Independent Auditor's Report

Participants and Administrator of
Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditor's Report

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan

Notes to the Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following brief description of the Herc-U-Lift, Inc. Profit Sharing/Savings for Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information regarding the Plan's provisions.

General

The Plan is a defined contribution plan, covering all full-time employees of Herc-U-Lift, Inc. (the "Company") who are age 21 or older. Employees may contribute deferral contributions after one year of service and will also then be eligible for the employer matching contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Internal Revenue Code ("IRC") and is administered by the Company. The Plan has engaged Bank of America N.A. to be its Trustee and has adopted a Merrill Lynch prototype plan document. The Company pays substantially all administration costs.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law. The CARES Act provides a substantial stimulus and assistance package intended to address the impact of the coronavirus ("COVID-19" or "COVID-19 pandemic") pandemic, including tax relief and government loans, grants and investments, and COVID-19-related relief for retirement plans and IRAs. In March 2020, the Plan adopted COVID-19-related relief for retirement plans, specifically, relief for loan provisions, and distributions. The Plan has yet to be formally amended for these provisions.

Participant Accounts and Vesting

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and the Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants are immediately vested in employer and employee contributions plus actual earnings thereon less any Plan administration fees. Since all contributions are fully vested when made, there will generally be no forfeitures of participant account balances.

Eligibility

Employees who have completed one year of service and attained the age of 21 years and who are not independent contractors, non-resident aliens, union employees, or leased employees are eligible to become contributing participants in the 401(k) portion of the Plan on the first day of the month coinciding with or immediately following the date on which requirements are satisfied. Participants who are eligible to contribute to the Plan are also eligible for employer matching contributions.

Contributions

Participants may contribute up to 85% of their annual wages to the Plan. Participants may start to make catch-up elective deferral contributions during the year they reach age 50. The Plan also allows after-tax voluntary contributions and rollover contributions from other qualified plans for all participants.

The Company may make a discretionary match contribution equal to a uniform percentage or dollar amount of elective deferrals. Each year, the Company will determine the discretionary matching contribution. During 2021, the Company matched the first 6% of participants' elective deferrals with a 50% matching contribution.

In addition, the Company may elect to make a discretionary profit sharing contribution to the Plan, as determined by the Company's Board of Directors. Such contributions are allocated to participants' accounts according to a formula based on compensation. The Company did not make a discretionary profit sharing contribution to the Plan in 2021.

The Plan allows for rollover and catch-up contributions. Contributions are subject to a compensation ceiling and annual limitations prescribed by the IRC.

1. Description of Plan (Continued)

Payment of Benefits

Distributions will be made as soon as administratively feasible. The Plan allows in-service withdrawals when a participant reaches the age of 59 1/2. Benefits may be paid in the form of a lump sum, partial distribution, or installment. Accounts of terminated employees with balances less than \$5,000 may be subject to a mandatory distribution through a rollover into an individual retirement account or distributions through a lump sum payment. Benefits are recorded when paid.

Investment Options

The Plan provides for participant-directed investments. Plan participants direct the investment of contributions by choosing from numerous investment funds. The Plan's investment funds are held and managed by the Plan's Trustee. Participants may change their investment allocation daily.

2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, based on quoted market prices, with the exception of the stable value fund, which is stated at contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year, are presented in the net appreciation in fair value of investments.

Accounting Estimates

The Plan administrator uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the changes therein, and the disclosure of contingent assets and liabilities. The most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The Plan's accounting for fair value measurements of assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring or nonrecurring basis adheres to the Financial Accounting Standards Board (FASB) fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the Plan at the measurement date.
- Level 2 Inputs: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Inputs: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

2. Summary of Significant Accounting Policies (Continued)

Fully Benefit-Responsive Investment Contracts

In accordance with generally accepted accounting principles, investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through stable value funds that are fully benefit responsive investment contracts.

Plan Administrative Expenses

Plan administrative expenses, including expenses related to participant distributions and other participant requested transactions, are paid by the Plan and are deducted from the participant's account balance. Annual audit fees and other expenses are typically paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events for recording or disclosure in the financial statements through September 16, 2022, the date which the financial statements were available to be issued.

3. Risks and Uncertainties

The Plan invests in various investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will continue to occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

4. Tax Status

The Plan adopted the Merrill Lynch Prototype Plan, which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Due to the tax exempt status of the Plan, the Plan does not have any significant tax uncertainties that would require recognition or disclosure. The Plan is no longer subject to income tax examinations for the years before 2018.

Totals	\$ 15,679,957	\$ 15,679,957	\$ -	\$ -

6. Party-In-Interest Transactions

The Plan and participants pay fees for administrative expenses and select transactions. These fees are paid to the Trustee and amounted to approximately \$73,000 for the year ended December 31, 2021.

7. Plan Termination

Although the Plan has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will remain 100% vested in their accounts.

8. Certification of Investment Information

The Plan Administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR Section 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed its independent auditors not to perform, and they did not perform, any auditing procedures with respect to the following information certified by the Trustee, except for comparing the information with the related information included in the financial statements and supplemental schedules. The information certified includes total cash and investments of approximately \$20,509,000 and \$17,820,000 at December 31, 2021 and 2020, respectively, net investment appreciation of approximately \$1,145,000 for 2021, and total interest and dividends of approximately \$1,283,000 for 2021.
