The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator of the
Keslow Camera, Inc. 401(k) Retirement Savings Plan

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary schedule H, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of the
Keslow Camera, Inc. 401(k) Retirement Savings Plan

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KESLOW CAMERA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Keslow Camera, Inc. 401(K) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan documents, including the Summary Plan Description, for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution 401(k) plan which covers all full-time employees of Keslow Camera, Inc. (the Company), who have attained age 18 and completed at least 3 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became effective on January 1, 2017 and was most recently amended effective January 1, 2020 to amend the available participant funds eligible for hardship withdrawals.

(b) CONTRIBUTIONS

A participating employee may elect to defer 100% of annual compensation, as defined in the Plan agreement, up to a maximum of \$19,500 in 2021. Participants who have attained the age of 50 by the Plan year end may also make catch-up contributions up to a maximum of \$6,500 for the year ended December 31, 2021. The Company will make a safe-harbor matching contribution of 100% of such deferral up to 4% of compensation.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's contribution and an allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeitures of terminated participants' non-vested accounts are used to reduce employer contributions for the Plan year. There were no forfeitures within the Plan during the year ended December 31, 2021.

(d) VESTING

Participants are immediately vested in their voluntary contributions and employer safe harbor matching contributions plus actual earnings thereon.

KESLOW CAMERA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance subject to a minimum loan amount of \$1,000 and a maximum loan amount of \$50,000. Notes receivable from participant's bear interest at the prime rate as determined in the Wall Street Journal on the day of the loan request, plus 1% (Prime rate was 3.25% at December 31, 2021). Loans are secured by the participant's vested interest in the Plan, and must be paid back within five years unless the note is for the purchase of a principal residence. At December 31, 2021, the interest rate on notes receivable from participants ranged from 4.25% to 6.50%. Principal and interest are paid through payroll deductions.

(f) PAYMENT OF BENEFITS

Upon termination of service, a participant may elect to receive all or any part of his or her vested balance paid at any time. In-service distributions of vested account balances are permissible under the Plan if the participant incurred a financial hardship. Benefits are recorded when paid. There were no benefit claims for participants who have elected to withdraw from the Plan but have not yet been paid as of December 31, 2021.

(g) ADMINISTRATIVE EXPENSES

The Company incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) MANAGEMENT'S USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan's management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

KESLOW CAMERA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Contract value is the price at which plan participants would transact in the contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5, respectively, for discussion of fair value measurements and contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

(f) SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2021, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through April 10, 2023, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred except for otherwise disclosed in these financial statements.

KESLOW CAMERA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (Great-West). The Plan's funds are credited with contributions and actual earnings on the underlying investments and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2021 are the values as reported to the Plan by Great-West.

The following was certified as to being complete and accurate by Great-West:

- Investment accounts and notes receivable from participants as shown in the statement of net assets available for benefits as of December 31, 2021.
- Net appreciation in fair value of investments, dividend income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Supplementary schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and statement of changes in net assets available for benefits and the supplementary schedule of assets (held at end of year).

Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted the fair value accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

In general, fair values determined by Level 1 inputs utilized quoted prices (unadjusted) in active markets for identical assets. Fair values determined by Level 2 inputs utilize data points that are observable such as quoted prices, interest rates and yield curves. Fair values determined by Level 3 inputs are unobservable data points for the asset and include situations where there is little, if any, market activity for the asset.

KESLOW CAMERA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2021 and 2020, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Fair Value Measurements Using		
	Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Total			
December 31, 2021:			
Mutual Funds	\$ 5,912,746	\$ 5,912,746	\$ -
TOTAL INVESTMENTS AT FAIR VALUE	\$ 5,912,746	\$ 5,912,746	\$ -
December 31, 2020:			
Mutual Funds	\$ 4,612,071	\$ 4,612,071	\$ -
TOTAL INVESTMENTS AT FAIR VALUE	\$ 4,612,071	\$ 4,612,071	\$ -

The following is a description of the valuation methodologies used for assets measured at fair value.

- **Mutual Funds:** Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully-benefit responsive guaranteed investment contract with Great-West during the years ended December 31, 2021 and 2020. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

KESLOW CAMERA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reset at least quarterly, although under certain circumstances such as a large deposit or withdrawal, they may be reset more frequently.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

KESLOW CAMERA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 7 - BENEFIT CLAIMS PAYABLE

During the year ended December 31, 2021, the Plan was required to return excess deferral contributions to certain participants to satisfy relevant non-discrimination provisions of the Plan. As of December 31, 2021 and 2020, excess deferral contributions due to certain participants amounted to \$3,311 and \$10,698, respectively. These excess deferral contributions were accrued as benefit claim payable at December 31, 2021 and 2020.

NOTE 8 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Great-West. Great West is a trustee as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, all assets shall become 100% vested and the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
