INDEPENDENT AUDITOR'S REPORT

To Plan Management & Participants of
Samuel Coraluzzo Co, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 6* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section –

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)* and *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions* for the Plan year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAMUEL CORALUZZO CO., INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of **Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan** ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

General

The Plan is a defined contribution plan covering all employees of Samuel Coraluzzo Co., Inc. who are age twenty-one or older. There is no service requirement under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, active and eligible participants may elect to contribute a portion of eligible compensation to be withheld from each payroll as a pre-tax deferral. Participants may contribute up to the maximum amount allowed by law, which is the lesser of 75% of eligible compensation or \$19,500 (i.e., Code 402(g) and 415) for Plan years 2021 and 2020, as defined by the Internal Revenue Service ("IRS"). The amount of eligible compensation that a participant decides to defer into the Plan as a pre-tax deferral will be contributed on a pre-tax basis, meaning that the Plan contributions will not be taxed until they are withdrawn from the Plan. Participants who have attained age 50 prior to the end of the taxable year and are making deferral contributions to the Plan are eligible to make catch-up contributions. The catch-up contribution limit for Plan years 2021 and 2020 is \$6,500, as defined by the IRS. These catch-up contributions are eligible for matching contributions from the employer. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers approximately thirty-five different funds as investment options for participants and does not include an automatic enrollment or deferral provision. Once an eligible participant elects to enroll in the Plan, they are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Plan's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The employer may make discretionary matching contributions, based on the percentage of compensation deferred into the Plan by each participant. The discretionary percentage or dollar amount is determined by the employer on a uniform basis for all participants. The employer may also make qualified nonelective contributions in order to satisfy special nondiscrimination rules that apply to the Plan.

Federal law requires that total amounts contributed by the participant and the employer on the participant's behalf may not exceed the lesser of 100% of eligible compensation or \$58,000 for Plan years 2021 and 2020. Under the Plan, employer matching contributions are capped at \$15/week or \$780/year. If excess contributions are made, then these contributions in the participant's account may be forfeited or refunded based on provisions of the Plan document. Additionally, life insurance investments are not available under the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer matching contribution and, (b) the Plan earnings and losses (*until participants who have elected to withdraw have been paid*), and charged with an allocation of administrative expenses by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeited Accounts

At December 31, 2021 and 2020, unallocated forfeited non-vested accounts totaled \$9,609 and \$2,528 respectively. Forfeited accounts may be used to pay Plan expenses and fees or reduce amounts to be contributed to the Plan by the employer. Plan expenses and fees include, but are not limited to legal, trustee/custodial accounting and recordkeeping services. For the Plan years ended December 31, 2021 and 2020, Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan used \$51 and \$6,916 of forfeitures to pay administrative fees respectively.

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their investment fund accounts that are attributable to participant salary deferral and rollover contributions from other qualified plans. As defined by the Plan, the minimum allowable loan can be no less than \$1,000 and participants may have two outstanding loans from the Plan at a given time. All loans are secured by up to 50% of the participant's nonforfeitable, vested account balance. Interest rates are determined by the Plan administrator based on local prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances and shall remain fixed throughout the duration of the loan. Principal and interest payments are to be made at least quarterly and the loan repayment period may not exceed five years, unless the loan qualifies as a home loan used for the participant's principal residence.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, with 1,000 service hours during each Plan year earns a year vested. Please see below for the 6 year graduated vesting schedule.

Years of	Percentage
Zero	0%
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Payment of Benefits

A participant may be entitled to receive an in-service distribution from the Plan prior to termination of employment provided the participant has attained the age of 59 1/2. In the event of a hardship, participants may withdraw money for financial support if certain conditions are satisfied. Qualifying expenses to satisfy conditions for a hardship distribution includes: (1) medical expenses for you, your spouse, children, dependents, or beneficiary; (2) the purchase of your principal residence; (3) to prevent from eviction and/or foreclosure of your principal residence; (4) post-secondary education expenses for you, your spouse, children, dependents, or beneficiary; (5) burial or funeral expenses for your deceased parent, spouse, child, dependent, or beneficiary; and (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under Internal Revenue Code ("IRC") Section 165.

On termination of employment due to death, disability or retirement, as defined by the Plan, a participant automatically becomes 100% vested in all accounts and the participant, or in the case of death, the beneficiary may elect to receive either a lump-sum distribution in the amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a distribution, which may be subject to other penalties, restrictions, and forfeitures.

At December 31, 2021 and 2020, there were forty-nine (49) terminated and/or retired participants with vested account balances totaling \$1,112,955 that have not been paid and thirty-two (32) terminated and/or retired participants with vested account balances totaling \$559,941 that have not been paid respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are valued at contract value. The Plan does not hold a fully benefit-responsive investment contract as of the years ended December 31, 2021 and 2020.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation & Income Recognition

The Plan's investments are reported at fair value, as the Plan does not hold any fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at years-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. At December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on terms of the Plan. At December 31, 2021 and 2020, notes receivable from participants totaled \$468,054 and \$445,402 respectively with the effective interest rate of 4.25% for both Plan years presented.

Payment of Benefits

Benefits are recorded when paid to participants.

Excess Contributions Payable to Participants

Amounts payable to participants for the years ended December 31, 2021 and 2020 totaled \$786 and \$0 respectively. These amounts to be paid are related to contributions in excess of amounts allowed by the IRS and are recorded as a liability, with a corresponding reduction to the current year contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Administrative Expenses

The Plan assesses certain fees against individual accounts, rather than against the Plan as a whole when individual participants initiate certain transactions or utilize certain plan services. These fees may arise from, among other items, a participant's use of a feature available under the Plan (i.e., participant loans, exercising withdrawal/distribution rights), the addition of a service (i.e., investment advice or brokerage window services), or the application of applicable law (i.e., processing a domestic relations order issued by a court). Historically, expenses paid for by Samuel Coraluzzo Co., Inc. includes the direct compensation to service providers. At December 31, 2021 and 2020, administrative expenses totaled \$98,976 and \$84,621 respectively.

SAMUEL CORALUZZO CO., INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Newly Adopted Accounting Standards

In July 2019, the American Institute of Certified Public Accountants ("AICPA") Auditing Standards Board ("ASB") issued Statement on Auditing Standards ("SAS") No. 136, *Forming an Opinion and Reporting on Financial Statement of Employee Benefit Plans Subject to ERISA*. This accounting standard, as amended, prescribed certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974, and changes the form and content of the related auditor's report. This accounting standard was adopted for the Plan year ended December 31, 2021.

NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Upon termination of the Plan, the employer will promptly notify the participants of the effective date of such termination.

NOTE 4: TAX STATUS

The Internal Revenue Service has determined and informed Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5: RISKS & UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 6: CERTIFIED INVESTMENTS

Certain information related to investments and participant loans disclosed in the accompanying financial statements, including investments held at year end, notes receivable from participants (including related interest), net appreciation/(depreciation) in value of investments, and interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the Trustee to the Plan. NOTE 9: DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS

During 2021, Samuel Coraluzzo Co., Inc. 401(k) Plan erroneously failed to remit certain employee deferrals and loan repayments totaling \$181,983 in a timely manner as defined by the Department of Labor under the plan asset rules. The employer computed the net effect of lost earnings on these delinquent contributions and loan repayments and subsequently deposited \$1,937 into the Plan in October 2022 in order to make the Plan whole. These amounts are reported as participant and employer contributions receivable.

NOTE 10: FAIR VALUE MEASUREMENTS

Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan measures fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels:

Level 1 Inputs : Prices in markets for identical assets and liabilities that can be accessed at the measurement date.

Level 2 Inputs : Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 Inputs : Significant unobservable inputs for the assets or liabilities that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds : Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds : Valued at quoted prices in an active market, which represents the net asset values of shares held by the Plan.

Investments at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 8,780,095	\$ -	\$ -	\$ 8,780,095
Money Market Funds	118,926	-	-	118,926
Investments at Fair Value	\$ 8,899,021	\$ -	\$ -	\$ 8,899,021

Investments at Fair Value as of December 31, 2020

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 7,584,860	\$ -	\$ -	\$ 7,584,860
Money Market Funds	110,164	-	-	110,164
Investments at Fair Value	\$ 7,695,024	\$ -	\$ -	\$ 7,695,024

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers between levels.

NOTE 11: DATE OF MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2022, the date which the financial statements were available to be issued.

U.S. Department of Labor (DOL) Title 29 U.S. Code of Federal Regulations (CFR) §2510.3-102, *Definition of “plan assets” – participant contributions*, requires that an employer segregate defined contribution retirement plan employee contributions and loan repayments from its general assets as soon as *administratively feasible*, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. It is important to note that 15 business days following the end of the month is not a *safe harbor* for depositing deferrals; rather, that these rules set the maximum deadline if that amount of time is the earliest that is reasonably required to be able to separate the plan assets from the employer’s corporate assets.

The DOL encourages voluntary compliance by self-correcting violations of the law. The above delinquent contributions and loan repayments were subsequently corrected during the year ended December 31, 2022. See *Note 9* for more information.

INDEPENDENT AUDITOR'S REPORT

To Plan Management & Participants of
Samuel Coraluzzo Co, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 6* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section –

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)* and *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions* for the Plan year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAMUEL CORALUZZO CO., INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of **Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan** ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

General

The Plan is a defined contribution plan covering all employees of Samuel Coraluzzo Co., Inc. who are age twenty-one or older. There is no service requirement under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, active and eligible participants may elect to contribute a portion of eligible compensation to be withheld from each payroll as a pre-tax deferral. Participants may contribute up to the maximum amount allowed by law, which is the lesser of 75% of eligible compensation or \$19,500 (i.e., Code 402(g) and 415) for Plan years 2021 and 2020, as defined by the Internal Revenue Service ("IRS"). The amount of eligible compensation that a participant decides to defer into the Plan as a pre-tax deferral will be contributed on a pre-tax basis, meaning that the Plan contributions will not be taxed until they are withdrawn from the Plan. Participants who have attained age 50 prior to the end of the taxable year and are making deferral contributions to the Plan are eligible to make catch-up contributions. The catch-up contribution limit for Plan years 2021 and 2020 is \$6,500, as defined by the IRS. These catch-up contributions are eligible for matching contributions from the employer. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers approximately thirty-five different funds as investment options for participants and does not include an automatic enrollment or deferral provision. Once an eligible participant elects to enroll in the Plan, they are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Plan's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The employer may make discretionary matching contributions, based on the percentage of compensation deferred into the Plan by each participant. The discretionary percentage or dollar amount is determined by the employer on a uniform basis for all participants. The employer may also make qualified nonelective contributions in order to satisfy special nondiscrimination rules that apply to the Plan.

Federal law requires that total amounts contributed by the participant and the employer on the participant's behalf may not exceed the lesser of 100% of eligible compensation or \$58,000 for Plan years 2021 and 2020. Under the Plan, employer matching contributions are capped at \$15/week or \$780/year. If excess contributions are made, then these contributions in the participant's account may be forfeited or refunded based on provisions of the Plan document. Additionally, life insurance investments are not available under the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer matching contribution and, (b) the Plan earnings and losses (*until participants who have elected to withdraw have been paid*), and charged with an allocation of administrative expenses by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeited Accounts

At December 31, 2021 and 2020, unallocated forfeited non-vested accounts totaled \$9,609 and \$2,528 respectively. Forfeited accounts may be used to pay Plan expenses and fees or reduce amounts to be contributed to the Plan by the employer. Plan expenses and fees include, but are not limited to legal, trustee/custodial accounting and recordkeeping services. For the Plan years ended December 31, 2021 and 2020, Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan used \$51 and \$6,916 of forfeitures to pay administrative fees respectively.

Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their investment fund accounts that are attributable to participant salary deferral and rollover contributions from other qualified plans. As defined by the Plan, the minimum allowable loan can be no less than \$1,000 and participants may have two outstanding loans from the Plan at a given time. All loans are secured by up to 50% of the participant's nonforfeitable, vested account balance. Interest rates are determined by the Plan administrator based on local prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances and shall remain fixed throughout the duration of the loan. Principal and interest payments are to be made at least quarterly and the loan repayment period may not exceed five years, unless the loan qualifies as a home loan used for the participant's principal residence.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, with 1,000 service hours during each Plan year earns a year vested. Please see below for the 6 year graduated vesting schedule.

Years of	Percentage
Zero	0%
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Payment of Benefits

A participant may be entitled to receive an in-service distribution from the Plan prior to termination of employment provided the participant has attained the age of 59 1/2. In the event of a hardship, participants may withdraw money for financial support if certain conditions are satisfied. Qualifying expenses to satisfy conditions for a hardship distribution includes: (1) medical expenses for you, your spouse, children, dependents, or beneficiary; (2) the purchase of your principal residence; (3) to prevent from eviction and/or foreclosure of your principal residence; (4) post-secondary education expenses for you, your spouse, children, dependents, or beneficiary; (5) burial or funeral expenses for your deceased parent, spouse, child, dependent, or beneficiary; and (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under Internal Revenue Code ("IRC") Section 165.

On termination of employment due to death, disability or retirement, as defined by the Plan, a participant automatically becomes 100% vested in all accounts and the participant, or in the case of death, the beneficiary may elect to receive either a lump-sum distribution in the amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a distribution, which may be subject to other penalties, restrictions, and forfeitures.

At December 31, 2021 and 2020, there were forty-nine (49) terminated and/or retired participants with vested account balances totaling \$1,112,955 that have not been paid and thirty-two (32) terminated and/or retired participants with vested account balances totaling \$559,941 that have not been paid respectively.

Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are valued at contract value. The Plan does not hold a fully benefit-responsive investment contract as of the years ended December 31, 2021 and 2020.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation & Income Recognition

The Plan's investments are reported at fair value, as the Plan does not hold any fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at years-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. At December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on terms of the Plan. At December 31, 2021 and 2020, notes receivable from participants totaled \$468,054 and \$445,402 respectively with the effective interest rate of 4.25% for both Plan years presented.

Payment of Benefits

Benefits are recorded when paid to participants.

Excess Contributions Payable to Participants

Amounts payable to participants for the years ended December 31, 2021 and 2020 totaled \$786 and \$0 respectively. These amounts to be paid are related to contributions in excess of amounts allowed by the IRS and are recorded as a liability, with a corresponding reduction to the current year contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Administrative Expenses

The Plan assesses certain fees against individual accounts, rather than against the Plan as a whole when individual participants initiate certain transactions or utilize certain plan services. These fees may arise from, among other items, a participant's use of a feature available under the Plan (i.e., participant loans, exercising withdrawal/distribution rights), the addition of a service (i.e., investment advice or brokerage window services), or the application of applicable law (i.e., processing a domestic relations order issued by a court). Historically, expenses paid for by Samuel Coraluzzo Co., Inc. includes the direct compensation to service providers. At December 31, 2021 and 2020, administrative expenses totaled \$98,976 and \$84,621 respectively.

SAMUEL CORALUZZO CO., INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Newly Adopted Accounting Standards

In July 2019, the American Institute of Certified Public Accountants ("AICPA") Auditing Standards Board ("ASB") issued Statement on Auditing Standards ("SAS") No. 136, *Forming an Opinion and Reporting on Financial Statement of Employee Benefit Plans Subject to ERISA*. This accounting standard, as amended, prescribed certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974, and changes the form and content of the related auditor's report. This accounting standard was adopted for the Plan year ended December 31, 2021.

NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Upon termination of the Plan, the employer will promptly notify the participants of the effective date of such termination.

NOTE 4: TAX STATUS

The Internal Revenue Service has determined and informed Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5: RISKS & UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 6: CERTIFIED INVESTMENTS

Certain information related to investments and participant loans disclosed in the accompanying financial statements, including investments held at year end, notes receivable from participants (including related interest), net appreciation/(depreciation) in value of investments, and interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the Trustee to the Plan. NOTE 9: DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS

During 2021, Samuel Coraluzzo Co., Inc. 401(k) Plan erroneously failed to remit certain employee deferrals and loan repayments totaling \$181,983 in a timely manner as defined by the Department of Labor under the plan asset rules. The employer computed the net effect of lost earnings on these delinquent contributions and loan repayments and subsequently deposited \$1,937 into the Plan in October 2022 in order to make the Plan whole. These amounts are reported as participant and employer contributions receivable.

NOTE 10: FAIR VALUE MEASUREMENTS

Samuel Coraluzzo Co., Inc. 401(k) Profit Sharing Plan measures fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels:

Level 1 Inputs : Prices in markets for identical assets and liabilities that can be accessed at the measurement date.

Level 2 Inputs : Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 Inputs : Significant unobservable inputs for the assets or liabilities that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds : Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds : Valued at quoted prices in an active market, which represents the net asset values of shares held by the Plan.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers between levels.

NOTE 11: DATE OF MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2022, the date which the financial statements were available to be issued.

U.S. Department of Labor (DOL) Title 29 U.S. Code of Federal Regulations (CFR) §2510.3-102, *Definition of “plan assets” – participant contributions*, requires that an employer segregate defined contribution retirement plan employee contributions and loan repayments from its general assets as soon as *administratively feasible*, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. It is important to note that 15 business days following the end of the month is not a *safe harbor* for depositing deferrals; rather, that these rules set the maximum deadline if that amount of time is the earliest that is reasonably required to be able to separate the plan assets from the employer’s corporate assets.

The DOL encourages voluntary compliance by self-correcting violations of the law. The above delinquent contributions and loan repayments were subsequently corrected during the year ended December 31, 2022. See *Note 9* for more information.
