported at contract value which approximates fair value. The contract value of the fixed annuities in the general accounts equal the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. The plan administrator believes

COMMUNITY ACTION PARTNERSHIP OF ORANGE COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(See Independent Auditors' Report)

that contract value is the appropriate determination of fair value for the fixed annuities in the general accounts.

Purchases and sales of investment contract shares are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments consists of realized gains or losses and unrealized appreciation or depreciation on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

Subsequent events were evaluated through July 15, 2022, which is the date the financial statements were available to be issued.

Note 3 - Fair Value of Financial Instruments

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The carrying amounts of cash and cash equivalents, contributions receivable, and participant loans approximate fair value.

FASB ASC 820, (formerly SFAS No. 157), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The table below presents the balances of Plan investments at December 31, 2021 and 2020 measured at fair value on a recurring basis by level within the hierarchy:

December 31, 2021				
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

COMMUNITY ACTION PARTNERSHIP OF ORANGE COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(See Independent Auditors' Report)

The following methods and assumptions were used to estimate the fair value for each class of financial instrument measured at fair value:

General account – The interest accumulation fund is comparable to a cash equivalent and is generally considered a Level 1 investment.

Pooled separate accounts – These accounts consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded and are generally considered a Level 1 investment.

While the plan sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Note 4 - Investments

The following presents investments that represent 5 percent or more of Plan's net assets as of the year ended December 31, 2021:

Mutual of America 2025 Retirement Fund	\$ 538,505
Mutual of America 2035 Retirement Fund	564,792
Mutual of America 2040 Retirement Fund	672,083
Mutual of America 2050 Retirement Fund	537,498
Mutual of America Equity Index Fund	467,552
Mutual of America Retirement Income Fund	621,390
Mutual of America Interest Accumulation Fund	769,483

In 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$702,450. In 2020, the Plan's investments appreciated (depreciated) in value by \$264,472. In 2021 and 2020, the fair value adjustment to contract value is zero because contract value approximates fair value.

Note 5 – Participant Loans

As of December 31, 2021 and 2020, participants had \$112,558 and \$125,255 of outstanding loans, which were collateralized with participants' account balances. Participant loans are charged interest at rates commensurate with the prevailing interest rate charged on similar commercial loans. Interest received on loans is recognized as interest income on the statement of changes in net assets available for benefits. During the year ended December 31, 2021, participants did not default on any loans. During the year ended December 31, 2020, \$23,230 of participant loans were deemed to be in default. All outstanding loans are considered collectible at December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(See Independent Auditors' Report)

Changes in loans receivable during the years ended December 31, 2021 and 2020 were comprised of the following:

Balance, December 31, 2019	\$ 149,193
Loan repayments made in 2020	(31,651)
Loans defaulted	(23,230)
New loans issued in 2020	<u>30,943</u>
Balance, December 31, 2020	\$ 125,255
Loan repayments made in 2021	(43,197)
New loans issued in 2021	<u>30,500</u>
Balance, December 31, 2021	<u><u>\$ 112,558</u></u>

Note 6 - Receivables

During 2021 and 2020 CAP OC elected to contribute 6% of eligible employees' gross earnings each pay date. Due to a formal commitment existing at year end, the employer contribution receivable for the pay period ended December 31, 2021 and 2020 of \$17,832 and 13,208, respectively is included in employer contributions on the statement of changes in net assets available for benefits. Participant contributions receivable for the pay period ended December 31, 2021 and 2020 of \$15,258 and \$10,736, respectively are included on the statement of changes in net assets available for benefits for the year then ended. The contributions were paid into the Plan in January the subsequent year.

Note 7 – Information Prepared and Certified by the Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended. Accordingly, Mutual of America Life Insurance Company (U.S.A.) has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and in the notes to the financial statements.
- Interest income on fixed annuities in general accounts and net appreciation/depreciation in fair value of variable annuities in pooled separate accounts, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, Line 4(i) - schedule of assets (held at end of year) as of December 31, 2021.

Note 8 – Investment Contract with Insurance Company

The Plan has a benefit-responsive Group Annuity Contract with Mutual of America Life Insurance Company. The contract may provide payments or values which are not guaranteed as to fixed dollar amount. Also, payments may increase or decrease according to the investment experience of the underlying investments. The group annuity contract is comprised of fixed and variable annuities in subaccounts that invest in shares of underlying mutual funds.

Investments in the Variable Annuity Accounts

Contributions to the variable annuities are maintained in Separate Pooled Accounts. Each Eligible Fund is a separate mutual fund having its own investment objectives and policies and is registered with the Securities and Exchange Commission ("SEC") as an open-end management investment company or portfolio thereof. The SEC does not supervise the management or the investment practices and policies of any of the Eligible Funds.

Many of the Eligible Funds are available only to insurance companies for their variable contracts (Insurance-Dedicated Funds) and are used for mixed and shared funding. In mixed funding, shares of an Eligible Fund under the Group Annuity Contract are bought for variable life insurance policies issued by Mutual of America Life Insurance Company or other insurance companies. Shared funding occurs when shares of an Eligible Fund under the Group Contract are also bought by other insurance companies for their variable annuity contracts.

Some of the Insurance-Dedicated Eligible Funds have been established by investment advisers which manage publicly traded mutual funds having similar names and investment objectives. While some of the Eligible Funds may be similar to, and may in fact be modeled after publicly traded mutual funds, you should understand that the Eligible Funds are not otherwise directly related to any publicly traded mutual fund. Consequently, the investment performance of publicly traded mutual funds and any corresponding Eligible Funds may differ substantially. At December 31, 2021 and 2020 the fair value of the variable annuities in Separate Accounts were \$5,536,692 and \$4,454,295, respectively.

Investments in the Fixed Annuity Accounts

Contributions to the Fixed Annuity Account are in the form of benefit-responsive fixed annuities maintained in a general account. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets compared to the minimum interest crediting rate as stated in the contracts, and prevailing market conditions. The fixed annuity funds are included in the financial statements at contract value, which is equal to fair value, as reported to the Plan by Mutual of America Life Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value. The fixed annuity accounts provide a guarantee of the principal, backed by the entire general account assets of the respective insurance company, and a guaranteed annual interest rate.

COMMUNITY ACTION PARTNERSHIP OF ORANGE COUNTY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(See Independent Auditors' Report)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. At December 31, 2021 and 2020, the fair value of the fixed annuity accounts was \$769,483 and \$1,055,209, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than one percent. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The average yield earned by the guaranteed investment contract for the year ended December 30, 2021 was 0.91%. The yield was computed by dividing the annualized quarterly earnings of the contract on the last day of the Plan year by the fair value of the investments on the same date.

Note 9 - Federal Income Tax Status

The Internal Revenue Service has determined and informed the company by a letter dated March 31, 2017 that the Plan qualifies as a tax-exempt, defined contribution plan under the applicable provisions of the Internal Revenue Code and therefore investment income earned by the Plan is not subject to federal income taxes. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of November 30, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a tax liability (or asset) or disclosure in the financial statements.

Note 10 – Transactions with Related Parties and Parties-in-Interest

Certain Plan investments are fixed and variable annuities managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in Investment Income, as they are paid through revenue sharing rather than a direct payment.

Note 11 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 12 - Concentrations

The Plan is a defined contribution plan under which employer contributions are based on a fixed formula that is not related to profits. The Plan covers all employees of Community Action Partnership of Orange County (CAP OC). The Plan administrator is the management of Community Action Partnership of Orange County. CAP OC's mission is to enhance the quality of life within Orange County by eliminating and preventing the causes and effects of poverty by mobilizing and directing resources to programs that assist, educate and promote self-sufficiency. CAP OC has been operating since 1965.

CAP OC receives approximately 84% of its total support and revenue from governmental grants and contracts. Risk concentrations with respect to grants and contracts receivable are reduced due to the limited amount of credit risk exposure from government grants and contracts. CAP OC's governmental grants and contracts are subject to renewal by the funding agency, generally on an annual basis.
