INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Andrew & Sons, LLC 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Andrew & Sons, LLC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with principles generally accepted in the United States of America (GAAP) as described in Note 2(a).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule 1, as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report, dated October 15, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ANDREW & SONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Andrew & Sons, LLC 401(k) Savings Plan (the "Plan") for employees of Andrew & Sons, LLC and related entities (collectively, the "Company") is provided for general information purposes only. Participants should refer to the plan agreement for a more comprehensive description of the Plan's provisions.

(a) General

The Plan is a profit-sharing plan with salary reduction features, and is commonly referred to as a 401(k) plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of the Company are eligible to participate in the Plan upon completion of 60 days of service, beginning the first day of the month coinciding with the date the eligibility requirements are satisfied. Employees are automatically enrolled in the Plan, upon completion of eligibility.

Effective December 1, 2015, the Company elected to start a new plan for all employees of Railex, LLC, a related entity. All participants employed by Railex, LLC were transferred to the Railex, LLC 401(k) Plan on December 1, 2015. Effective December 23, 2018, the Railex, LLC 401(k) Plan was renamed the Railex Wine Services, LLC 401(k) Plan. During 2021, participant balances of the Railex Wine Services, LLC 401(k) Plan, totaling \$109,300, were transferred into the Plan, due to transfers of employees from Railex Wine Services, LLC to the Company.

The Plan is in the process of being amended operationally to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act and the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

(b) Contributions

Participants may contribute up to 100% of their salary on a tax-deferred basis, but no more than the amount permitted by law. Effective January 1, 2016, the Company made contributions according to the safe harbor method. In addition, the Company can make discretionary matching contributions. For the year ended December 31, 2021, the Company made safe harbor matching contributions in the amount of \$585,840.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, known as rollovers.

The Company may make what is referred to as qualified nonelective employer contributions (employer contributions), which are designed to help the Plan satisfy certain nondiscrimination requirements. The nonelective contribution will be allocated (or divided among) participants eligible to share in the contribution for the plan year, based on a formula of participant compensation divided by the total compensation of all participants eligible to share in the nonelective contribution. No such contributions were made during 2021.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(c) Participant Accounts

An individual participant's account is comprised of the participant's elective deferred contributions, employer contributions, applicable fund earnings, investment fees and administrative expenses, and unrealized fair value adjustments. Unrealized fair value adjustments are based on quoted market prices as of the last business day of each year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately 100% vested in their voluntary contributions, safe harbor contributions, and rollover contributions, plus actual earnings thereon.

The vested percentage in a participant's account attributable to the employer nonelective contribution portion of his or her account is determined under the following schedule and is based on vesting years of service, as follows:

Vesting Schedule	
<u>Years of Service</u>	<u>Percentage</u>
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

A participant will always be 100% vested if he or she is employed on or after his or her normal retirement age, which is 62.

(e) Investment Options

The plan trustees determine and approve the investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various offered investment options. The custodian of the Plan is Principal Life Insurance Company and Principal Trust Company ("Principal"), which replaced Wells Fargo Bank, N.A. ("Wells Fargo") in May 2021. The custodian invests monies according to participant directions.

(f) Payment of Benefits

On termination of service due to death, disability, or retirement, a participant is eligible to receive a single lump-sum amount equal to the value of his or her vested account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan permits for hardship withdrawals of the participant's vested account balance. Permissible circumstances for hardship withdrawals include education expenses, purchase of a principal residence, medical expenses, and to prevent foreclosure of a principal residence.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(g) Notes Receivables from Participants

Participants may borrow from their vested fund accounts. Loans must be for a minimum of \$1,000 up to a maximum amount which is equal to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant is limited to having two loans outstanding at any time. The loans are secured by the balances in the participants' accounts and bear interest at the prime rate, plus 1%, at the beginning of the loan terms (rates on existing loans range from 4.25% to 6.50% for the years ended December 31, 2021 and 2020). Loans must be repaid by payroll deductions over a minimum period of one year, not to exceed five years, except when the loan is used for the purchase of a primary residence, in which case the repayment period cannot exceed 15 years.

(h) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(i) Forfeited Accounts

Forfeited amounts are used to reduce plan administrative expenses and to reduce employer contributions. During the year ended December 31, 2021, forfeitures in the amount of \$1,695 were used to reduce the administrative expenses. There were unapplied forfeiture credits in the amount of \$1,166 and \$1,479 at December 31, 2021 and 2020, respectively.

(j) Administrative Expenses

The Plan is administered by the Company. Administrative expenses are paid by the Plan and the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accounting and reporting policies of the Plan conform to accounting principles generally accepted in the United States of America ("GAAP"). The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

ANDREW & SONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Payment of Benefits and Other Costs

Benefits are recorded when paid. Administrative expenses are primarily comprised of record keeping fees. These expenses are paid directly by the Plan. Other expenses related to the Plan are paid directly by the Company.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of plan assets and liabilities and disclosure of contingencies, if any, at the date of the financial statements, and the reported amounts of additions to and reductions from net assets available for plan benefits during the reporting periods. Actual results could differ from those estimates.

(f) Contributions

Employee and employer safe harbor contributions are recorded in the period the participant's salary is earned. The Company's discretionary contributions, if any, are recorded as paid.

(g) Subsequent Events

The Plan has evaluated subsequent events after December 31, 2021 through October 13, 2022, the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodians, Wells Fargo and Principal, have certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Mutual funds	\$ 21,161,148	\$ 17,245,409
Common collective trusts	<u>4,755,451</u>	<u>4,672,502</u>
Total investments at fair value	<u>\$ 25,916,599</u>	<u>\$ 21,917,911</u>

(continued)

ANDREW & SONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN (Continued)

During the year ended December 31, 2021, the Plan's investments (including investments bought, sold, and held during the year) appreciated in fair value by \$2,973,301.

During the year ended December 31, 2021, the Plan received interest and dividend income of \$258,801.

Notes receivable from participants was certified for the year ended December 31, 2021 in the amount of \$409,796. During the year ended December 31, 2021, the Plan received interest in the amount of \$18,829 from these notes receivable from participants.

NOTE 4 - INCOME TAX STATUS

The Plan adopted a Wells Fargo volume submitter plan (VSP). The IRS has determined and informed Wells Fargo, by a letter dated March 31, 2014, that the VSP and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the determination letter was received. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently operating in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RELATED PARTY TRANSACTIONS

Personnel and facilities of the Company have provided services to the Plan at no charge.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Principal and Wells Fargo. As custodians of the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$159,894 for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure value. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 - Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determinant for fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Mutual funds - Valued at the closing price reported in the active market in which the individual security is traded.
- Common collective trusts - Collective investment trusts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize the Plan's investments as of December 31, 2021 and 2020, based on the inputs used to value them:

Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>21,161,148</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>21,161,148</u>
Total assets in fair value hierarchy	\$ <u>21,161,148</u>	\$ <u>-</u>	\$ <u>-</u>	21,161,148
Investments measured at net asset value				<u>4,755,451</u>
				\$ <u>25,916,599</u>
Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>17,245,409</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>17,245,409</u>
Total assets in fair value hierarchy	\$ <u>17,245,409</u>	\$ <u>-</u>	\$ <u>-</u>	17,245,409
Investments measured at net asset value				<u>4,672,502</u>
				\$ <u>21,917,911</u>

In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

The pricing methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7 - FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

Wells Fargo MFS Value CIT	\$ 786,924	N/A	Daily	One Day

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The extent of the impact of the coronavirus ("COVID-19") outbreak on the financial performance of the Plan and the Plan's investments will depend on future developments, including the duration and spread of the outbreak, and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, in addition to the underlying industries of the Plan's investments, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.
