Independent Auditor's Report

Audit Committee
Advanced Instruments, LLC Saving and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Advanced Instruments, LLC Saving and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The schedule of assets (held at end of year) as of December 31, 2021, and the schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Advanced Instruments, LLC Saving and Profit Sharing Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of Advanced Instruments, LLC Saving and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all full-time employees (except for employees who are residents of Puerto Rico, leased employees, or nonresident aliens with no income from a U.S. source) of Advanced Instruments, LLC (the Sponsor, Employer, or Company). An employee must complete one month of service to participate in employee deferrals and the Company's matching or qualified nonelective contributions. A part-time, temporary, or seasonal employee may participate in the Plan after reaching age 21 and completing at least 1,000 hours of service during the plan year. The Sponsor's 401(k) Committee (the Committee) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. Fidelity Management Trust Company (Fidelity) serves as trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closure of certain types of public places and businesses. The coronavirus and actions taken to mitigate the spread of it have had, and are expected to continue to have, an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Plan operates. It is unknown how long the conditions associated with the coronavirus will last and what the complete financial effect will be to the Plan's individual investments in response to the changing market conditions.

CARES Act: Effective March 27, 2020, the Plan implemented certain Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions for temporary relief from various distribution and loan requirements for participants. This adoption was effective through December 31, 2020, and all such requirements were reinstated beginning January 1, 2021.

Contributions: Each year, participants may elect to make contributions to the Plan by means of a salary deferral agreement, subject to maximum dollar limitations established by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catchup contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Plan Sponsor may make discretionary matching and/or profit sharing contributions to the Plan. Participants are not required to be employed by the Plan Sponsor on the last day of the plan year to be eligible to receive a discretionary matching contribution, which is calculated at the sole discretion of the Plan Sponsor on an annual basis, as applicable. The Sponsor's matching contribution percentage was 40% of eligible compensation during both 2020 and 2019. Contributions are subject to certain IRS limitations. Participants must be employed by the Plan Sponsor on the last day of the plan year to be eligible to receive a profit-sharing contribution, which is determined by a formula as defined in the Plan agreement. The Plan Sponsor did not make a profit-sharing contribution to the Plan during the year ended December 31, 2021.

The Plan allows participants to designate certain salary deferral contributions as Roth elective contributions. Designated Roth contributions will be currently included in the gross taxable income of the participant, but distributions of designated Roth contributions and earnings thereon, will be excludable from gross taxable income for that participant.

Note 1. Description of Plan (Continued)

Plan amendment: Effective July 2020, the Plan added an addendum to the volume submitter defined contribution plan to incorporate the following: The Disaster Tax Relief and Airport and Airway Extension Act of 2017 (Disaster Relief Act), The Tax Cuts and Jobs Act of 2017 (TCJA), The Bipartisan Budget Act of 2018 (BBA), and Code Sections 401(k) and 401(m) 2019 Final Hardship Regulations.

Investment options: Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options daily.

Participant accounts: Each participant's account is credited with the participant's contributions and the Sponsor's matching contribution, as well as allocations of any profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested in the Sponsor's contributions plus actual earnings thereon based on years of service. Participants become 100% vested after one year of service. Participants must work at least 1,000 hours during each plan year and be employed as of the last day of the plan year to be eligible to receive any nonelective contributions that may be made for that plan year. Participants will become 100% vested if any of the following conditions apply: attaining normal retirement age, plan termination, death or disability.

Payment of benefits: The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant reaches age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed.

Forfeitures: Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. Forfeited nonvested accounts totaled \$2,814 and \$9,702 at December 31, 2021 and 2020, respectively. During 2020, no forfeitures were used to pay administrative expenses or reduce employer contributions. Accumulated forfeitures will be applied to pay expenses or reduce the employer contributions in 2021.

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in a participant's account during the prior 12-month period. Up to 50% of a participant's vested account balance may be used as collateral for any loan. A participant may have a maximum of one outstanding loan at a time. All loans shall bear a reasonable rate of interest as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate shall remain fixed throughout the duration of the loan. These rates range from 4.25% to 6.50% on loans outstanding at December 31, 2021, and mature through 2025. All loans must be repaid in level payments on at least a quarterly basis over a five-year period unless it is for the purchase of a principal residence. The Plan Administrator shall consider a loan in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of default or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits: Benefits are recorded when paid.

Expenses: Administrative fees and expenses are charged to plan participants and include investment fees (sales charges, loads, commissions, 12b-1 fees, or management fees), plan administration fees (day-to-day expenses for recordkeeping, accounting, legal and trustee services, daily valuation, telephone response systems, internet access to plan information, retirement planning tools, and educational materials), and transaction-based fees (optional plan features, such as a Plan loan). Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Plan participants pay the recordkeeping/administrative fees through fund revenue sharing. The Plan has a Revenue Credit Program with Fidelity whereby any excess revenue generated by the underlying funds is credited back to the Plan. Therefore, if the excess revenue is greater than the recordkeeping/administrative fees for the Plan year, the Plan will receive a credit and therefore pay no fees to the trustee for the Plan year.

Subsequent events: The Plan has evaluated subsequent events through April 24, 2023, the date the financial statements were available to be issued.

Note 3. Information Certified by Fidelity Management Trust Company (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedules, that were prepared by or derived from information provided by Fidelity Management Trust Company and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity Management Trust Company, the trustee, that the information provided to the Plan Administrator by the agent on behalf of the trustee related to the following assets and activity is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and supplemental schedules related to the following assets:

	2021	2020
Investments at fair value:		
Registered investment companies (mutual funds)	\$ 27,142,273	\$ 24,273,924
Common collective trust stable value fund	1,781,242	1,971,315
	<u>\$ 28,923,515</u>	<u>\$ 26,245,239</u>
Notes receivable from participants	<u>\$ 170,304</u>	<u>\$ 142,806</u>

Fidelity Management Trust Company has also certified to the completeness and accuracy of \$1,899,681 of net appreciation in fair value of investments and \$1,578,415 of interest and dividend income related to the aforementioned plan assets for the year ended December 31, 2021.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Advanced Instruments, LLC Saving and Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust stable value fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments:				
Registered investment companies	\$ 27,142,273	\$ -	\$ -	\$ 27,142,273
Investments measured at NAV (a)				1,781,242
Total investments, at fair value				\$ 28,923,515
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments:				
Registered investment companies	\$ 24,273,924	\$ -	\$ -	\$ 24,273,924
Investments measured at NAV (a)				1,971,315
Total investments, at fair value				\$ 26,245,239

- (a) In accordance with Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Advanced Instruments, LLC Saving and Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) practical expedient as of December 31, 2021 and 2020:

Investment	Fair Value Estimated Using NAV Per Share				
	December 31, 2021				
	2021	2020	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common/collective trust fund:					
Morley Stable Value Fund	\$ 1,781,242	\$ 1,971,315	\$ -	Daily	12 months

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

Note 5. Related-Party and Parties-in-Interest Transactions

Fidelity is the trustee/recordkeeper of the Plan and Morgan Stanley is the Investment Advisor; therefore, transactions with these companies qualify as parties-in-interest transactions. The Plan paid \$41,138 to Morgan Stanley and received a \$55,660 credit from Fidelity during the year ended December 31, 2021 (see discussion of Fidelity's Revenue Credit Program in Note 2). The Plan Sponsor also paid certain administrative expenses of the Plan.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7. Tax Status

Effective January 1, 1997, the Plan adopted a volume submitter plan sponsored by Wells Fargo Bank NA. The volume submitter plan provider received an advisory letter from the Internal Revenue Service dated March 31, 2014, as to the volume submitter plan's qualified status. During 2019, the Plan changed trustees from Wells Fargo Bank NA to Fidelity Management Trust Company. FMR LLC (Fidelity Management and Research), the current volume submitter plan provider, received an advisory letter dated June 30, 2020, as to the volume submitter plan's qualified status. The volume submitter advisory letters have been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500:

	Year Ended December 31, 2021
Net increase in net assets available for benefits per the financial statements	\$ 2,705,774
Differences in:	
Other income	14,522
Administrative expenses	(14,522)
Net income per Form 5500	<u>\$ 2,705,774</u>

Note 9. Prohibited Transactions

During 2021, there were no delinquent deposits of participant deferrals. The sponsor reimbursed the Plan for lost interest for the amount of \$169. During 2020, the Sponsor inadvertently failed to deposit \$81,757, of participant deferrals within the required timeframe as stated by the DOL regulations. The Sponsor reimbursed the Plan for lost interest in the amount of \$100. The Sponsor intends to file Form 5330 and intends to pay the applicable excise tax in 2021. The excise tax payments will be made from the Sponsor's assets and not from assets of the Plan.
