We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter – Operational Error

As discussed in Note 5 to the financial statements, subsequent to period end, Plan management discovered an operational error related to the implementation of its automatic enrollment provision where eligible participants were not automatically enrolled in the Plan. The Plan is planning to correct this error through the Internal Revenue Service's Voluntary Correction Program and the Department of Labor's Voluntary Fiduciary Correction Program. Our opinion is not modified with respect to this matter.

PUTTSHACK USA INC. 401(K) PLAN

DECEMBER 31, 2021

1. DESCRIPTION OF PLAN

The following description of the Puttshack USA Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established effective March 1, 2021. The Plan is a defined contribution plan covering substantially all full-time employees of Puttshack USA Inc. and Puttshack Payroll Services Inc., excluding nonresident aliens with no U.S. income. All employees are eligible to participate in the Plan who have attained 21 years of age and 60 days of service. Employees can enter the Plan on the first day of each month of the Plan year coincident with or subsequent to satisfying the eligibility requirements. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (“ERISA”).

Contributions

The Plan allows for both pre-tax and roth salary deferrals. Participants who have attained age of 50 before the end of the Plan year are eligible to make catch-up contributions. Pre-tax rollover contributions are subject to the terms of the Plan and are fully vested and non-forfeitable. Participants direct the investment of their contributions into various investment options offered by the Plan. If no investment election is made by participant, contributions are automatically invested in the Plan’s Qualified Default Investment Alternative (“QDIA”). The Plan has elected the Principal LifeTime Hybrid CIT series funds as its QDIA.

The Plan has an automatic enrollment provision where participants are automatically enrolled with a 3% deferral percentage, unless the participant opts out of the plan. Additionally, the Plan has implemented an automatic increase program, under which, the deferral percentage will increase by 1% per year each up to a maximum of 6% of compensation.

The Company may elect to make Qualified Automatic Contribution Arrangement (“QACA”)/safe harbor contribution to the Plan equal to 100% of elective deferral contributions that are not over 1% of compensation plus 50% of elective deferral contributions which are over 1% but are not over 6% of compensation. As discussed in Note 5, the Plan had an operational error and did not properly automatically enroll participants into the Plan. In connection with correcting the operational error, during the period from March 1, 2021 (inception) to December 31, 2021, the Company made a \$113,058 safe harbor contribution to the Plan and the Company made a \$42,497 QNEC contribution to the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with pre-tax and roth salary deferrals, as well as an allocation of the Company's QACA contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's QACA contribution portions of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions. There were no loans outstanding during the period from March 1, 2021 (inception) to December 31, 2021.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum equal to the value of the participant's vested interest in his or her account or a life annuity over a period not to exceed the joint life expectancy of the participant. Participants are entitled to receive an in-service withdrawal upon attainment of age 59½ or as a hardship distribution, as defined in the Plan document.

Forfeited Accounts

At December 31, 2021, there were no forfeited nonvested accounts. These accounts are used to reduce employer contributions and Plan expenses. For the year ended December 31, 2021, no forfeited accounts were allocated.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There were no investments during the period from March 1, 2021 (inception) to December 31, 2021.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

4. TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan with CODA and is relying on an opinion letter received from Principal Life Insurance Company dated March 31, 2014 stating that the Internal Revenue Service ("IRS") has determined that the prototype plan adopted by the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

5. OPERATIONAL ERROR

Subsequent to period end, Plan management discovered an operational error related to the implementation of its automatic enrollment provision where eligible participants were not automatically enrolled in the Plan. The Plan is planning to correct this error through the Internal Revenue Service's (IRS) Voluntary Correction Program and the Department of Labor's (DOL) Voluntary Fiduciary Correction Program. In the opinion of Plan management and the Plan's legal counsel, these corrections would be accepted by the IRS and DOL upon examination. If the correction method taken by management is not accepted by the IRS and/or DOL upon examination, there could be a material impact to the Plan's qualified tax status and/or monetary penalties.

6. RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS

Principal Life Insurance Company is the insurance company of the Plan, and certain transactions qualify as exempt party in interest transactions.

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 21, 2023, the date the financial statements were available to be issued.

Effective May 1, 2022, the Plan document was restated.
