INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Kaeser Compressors, Inc.
401(k) Profit Sharing Plan
Fredericksburg, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Kaeser Compressors, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kaeser Compressors, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kaeser Compressors, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaeser Compressors, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kaeser Compressors, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaeser Compressors, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of required information to be filed with Form 5500 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Kaeser Compressors, Inc. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have attained age 18 except employees who are interns or co-op students, certain non-resident aliens and employees whose employment is governed by a collective bargaining agreement unless such agreement expressly provides for participation in this Plan. Employees who meet the eligibility requirements become plan participants on the first day of the Plan year following the date the eligibility requirements are satisfied. For the 401(k) portion of the Plan, a second entry date of July 1 is available. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2015, the Merrill Lynch Prototype Plan Document was restated to reflect periodic regulatory and legislative updates. Additional Plan amendments and modifications have been adopted through December 31, 2021. Effective January 1, 2022, the Plan was restated in accordance with the adoption of the Merrill Lynch Pierce Fenner & Smith, Inc. pre-approved plan.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020 and require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief and Economic Security Act (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

The Consolidated Appropriations Act of 2021 was signed into law on December 27, 2020 which includes a temporary rule that prevents partial plan terminations for qualified retirement plans in certain circumstances.

The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. All investment accounts held by the investment custodian of the Plan are self-directed by the Plan Participants.

Bank of America, N.A. is the trustee of the Plan and holds all of the Plan's assets.

Contributions

Each year the Company may make a profit-sharing contribution to this Plan. The amount of the contribution is discretionary and will be an amount (if any) determined annually by the Employer. Contributions made by the Company will be allocated to the accounts of each eligible employee in the relation which the annual compensation paid to each eligible employee bears to the total annual compensation paid to all eligible employees.

1. DESCRIPTION OF PLAN (Continued)

The 401(k) provisions allow Plan participants to defer a percentage of their compensation each year. The deferrals in any taxable year may not exceed the dollar limit which is set by law. The limit for 2021 and 2020 was \$19,500, and is increased by the cost-of-living factor prescribed by the Secretary of the Treasury. Plan participants who are age 50 or older may elect to defer additional amounts to the Plan. The maximum additional contribution for 2021 and 2020, was \$6,500.

The Company will contribute a discretionary matching contribution equal to a percentage of the amount of the salary reduction each eligible employee defers. The percentage will be determined each year by the employer and in applying the matching percentage. Effective March 1, 2019, salary reductions up to eight percent of compensation will be considered. The Plan does not recognize annual compensation exceeding \$290,000 and \$285,000 for 2021 and 2020, respectively.

The law imposes a maximum limit on the amount of contributions made to each participant's account. In 2021 and 2020, contributions cannot exceed the lesser of \$58,000 and \$57,000, respectively, plus catch-up or 100 percent of annual compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses, if not paid directly by the employer. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary reduction amount contributed to the Plan. Vesting in the Company's matching and discretionary contribution portion of their accounts is based on years of continuous service and a participant is 100 percent vested after six years of credited service.

Investment Options

The Administrator may establish rules for investment of participants' accounts. Upon the Administrator's approval, participants may direct their investment of their account balances in respect to employee pre-tax and Roth deferral, employer matching and the profit-sharing contribution.

Investment options include percentages or fixed amounts of employee earnings into the following investments:

Notes Receivable from Participants

Plan participants are allowed to borrow from their fund accounts with a minimum loan of \$1,000 up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. The loans are secured by participant account balances and bear interest at a rate of prime plus one percent. For the year ending December 31, 2021, the interest rate for new loans was 4.25 percent. Interest rates on outstanding loans range from 4.25 percent to 6.50 percent. The term of repayment may not be greater than five years. An allowance for credit losses was evaluated and determined by Management to be unnecessary. Uncollected loan balances from terminated employees are treated as deemed distributions.

The loan process is executed directly by the Plan participants through their online account access with loan approval provided by the Plan Administrator, Merrill Lynch. Participants make loan payments through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account as soon as administratively feasible. The Company has elected a mandatory force-out provision for terminating employees with a vested balance of \$5,000 or less to be forced out of the Plan. The participant may also elect to delay the distribution of their vested balance in accordance with Plan provisions; however, the required minimum distribution rules will be enforced when the participant reaches the age of 70½.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts of the 401(k) plan totaled \$96,829 and \$39,880, respectively. Forfeitures pertaining to the profit-sharing plan in 2021 and 2020 totaled \$107,935 and \$85,085, respectively. The forfeitures are used to reduce future employer contributions. As of December 31, 2021, and 2020, forfeitures available to be used to reduce future employer contributions totaled \$12,099 and \$18,910 respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except benefits paid to Plan participants are recorded on a cash basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Investment Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits payments to participants are recorded when paid.

Administrative Expenses

Expenses are recognized as incurred and as determined by contractual terms. Administrative expenses of the Plan are paid by the Plan, as provided in the Plan document. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Excess Contributions Refundable

Participant contributions in excess of amounts allowed by law are recognized as liabilities of the Plan with a corresponding reduction to contributions. The Plan distributes excess contributions to applicable participants when determined and in accordance with Plan requirements.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The financial information included in the Plan financial statements for investments, notes receivable, and investment income, has been derived from information certified as complete and accurate by the Trustee, Bank of America, N.A., pursuant to 29 CFR 2520.103-5 of the federal code and in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

4. INVESTMENTS

During 2021, the Plan's investments (including investments bought and sold, as well as held during the year) appreciated in value by \$1,465,727 of which unrealized appreciation (depreciation) totaled \$(2,793,347) and net realized gains on investment sales totaled \$4,259,074. The cost of investments held at December 31, 2021 totaled \$63,027,074 with a value of \$67,381,437. Participant loans are reported as a receivable and not included in investments. During 2020, the Plan's investments (including investments bought and sold, as well as held during the year) appreciated in value by \$4,485,011 of which unrealized appreciation totaled \$3,773,578 and net realized gains on investment sales totaled \$711,433. The cost of investments held at December 31, 2020 totaled \$55,074,875 with a value of \$62,222,713. Participant loans are reported as a receivable and not included in investments.

5. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

KAESER COMPRESSORS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Page 6

5. FAIR VALUE MEASUREMENTS (Continued)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: The Plan invests in a stable value collective trust valued at the NAV of the units of the collective trust. The NAV, as provided by the trustee, is used as a readily determinable fair value to estimate fair value.

There are no Plan assets requiring Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

8. TAX STATUS

The Company has adopted a prototype standardized plan pre-approved by the Internal Revenue Service ("IRS"). The IRS issued an opinion letter dated March 31, 2014, that the prototype standardized plan is acceptable with the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Company made a restatement of the Plan effective January 1, 2022 with the adoption of the Merrill Lynch Pierce Fenner & Smith, Inc. Non-Standardized Pre-Approved Plan. The Internal Revenue Service issued an opinion letter dated June 30, 2020 approving the Plan as acceptable for use by employers for the benefit of their employees under Internal Revenue Code (IRC) Section 401. In addition, an amendment to implement the hardship distribution provisions of The Bipartisan Budget Act of 2018 was executed on June 28, 2022 with a general effective date of January 1, 2020.

Plan management has evaluated tax positions taken by the Plan and does not believe it is exposed to uncertainty in income tax positions. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Plan investments are managed by the Trustee, Bank of America, N.A.; therefore, administrative fees paid to the Trustee according to the fee agreement qualify as party-in-interest transactions.

The Plan is charged indirect compensation by the Trustee at the investment level. These costs are part of the transaction fees associated with the Plan investments and are not separately reported as expenses in the financial statements.

Beginning in November 2017 according to the terms of the revised fee agreement with the Trustee, the Trustee will reimburse external consulting and audit fees incurred by the Plan. In addition, indirect compensation is reduced by calculated fees as described by the agreement, resulting in a credit to the Plan or a shortage to be paid by the Plan. If a credit to the Plan results under the agreement, the credit can be used to pay for external Plan administrative expenses. The credit can also be credited to Plan participants as additional Plan income and/or maintained for possible future deficits. The Plan received a credit of \$49,703 and \$74,006 in 2021 and 2020, respectively. The Plan had unused credits pending future use of \$27,312 and \$5,375 as of December 31, 2021 and 2020, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
