Independent Auditor's Report

To the Administrative Committee of the
Qualitest Group 401(k) Plan
Bridgewater, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Qualitest Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Qualitest Group 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Qualitest Group 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1 – Description of Plan

The following description of the Qualitest Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. The Plan was amended and restated effective July 1, 2018 whereby the Plan name changed to the Qualitest Group 401(k) Plan (formerly the Ibase Consulting 401(k) Plan).

General: Effective August 6, 2021, Ibase Operations Corp. is the Plan Sponsor. Previously, Electronic Nation, LLC was the Plan Sponsor. The Plan Sponsor is a member of a controlled group which includes Ibase Consulting of Dallas, LLC, Ibase of Fairfield County, LLC, Orasi Software Testing and Olenick & Associates, Inc. (the “Controlled Group” or the “Company”). The Plan is a defined contribution plan covering all employees of the Company, but excluding employees covered by a collective bargaining agreement, nonresident aliens with no U.S. income sources, and independent contractors. Employees become eligible for participation on the first of the month following completion of 1 month of Service from their date of hire and the attainment of age 18 and the first day of any pay period thereafter. Effective July 1, 2018, the Plan was amended to credit service performed with Orasi Software, Inc. for purposes of eligibility and vesting. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions: Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing eligible rollover distributions from other qualified defined benefit, defined contribution, 403(b) and 457 Plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations. Effective August 6, 2021, the Company may, at its discretion, contribute Non-Safe Harbor Matching Contributions to the Plan. Subsequent to the year ended December 31, 2021, the Company contributed \$335,969 to the Plan relating to the 2021 Plan year.

Participant Accounts: Each participant’s account is credited with the participant’s contributions, Non-Safe Harbor Matching Contributions (if any), as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Qualitest Group 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1 – Description of Plan (continued)

Notes Receivable From Participants: Participants may borrow from their fund accounts a maximum equal to the lesser of: the greater of 50% of the aggregate amount standing to the credit of his/her account under the Plan or the total amount standing to the credit of the participant up to \$10,000; or \$50,000 minus the participant's largest outstanding loan balance under the Plan during the 12-month period ending the day before the loan is made. The loans are secured by the balance in the participant's account. Each loan shall bear a reasonable fixed rate of interest based on Prime Rate +1%. Principal and interest is paid ratably through monthly payroll deductions.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's Non-Safe Harbor Matching Contributions is based on continuous service, as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	0%
2 years or more	100%

Payment of Benefits: On termination of service a participant will receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In service distributions are permitted after attainment of age 59 ½ or upon financial hardship as a lump sum or partial distribution, or installments.

SECURE ACT and CARES Act: On December 20, 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act was passed, and most provisions in the law became effective on January 1, 2020. The SECURE Act implements key retirement legislation reform for plan sponsors and individuals. These provisions did not have a material impact on the financial obligations under the Plan.

In response to the COVID-19 global pandemic, on March 27, 2020 the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. Certain provisions of the CARES Act impact the operation of retirement plans during 2021 and 2020. These provisions did not have a material impact on the financial obligations under the Plan.

Note 2 – Summary of Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Qualitest Group 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 2 – Summary of Accounting Policies (continued)

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment adviser and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 – Investments and Information Certified by the Custodians

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Massachusetts Mutual Life Insurance Company and Great-West Trust Company, LLC, the custodians, as complete and accurate, except for comparing such information certified by the custodians with information included in the Plan's financial statements and supplemental schedules:

Investments held certified by the custodians:

	<i>As of December 31,</i>	
	<i>2021</i>	<i>2020</i>
Investments	\$ 12,701,143	\$ 3,815,785

Investment income certified by the custodians:

	<i>For the Year Ended December 31,</i>	
	<i>2021</i>	<i>2020</i>
Net appreciation in fair value of investments	\$ 695,761	\$ 474,554
Interest and dividends	5,993	-

The following presents select investments, with approximate percentage of the Plan's net assets, as of December 31, 2021 and 2020.

	<i>December 31,</i>			
	<i>2021</i>		<i>2020</i>	
State Street Target Retirement 2030 Fund	\$ 2,212,189	17%	\$ -	-

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Account with underlying mutual fund investments: Unit value calculated based on the observable net asset value (NAV) of the underlying investment.

Qualitest Group 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 4 - Fair Value Measurements (continued)

Common/Collective Trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. While Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<i>Assets at Fair Value as of December 31, 2021</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

Note 5 – Related-Party Transactions and Party-In-Interest Transactions

Management believes that fees paid during the year for administrative, recordkeeping, and managerial services rendered by Massachusetts Mutual Life Insurance Company and Great-West Trust Company, LLC, the custodians as defined by the Plan, Empower Retirement, the Plan's recordkeeper, and Mercer and Continental Benefits Group, Inc., the Plan's Third Party Administrators, were based on customary and reasonable rates for such services. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are also considered exempt party-in-interest transactions.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 7 – Tax Status

The Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing Money Purchase Plan with CODA plan document sponsored by Mercer Investments, LLC, which obtained an opinion letter on August 14, 2020, in which the IRS stated that the adopted Non-Standardized Pre-Approved Profit Sharing Money Purchase Plan with CODA plan document, as then designed, qualifies under Internal Revenue Code (“IRC”) Section 401. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include risks related to pandemics and international conflicts. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 13,397,170	\$ 3,851,183
Less: participant contributions receivable	-	(2,578)
Less: employer contributions receivable	(335,969)	-
Net assets available for benefits per the Form 5500	<u>\$ 13,061,201</u>	<u>\$ 3,848,605</u>
