Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2021 This Form is Open to Public Inspection
--	--	--

For calendar plan year 2021 or fiscal plan year beginning 01/01/2021 and ending 12/31/2021		
A Name of plan ARTESIA GENERAL HOSPITAL 401(K) PLAN	B Three-digit plan number (PN) ►	001
C Plan sponsor's name as shown on line 2a of Form 5500 ARTESIA GENERAL HOSPITAL	D Employer Identification Number (EIN) 74-2851819	

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash.....	1a	0	0
b Receivables (less allowance for doubtful accounts):			
(1) Employer contributions	1b(1)	0	0
(2) Participant contributions.....	1b(2)	0	0
(3) Other	1b(3)	0	0
c General investments:			
(1) Interest-bearing cash (include money market accounts & certificates of deposit)	1c(1)	416276	344593
(2) U.S. Government securities	1c(2)	0	0
(3) Corporate debt instruments (other than employer securities):			
(A) Preferred	1c(3)(A)	0	0
(B) All other	1c(3)(B)	0	0
(4) Corporate stocks (other than employer securities):			
(A) Preferred	1c(4)(A)	0	0
(B) Common	1c(4)(B)	0	0
(5) Partnership/joint venture interests	1c(5)	0	0

(1) To this plan.....	2l(1)		0
(2) From this plan.....	2l(2)		0

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: DINGUS, ZARECOR, AND ASSOCIATES

(2) EIN: 20-0079326

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Artesia General Hospital
401(k) Plan
Artesia, New Mexico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Artesia General Hospital 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Dingus, Zarecor & Associates PLLC

Spokane Valley, Washington

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Artesia General Hospital
401(k) Plan
Artesia, New Mexico

We were engaged to audit the accompanying statement of net assets available for benefits of Artesia General Hospital 401(k) Plan (the Plan) as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

**Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020
Financial Statement**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**Artesia General Hospital
401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2021 and 2020**

1. Description of Plan:

The following description of Artesia General Hospital 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

General – The Plan is a defined contribution plan covering substantially all of the employees of Artesia General Hospital (the Hospital) who are age 21 or older. The Plan was effective March 1, 2015, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each plan year, employees of the Hospital who have reached 21 years of age are eligible to participate in the Plan. Participants make voluntary tax-deferred contributions to the Plan through payroll deductions of up to 90 percent of eligible compensation or the Internal Revenue Service (IRS) maximum allowable contribution. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Each plan year, the Hospital will make discretionary matching contributions to eligible participants in the Plan in the amount determined by the Hospital at its discretion. Participants may direct contributions to any of the available options offered by the Plan.

Participant accounts – Each participant's account is credited with the participant's contributions, the Hospital's contribution, and the Plan's earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the Hospital's nonelective contribution is based on years of continuous service as set forth in the following table.

Participants' Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Benefit payments – Normal retirement under the Plan occurs at age 65. The Plan provides for retirement distributions to persons under age 65 if certain conditions are met as specified in the plan document. Participants, or their beneficiaries, are eligible to receive payment of benefits in the event of the participant's retirement, death, disability, or termination of the Plan. Benefits are distributed according to provisions set forth in the plan document. Participants' nonforfeitable account balances less than \$5,000 shall be distributed in a lump-sum payment. If the vested amount exceeds \$5,000, participants may elect for the benefits to be distributed in a lump-sum payment or annual installments. Benefits are recorded when paid. There were no benefits payable to persons who have withdrawn from participation in the earnings and operations of the Plan at December 31, 2021 or 2020.

Artesia General Hospital
401(k) Plan
Notes to Financial Statements (Continued)
Years Ended December 31, 2021 and 2020

1. Description of Plan (continued):

Administration of the Plan – The Plan is administered by the Hospital in the form of an advisory committee. Plan assets are invested in accordance with the employee's instructions. Records of participant account activity are processed and maintained by Fidelity Management Trust Company, which also performs other administrative support services for the Plan. Certain administrative functions are performed by officers or employees of the Hospital. No such officer or employee receives compensation from the Plan. Administrative expenses are paid by either the Plan or the plan sponsor as provided by the plan document.

Forfeited accounts – At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$43,262 and \$24,018, respectively. This amount will be used to reduce future employer contributions.

Loans receivable from participants – Participants may borrow from the Plan upon approval of the plan administrator. The amount of the loan cannot be less than \$1,000 and is limited to one-half the total value of the participant's vested account balance up to \$50,000. Principal and interest are paid ratably through payroll deductions. The term of the note may not exceed five years, unless the note is to purchase a personal residence. The note is secured by the balance in the participant's account and bears interest at one percent above the current prime interest rate.

Plan termination – Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants would become 100 percent vested in their accounts.

2. Summary of Significant Accounting Policies:

Basis of accounting – The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of shares are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The fair value of the Plan's assets is based on quoted market prices determined by pricing services from Fidelity Management Trust Company and other reliable sources. Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund which represents the net asset value of the shares held by the fund at year end. See Note 4 for discussion of fair value measurements.

Administrative expenses – The Hospital pays certain administrative expenses on behalf of the Plan.

**Artesia General Hospital
401(k) Plan
Notes to Financial Statements (Continued)
Years Ended December 31, 2021 and 2020**

2. Summary of Significant Accounting Policies (continued):

Subsequent events – In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 29, 2022, the date the financial statements were available to be issued.

3. Information Certified by the Plan Custodian:

Fidelity Management Trust Company, the custodian of the Plan, has supplied the plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets held at end of year as of December 31, 2021.

4. Fair Value Measurements:

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

Mutual funds and money market funds are valued at quoted prices for identical assets in active markets.

**Artesia General Hospital
401(k) Plan
Notes to Financial Statements (Continued)
Years Ended December 31, 2021 and 2020**

4. Fair Value Measurements (continued):

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,882,323	\$ -	\$ -	\$ 15,882,323
Money market funds	344,591	-	-	344,591
Total investments, at fair value	\$ 16,226,914	\$ -	\$ -	\$ 16,226,914

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,478,591	\$ -	\$ -	\$ 12,478,591
Money market funds	416,277	-	-	416,277
Total investments, at fair value	\$ 12,894,868	\$ -	\$ -	\$ 12,894,868

Changes in fair value levels – The availability of observable market data is monitored to assess the appropriate classifications of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no significant transfers in or out of Levels 1, 2, or 3.

5. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

6. Plan Tax Status:

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable determination letter from the IRS but has since been amended. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement dates. Accordingly, no provisions for income taxes have been included in the Plan's financial statements.

Artesia General Hospital
401(k) Plan
Notes to Financial Statements (Continued)
Years Ended December 31, 2021 and 2020

6. Plan Tax Status (continued):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

7. Party-in-interest Transactions:

The Plan's advisory committee consists of employees of the plan sponsor. There are no transactions between the parties other than contributions to the Plan, if eligible.

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company performs recordkeeping and administrative services for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity Management Trust Company amounted to \$75,144 for the year ended December 31, 2021.

Fidelity Management Trust Company also prepares the IRS Form 5500.

The plan auditor performs the required annual audit of the Plan.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

8. CARES Act:

In March 2020, the World Health Organization categorized COVID-19 as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of plan assets. The potential economic impact brought by, and for the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan has implemented certain requirements of the CARES Act, which allows certain eligible individuals to receive coronavirus-related distributions or relief from loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within the CARES Act have been elected by the Plan sponsor. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Artesia General Hospital
401(k) Plan
Notes to Financial Statements (Continued)
Years Ended December 31, 2021 and 2020

9. Subsequent Event:

The Plan's fair value of investments in mutual funds has had a material decline in fair value subsequent to the statements of net assets available for benefits date.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Artesia General Hospital
401(k) Plan
Artesia, New Mexico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Artesia General Hospital 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Dingus, Zarecor & Associates PLLC

Spokane Valley, Washington
July 29, 2022

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Artesia General Hospital
401(k) Plan
Artesia, New Mexico

We were engaged to audit the accompanying statement of net assets available for benefits of Artesia General Hospital 401(k) Plan (the Plan) as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

**Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020
Financial Statement**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**Artesia General Hospital
401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2021 and 2020**

1. Description of Plan:

The following description of Artesia General Hospital 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

General – The Plan is a defined contribution plan covering substantially all of the employees of Artesia General Hospital (the Hospital) who are age 21 or older. The Plan was effective March 1, 2015, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each plan year, employees of the Hospital who have reached 21 years of age are eligible to participate in the Plan. Participants make voluntary tax-deferred contributions to the Plan through payroll deductions of up to 90 percent of eligible compensation or the Internal Revenue Service (IRS) maximum allowable contribution. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Each plan year, the Hospital will make discretionary matching contributions to eligible participants in the Plan in the amount determined by the Hospital at its discretion. Participants may direct contributions to any of the available options offered by the Plan.

Participant accounts – Each participant's account is credited with the participant's contributions, the Hospital's contribution, and the Plan's earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the Hospital's nonelective contribution is based on years of continuous service as set forth in the following table.

Participants' Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Benefit payments – Normal retirement under the Plan occurs at age 65. The Plan provides for retirement distributions to persons under age 65 if certain conditions are met as specified in the plan document. Participants, or their beneficiaries, are eligible to receive payment of benefits in the event of the participant's retirement, death, disability, or termination of the Plan. Benefits are distributed according to provisions set forth in the plan document. Participants' nonforfeitable account balances less than \$5,000 shall be distributed in a lump-sum payment. If the vested amount exceeds \$5,000, participants may elect for the benefits to be distributed in a lump-sum payment or annual installments. Benefits are recorded when paid. There were no benefits payable to persons who have withdrawn from participation in the earnings and operations of the Plan at December 31, 2021 or 2020.

Artesia General Hospital
401(k) Plan
Notes to Financial Statements (Continued)
Years Ended December 31, 2021 and 2020

1. Description of Plan (continued):

Administration of the Plan – The Plan is administered by the Hospital in the form of an advisory committee. Plan assets are invested in accordance with the employee's instructions. Records of participant account activity are processed and maintained by Fidelity Management Trust Company, which also performs other administrative support services for the Plan. Certain administrative functions are performed by officers or employees of the Hospital. No such officer or employee receives compensation from the Plan. Administrative expenses are paid by either the Plan or the plan sponsor as provided by the plan document.

Forfeited accounts – At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$43,262 and \$24,018, respectively. This amount will be used to reduce future employer contributions.

Loans receivable from participants – Participants may borrow from the Plan upon approval of the plan administrator. The amount of the loan cannot be less than \$1,000 and is limited to one-half the total value of the participant's vested account balance up to \$50,000. Principal and interest are paid ratably through payroll deductions. The term of the note may not exceed five years, unless the note is to purchase a personal residence. The note is secured by the balance in the participant's account and bears interest at one percent above the current prime interest rate.

Plan termination – Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants would become 100 percent vested in their accounts.

2. Summary of Significant Accounting Policies:

Basis of accounting – The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of shares are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The fair value of the Plan's assets is based on quoted market prices determined by pricing services from Fidelity Management Trust Company and other reliable sources. Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund which represents the net asset value of the shares held by the fund at year end. See Note 4 for discussion of fair value measurements.

Administrative expenses – The Hospital pays certain administrative expenses on behalf of the Plan.

Years Ended December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (continued):

Subsequent events – In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 29, 2022, the date the financial statements were available to be issued.

3. Information Certified by the Plan Custodian:

Fidelity Management Trust Company, the custodian of the Plan, has supplied the plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets held at end of year as of December 31, 2021.

4. Fair Value Measurements:

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

Mutual funds and money market funds are valued at quoted prices for identical assets in active markets.

Notes to Financial Statements (Continued)
Years Ended December 31, 2021 and 2020**

4. Fair Value Measurements (continued):

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,882,323	\$ -	\$ -	\$ 15,882,323
Money market funds	344,591	-	-	344,591
Total investments, at fair value	\$ 16,226,914	\$ -	\$ -	\$ 16,226,914

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,478,591	\$ -	\$ -	\$ 12,478,591
Money market funds	416,277	-	-	416,277
Total investments, at fair value	\$ 12,894,868	\$ -	\$ -	\$ 12,894,868

Changes in fair value levels – The availability of observable market data is monitored to assess the appropriate classifications of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no significant transfers in or out of Levels 1, 2, or 3.

5. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

6. Plan Tax Status:

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable determination letter from the IRS but has since been amended. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement dates. Accordingly, no provisions for income taxes have been included in the Plan's financial statements.

6. Plan Tax Status (continued):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

7. Party-in-interest Transactions:

The Plan's advisory committee consists of employees of the plan sponsor. There are no transactions between the parties other than contributions to the Plan, if eligible.

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company performs recordkeeping and administrative services for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity Management Trust Company amounted to \$75,144 for the year ended December 31, 2021.

Fidelity Management Trust Company also prepares the IRS Form 5500.

The plan auditor performs the required annual audit of the Plan.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

8. CARES Act:

In March 2020, the World Health Organization categorized COVID-19 as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of plan assets. The potential economic impact brought by, and for the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan has implemented certain requirements of the CARES Act, which allows certain eligible individuals to receive coronavirus-related distributions or relief from loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within the CARES Act have been elected by the Plan sponsor. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
