The financial statements comprise the statement of net assets available for benefits as of July 31, 2022 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Riedell Shoes, Inc. 401(k) Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended July 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Continued)

- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Riedell Shoes, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Riedell Shoes, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Riedell Shoes, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Riedell Shoes, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) as of July 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying statement of net assets available for benefits of Riedell Shoes, Inc. 401(k) Plan as of July 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the financial statement.

For the July 31, 2021 statement of net assets available for benefits, Plan management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Plan's net assets available for benefits. Accordingly, this financial statement is not designed for those who are not informed about such matters.

Riedell Shoes, Inc. 401(k) Plan
NOTES TO THE FINANCIAL STATEMENTS

As of July 31, 2022 and 2021 and
For the Year Ended July 31, 2022

1. DESCRIPTION OF PLAN

The following description of the Riedell Shoes, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General - The Plan is a single-employer defined contribution 401(k) plan covering all eligible employees who have at least three months of service and are age eighteen or older. An eligible employee enters the Plan the first day of the month coinciding with or next month following the date the eligibility requirements are met. The Plan excludes employees covered by a collective bargaining agreement; employees whose employment will be for a specific term of less than 12 months; part-time, temporary, or seasonal employees; and non-resident aliens. Riedell Shoes, Inc. (the Employer) is the Plan Sponsor and Plan Administrator. Great-West Trust Company, LLC is the Trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA), as amended.

In March 2020, the Plan was amended and restated to implement various required provisions.

Investments held with Great-West Trust Company, LLC, are held in Mutual Funds and a Stable Value Fund.

Participant Accounts - Each participant's account is credited with the participant's contributions and employer matching contributions plus an allocation of (a) the employer's discretionary contributions, if any, and (b) Plan earnings and losses, net of expenses. Allocations are based on elective deferrals, account balances or compensation as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS

As of July 31, 2022 and 2021 and
For the Year Ended July 31, 2022

1. **DESCRIPTION OF PLAN (Continued)**

Contributions - Participants are allowed to make elective deferral contributions up to IRS limits and not to exceed 100% of pre-tax annual compensation, as defined in the Plan. These contributions can be made pre-tax (traditional 401(k)) or after-tax (Roth 401(k)). In addition, participants who have attained the age of 50 are allowed to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The employer makes matching contributions to the Plan equal to the sum of 100% of the participant's deferred contribution up to 2% of the participant's compensation, plus 50% of the participant's deferred contribution that exceeds 2% up to 5% of the participant's compensation. The Plan allows for additional matching and discretionary profit-sharing contributions in amounts determined at the sole discretion of the employer. No discretionary contributions were made in 2022 or 2021.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or a rollover to another qualified retirement account.

Forfeitures - Forfeitures are first used to pay any administrative expenses under the Plan. Any remaining forfeitures will be used to reduce future employer contributions payable under the Plan, at the discretion of the employer. At July 31, 2022 and 2021, forfeitures available to pay administrative expenses or reduce future employer contributions were \$16,326 and \$15,237, respectively. \$10,457 of forfeitures were used to pay administrative expenses in 2022. No employer contributions were paid out of forfeitures in 2022.

Vesting - The participant's elective deferral contributions and the earnings thereon are always 100% vested. For employer contributions made pursuant to the employer match and earnings thereon, and any employer discretionary contributions, a participant is 100% vested after five years of service except for employer contributions made prior to March 2, 2020 which are subject to a six year vesting schedule.

Investment Options - Participants are allowed to direct the investment of their contributions among the various investment options offered by the Plan. Employer contributions are allocated on the same basis as employee contributions.

NOTES TO THE FINANCIAL STATEMENTS

As of July 31, 2022 and 2021 and
For the Year Ended July 31, 2022

1. **DESCRIPTION OF PLAN (Continued)**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market conditions, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles may require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Employer pays certain administrative expenses on behalf of the Plan. Expenses that are paid from Plan assets are reflected in the statement of changes in net assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements was obtained from data that was prepared and certified to as complete and accurate by Great-West Trust Company, LLC, the custodian.

Investments:

Mutual funds	\$ 6,059,735
Stable value fund	3,274,366
Cash – forfeitures	16,326
Net investment loss	(829,009)

In addition, the custodian has certified all data used to derive the information included in the supplementary schedule of assets (held at end of year) as of July 31, 2022, to be complete and accurate.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means; and Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at July 31, 2022 and 2021.

As of July 31, 2022 and 2021 and

4. FAIR VALUE MEASUREMENTS (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: The fair value per unit of investments in the stable value fund is determined by the fund's trustee based on the fair value of the underlying securities within that fund divided by the number of units trading. Plan management believes using net asset value as a practical expedient to estimate fair value is appropriate for investments in the common/collective trust. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The Plan's investment in the stable value fund is not subject to any withdrawal or redemption restrictions. The Plan has no unfunded commitments relating to the stable value fund at July 31, 2022.

The following table sets forth by level within the fair value hierarchy the Plan's investments at fair value as of July 31, 2022:

	Fair Value Measurements at July 31, 2022:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$6,059,735	\$ -	\$ -	\$6,059,735
Stable value fund measured at net asset value per share				3,274,366
Investments at fair value				\$9,334,101

(Continued)

NOTES TO THE FINANCIAL STATEMENTS

As of July 31, 2022 and 2021 and

4. FAIR VALUE MEASUREMENTS (Continued)

The stable value fund investment that was measured at net asset value per share (or its equivalent) has not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INCOME TAX STATUS

The volume submitter plan document adopted by the Plan obtained its latest advisory letter on June 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator, after analysis, has concluded that as of July 31, 2022, there are no uncertain positions taken or expected.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions become 100% vested and all of the assets will be distributed to the participants based upon the vested balances in their respective accounts.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by Great-West Trust Company, LLC, the Plan Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Great-West by the Plan for consulting, audit, and recordkeeping services amounted to \$18,861 during 2022.

The Plan's Sponsor, Riedell Shoes, Inc., pays certain administrative expenses of the Plan.

8. CORONAVIRUS (COVID-19) PANDEMIC

A nationwide public health emergency began developing in 2020. Many states enacted measures to combat the global pandemic resulting from a novel strain of coronavirus known as COVID-19. Measures have included regulatory restrictions on individual and business activities as well as recommendations for further voluntary curtailment of activities. This matter had effects on Plan operations and investment performance, however the extent of the impact of COVID-19 on the Plan will depend on future developments, including the duration and spread of the outbreak and related regulatory orders, all of which are highly uncertain and cannot be predicted at this time.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 23, 2023, the date on which the financial statements were available for issue, and identified no further significant events or transactions to disclose.
