## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees  
United Forming, Inc. 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of United Forming, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit.] The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate on the 2021 financial statements.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with the modified cash basis of accounting, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**For the 2021 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter – Auditors’ Report on the 2020 Financial Statement**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan, and T. Rowe Price Trust Company, the custodian of the stable value fund of the Plan. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were prepared in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

## **1. DESCRIPTION OF PLAN**

The following description of the United Forming, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the official Plan document for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined contribution plan covering all eligible employees of United Forming, Inc. (the Sponsor), with the exception of union employees and leased employees, who have completed one year of service, as defined in the Plan, and attained the age of 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and Section 401(k) of the Internal Revenue Code (IRC) of 1986, as amended. The audit committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investments.

### **Contributions**

Participants may make pre-tax and Roth contributions up to 75% of their compensation, as defined by the Plan, subject to certain limitations under the IRC. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor may contribute a discretionary profit sharing contribution or a discretionary matching contribution each year. There is no limit on the amount of the profit sharing contribution. The Sponsor discretionary matching contribution limit is 6% of total eligible compensation. The Sponsor did not make a discretionary profit sharing contribution or a discretionary matching contribution for 2021. The Sponsor made a safe harbor matching contribution of 100% of the participant's election deferrals that did not exceed 4% of the participant's compensation for 2021.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions and Sponsor's profit sharing and matching contributions, as well as allocations of the Plan's earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are vested immediately in their voluntary and Sponsor's safe harbor matching contributions and the earnings thereon. Vesting in the Sponsor's discretionary contributions portion of their accounts is based on years of continuous service. Sponsor's discretionary profit sharing and discretionary matching contributions are vested over a graded scale over a six year period of continuous credited service at which time they become 100% vested.

**1. DESCRIPTION OF PLAN – CONTINUED**

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's accounts. The loan interest rate is established by the Plan administrator in a nondiscriminatory manner. Principal and interest are paid ratably through payroll deductions over periods ranging up to 60 months. Participants are eligible to have a maximum of two outstanding loans at one time.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant will receive either a lump sum or partial withdrawal or installment in an amount equal to the value of the participant's vested interest in his or her account, as soon as administratively feasible, unless allowed to defer the distribution as provided within the guidelines of the Plan. If a participant's vested account balance does not exceed \$5,000, then the vested account balance may only be distributed in a single lump-sum payment. If a participant's vested account balance exceeds \$5,000, then the vested account balance may be distributed in a single lump-sum payment or in partial withdrawals or installments with respect to minimum required distributions over a period of no less than the participant's life expectancy. The Plan allows for in-service distributions on attainment of age 59<sup>1/2</sup>. The Plan also allows for hardship distributions.

**Plan Administration**

The Plan is administered by the Sponsor which, as Plan administrator, has substantial control of and discretion over the administration of the Plan. Reliance Trust Company is the trustee of the plan and T. Rowe Price Trust Company is the custodian of the stable value fund and record keeper for the Plan.

**Forfeitures**

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$14,265 and \$14,264, respectively. These accounts may be used to pay Plan administrative expenses or to reduce Sponsor contributions. There were no forfeitures used during 2021.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Under the cash basis of accounting, transactions are recorded when cash is received or paid. However, for these financial statements, the cash method is modified to report investments at fair value, as required by the Department of Labor (DOL).

DECEMBER 31, 2021 AND 2020**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Use of Estimates**

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded as incurred. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 **and 2020**. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

**Subsequent Events**

Management has evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued and has determined that there are no subsequent events that require disclosure under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 855, *Subsequent Events*.

### **3. INFORMATION CERTIFIED BY CERTIFYING ENTITIES**

Certain information related to investments from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments held as of December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee and custodian of the Plan.

### **4. FAIR VALUE MEASUREMENT**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Interest bearing cash:* Valued based on cost, which approximates fair value.

**4. FAIR VALUE MEASUREMENT—CONTINUED**

*Common collective trust:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

<sup>(1)</sup>In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

<sup>(2)</sup>In accordance with the adoption of Accounting Standards Update (ASU) 2015-12 as disclosed in Note 2, if an investment is measured using the NAV per share (or its equivalent) as the practical expedient in ASC 820, Fair Value Measurements, and that investment is in a fund that files a Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy will no longer be required.

**5. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by the recordkeeper and custodian of the stable value fund of the Plan and therefore, these transactions qualify as party-in-interest transactions. The Plan paid administrative fees of \$1,860 to the custodian during the year ended December 31, 2021, which are shown as a component of deductions on the statement of changes in net assets available for benefits.

**6. PLAN TERMINATION**

Although the Sponsor expects to continue the Plan indefinitely, the Sponsor has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**7. TAX STATUS**

The Plan operates under a defined contribution volume submitter plan document sponsored by DST Retirement Solutions, LLC. The underlying volume submitter plan has received an advisory letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the volume submitter plan is qualified under Section 401(a) of the IRC, and; therefore, the related trust is tax-exempt. Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC; and; therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management believes there are no uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. RISKS AND UNCERTIANTIES**

The Plan's investments include mutual funds and a common collective trust fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
