INDEPENDENT AUDITOR'S REPORT

To The Trustees of
the Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

KRAFT & KENNEDY, INC. 401(k) PROFIT SHARING PLAN
E.I.N. 80-0610191 PLAN #001
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

Kraft & Kennedy, Inc. ("the Company") is the sponsor of the Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan. The following description of the Kraft & Kennedy, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan, which is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), is a defined contribution profit sharing plan covering all employees of the Company. Each employee shall become eligible for discretionary or elective contributions commencing on the first day of the calendar month following the completion of 3 months of service. The Trustees of the Plan are responsible for oversight of the Plan.

Contributions - Participants may contribute, to the Plan, up to 70% of eligible earnings but not more than the annual limit set forth in the Internal Revenue Code (as adjusted for inflation). Under the Plan, participants are able to make two types of elective deferrals: pre-tax elective deferrals or Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In addition, participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they make an affirmative election not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a stable value fund. The initial automatic deferral rate will increase by 1% each year, at the beginning of the plan year, to a maximum of 6% of eligible compensation. Profit sharing and or employer matching contributions may be made at the discretion of the Company and are invested into the various investment options offered by the Plan and directed by the participant. The Company made an employer matching contribution of \$262,749, net of available forfeitures, for the year ended December 31, 2021. Contributions are subject to certain IRS limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contribution, if any, and (b) Plan earnings and/or (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service as follows:

Years of Service	Percentage
1	0%
2	25%
3	50%
4	75%
5	100%

Notes Receivable from Participants - Participants may borrow, from their account balances, a minimum of \$1,000 up to a maximum equal to the lesser of (i) fifty thousand dollars (\$50,000), or (ii) one half of the participant's vested account balance. The notes are secured by the participant's account balance and bear interest at the prime rate plus one percentage point. Principal and interest is paid ratably through semi-monthly payroll deductions.

KRAFT & KENNEDY, INC. 401(k) PROFIT SHARING PLAN
E.I.N. 80-0610191 PLAN #001
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN-(Continued)

Payment of Benefits – On termination of service, a participant may elect to receive the value of the vested interest in his or her account distributed in a single lump sum payment or a series of substantially equal installments.

Forfeitures – At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$9,743 and \$5,472, respectively. Forfeitures will be used to reduce future employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments held by the Plan are required to be reported at fair value (except for the fully-benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for that portion of the net assets available for benefits of the Plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes dividend income as well as the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Certain expenses of maintaining the Plan may be paid by the Company. Those expenses are excluded from these financial statements.

Corrective Contributions – For the year ended December 31, 2021, the Plan failed the required ADP test. The Company elected to make a Qualified Non-Elective Contribution of \$858 required to cure the failure. Such amount is included in employer contribution receivable on the accompanying statement of net assets available for benefits and employer contributions on the accompanying statement of changes in net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021, and 2020, respectively.

Pooled Separate Accounts ("PSA") are valued daily based on the market value of the underlying assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or Level 2 quoted pricing inputs which are used to determine the unit values of the PSA, which are not publicly traded. These PSAs are classified as Level 2 in the fair value hierarchy. There are no unfunded commitments related to the Plan's investment in PSAs and the redemption frequency is daily.

The following tables set forth, by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - INVESTMENTS

During 2021, the Plan's investments (including earnings and net gains on investments bought and sold, as well as held during the year), resulted in net appreciation of \$1,811,750.

NOTE 5 - STABLE VALUE FUND

The Plan offers an investment option in the Transamerica Stable Value Account, which is a fully benefit-responsive investment option. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits that is attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the contract. Contract value, as reported by Transamerica, is the beginning balance plus any deposits and credited interest, less any withdrawals, charges or expenses, a measurement that approximates fair value. Transamerica maintains the contributions in a general account. While Transamerica declares rates periodically and backs principal and interest of this investment option, any guarantees are subject to the claims paying ability of the insurance company. This investment choice is not guaranteed by the FDIC or any other government agency. The investment choices seek to protect against any loss of principal while providing returns in excess of money market funds and one year U.S. Treasury bills. The effective guaranteed interest rate is set semi-annually and shall not change for the six month period for which it is effective. For the years ended December 31, 2021 and 2020, the average yield and rate credited to participants was 1.45% and 1.55%, respectively. In the event of a full or partial contract discontinuance, Transamerica may impose a hold period at the contract level. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that would also limit the ability of the Plan to transact at contract value with participants.

NOTE 6 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Financial Life Insurance Company, the custodian of the Plan's assets.

NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Plan investments are in pooled separate accounts maintained by Transamerica Financial Life Insurance Company Inc. Plan recordkeeping services are provided by Transamerica Retirement Services. These transactions qualify as party in interest transactions. Transamerica rebates certain amounts to the Plan based on a fee concession. The rebate is calculated monthly and credited to the Expense Budget Account, a suspense account used by Transamerica that is established to pay Plan expenses or allocated to the accounts of Plan participants. The Expense Budget account was \$2,292 and \$2,641 as of December 31, 2021 and 2020, respectively, and is included in other assets in the accompanying statement of net assets available for benefits. Certain administrative expenses of the Plan are paid by the Company and are not included in the accompanying financial statements.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions to the Plan at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

KRAFT & KENNEDY, INC. 401(k) PROFIT SHARING PLAN
E.I.N. 80-0610191 PLAN #001
NOTES TO FINANCIAL STATEMENTS

NOTE 9 - TAX STATUS

The IRS has ruled on March 31, 2014 that the Plan qualifies under Section 401 of the Internal Revenue Code under the volume submitter program and the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC), and therefore, are not subject to tax under present income tax law. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES" Act) was signed into law. The CARES Act contains several provisions that temporarily impact 401(k) plans, such as waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a loan payment pause option. The provisions of the CARES were effective upon signing. Plan management has adopted certain relief provisions included in the CARES Act. The plan will be amended within the time frame specified in the Act.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization designated COVID-19 a pandemic. COVID-19 had a significant effect on overall economic conditions in nearly all regions around the world. The COVID-19 pandemic has caused volatility in financial markets and may continue to affect the market price of Plan assets. Due to the uncertainty of the duration and continued effects of this pandemic, the near and long-term financial effects cannot be reasonably estimated at this time.

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.
