----------------------------	--------------	---------------

f	Balance at the end of the current year (subtract line 7e(5) from line 7d)	7f	0
----------	--	-----------	----------

Part III Welfare Benefit Contract Information

If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

8 Benefit and contract type (check all applicable boxes)

- a** ☐ Health (other than dental or vision)
b ☐ Dental
c ☐ Vision
d ☐ Life insurance
e ☐ Temporary disability (accident and sickness)
f ☐ Long-term disability
g ☐ Supplemental unemployment
h ☐ Prescription drug
i ☐ Stop loss (large deductible)
j ☐ HMO contract
k ☐ PPO contract
l ☐ Indemnity contract
m ☐ Other (specify) ▶

9 Experience-rated contracts:

a Premiums: (1) Amount received	9a(1)		
(2) Increase (decrease) in amount due but unpaid	9a(2)		
(3) Increase (decrease) in unearned premium reserve	9a(3)		
(4) Earned ((1) + (2) - (3))		9a(4)	0
b Benefit charges (1) Claims paid	9b(1)		
(2) Increase (decrease) in claim reserves	9b(2)		
(3) Incurred claims (add (1) and (2))		9b(3)	0
(4) Claims charged		9b(4)	
c Remainder of premium: (1) Retention charges (on an accrual basis) --			
(A) Commissions	9c(1)(A)		
(B) Administrative service or other fees	9c(1)(B)		
(C) Other specific acquisition costs	9c(1)(C)		
(D) Other expenses	9c(1)(D)		
(E) Taxes	9c(1)(E)		
(F) Charges for risks or other contingencies	9c(1)(F)		
(G) Other retention charges	9c(1)(G)		
(H) Total retention		9c(1)(H)	0
(2) Dividends or retroactive rate refunds. (These amounts were ☐ paid in cash, or ☐ credited.)		9c(2)	0
d Status of policyholder reserves at end of year: (1) Amount held to provide benefits after retirement		9d(1)	
(2) Claim reserves		9d(2)	
(3) Other reserves		9d(3)	
e Dividends or retroactive rate refunds due. (Do not include amount entered in line 9c(2).)		9e	

10 Nonexperience-rated contracts:

a Total premiums or subscription charges paid to carrier	10a	
b If the carrier, service, or other organization incurred any specific costs in connection with the acquisition or retention of the contract or policy, other than reported in Part I, line 2 above, report amount. Specify nature of costs.	10b	

Part IV Provision of Information

11 Did the insurance company fail to provide any information necessary to complete Schedule A? ☐ Yes ☒ No

12 If the answer to line 11 is "Yes," specify the information not provided. ▶

SCHEDULE C (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Service Provider Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA). ▶ File as an attachment to Form 5500. INDEPENDENT AUDITORS' REPORT

To the 401(k) Plan Management
Sherwood Country Club 401(k) Plan
Thousand Oaks, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Sherwood Country Club 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors’ Report on 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520. 103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the certified information, were presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosures under ERISA.

accompanying notes to financial statements.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of Sherwood Country Club 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's adoption agreement and amendments for a more complete description of the Plan's provisions.

General: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was established effective November 26, 2007. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death, or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator: Sherwood Country Club (the Club) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. Through December 31, 2021, the Club delegated the responsibility of the operation and administration of the Plan to Nationwide Life Insurance Company (Nationwide). Effective January 1, 2022, the Plan changed administrators and delegates the operation and administration of the Plan to Fidelity Management Trust Company (Fidelity). Certain expenses of the Plan are paid by the Club and are excluded from these financial statements.

Eligibility: Any employee who has worked at least 1,000 hours during a one-year period from date of employment is eligible to participate in the Plan. The entry date for employee contributions is the first day of the month after such requirements are satisfied.

Contributions: Contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Under the Plan, participants may elect to contribute annually 75% of their annual compensation on a pretax basis up to a maximum of \$19,500 for 2021 and 2020. The maximum contribution is normally adjusted annually by an inflation index. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' directives. Eligible participants age 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution for each year is determined by the Internal Revenue Service and was \$6,500 for 2021 and 2020.

The Club is required to make safe harbor matching contributions. The safe harbor matching contributions are equal to 100% of the participating employee's salary deferral contribution, but not to exceed 4% of the employee's compensation. Safe harbor matching contributions were made to the Plan in the amount of \$124,688 and \$119,160 in 2021 and 2020, respectively.

Participant Accounts: Each participant's account is credited with the participant's contributions, employer's contributions, an allocation of the Plan earnings, and administrative expenses. Allocations are based on the ratio of the participant's balance to all participants' account balances. Each participant directs how contributions made to the Plan are to be invested among the investment options available under the Plan.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: The value of each participant's account is fully vested and non-forfeitable for participant contributions, rollover contributions and the interest and earnings on those dollars. Any employer contributions become vested at a rate of 50% after one year of service, 75% after two years of service, and 100% after three years of service.

Forfeitures: Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan or result from violation of the discrimination limit applicable to employer matching contributions. Forfeitures can be applied to reduce employer contributions or pay administrative expenses payable by the Plan. There were no forfeitures for the years ended December 31, 2021 and 2020.

Distributions to Participants: Distributions from the Plan are available upon any of the following situations: termination of employment at the Club, retirement, total disability, death, employee's reaching age 59-1/2 or qualified "financial hardship." Following termination of employment, if a participant's vested account balance does not exceed \$5,000, a distribution of the participant's vested account balance will be made as soon as administratively feasible following termination, regardless of participant consent. If the automatic distribution is greater than \$1,000, and the participant does not elect to receive or roll over the distribution, the distribution will be automatically rolled over into an IRA. All distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA) or the distribution qualifies for special tax treatment.

Notes Receivable from Participants: The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 100% of their vested account balance. Participants may only have one outstanding loan at a time. The loans are secured by the participants' vested balance. The term of the loan shall not exceed five years except in the case of a loan for purchasing the principal residence of the participant in which case the term will be arrived by mutual agreement between the loan administrator and the participant. The interest rate charged will be 2% above the prime rate and will be fixed for the duration of the loan. All existing loans have interest rates that range from 5.25% to 7.50%. Loans are considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable. There were no deemed distributions for the years ended December 31, 2021 and 2020.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value, see Note C). For more information on valuation methods and inputs, please refer to Note G - Fair Value Measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's investments were held in a trust administered by Nationwide through December 31, 2021. Effective January 1, 2022, the Plan's assets were held in a trust administered by Fidelity.

Contributions: Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from amounts paid. Discretionary matching contributions are recognized upon authorization as the underlying compensation is recognized. All participant and employer contributions are participant directed.

Payment of Benefits: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments and the Plan Administrator deems the notes receivable from participants to be in default, the notes receivable from participants' balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Subsequent Events: ASC 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statement of net assets available for benefits date. Except as disclosed in Notes A and B regarding the administrator change from Nationwide to Fidelity, the Plan had no significant subsequent events through April 26, 2023, which is the date the financial statements were available to be issued.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Nationwide offered a guaranteed investment contract into which the participants could elect to transfer all or part of their funds. The contract was a fully benefit-responsive investment contract and therefore contract value was the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported to the Plan by Nationwide, was the beginning balance plus any deposits and credited interest, less any withdrawals, charges or expenses, a measurement that approximates fair value. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE D - INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service on March 31, 2014, that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan is also exempt from state income taxes. The Plan has been amended since receiving the determination letter, however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2018.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Nationwide Life Insurance Company. Nationwide Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE F - PLAN TERMINATION

While the Club has not expressed any intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. In the event of termination, the employees' accounts will be paid in accordance with the provisions of the Plan as soon as practicable.

NOTE G - FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE G - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-bearing Cash: Valued at the daily closing price.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan had no assets at fair value as of December 31, 2021. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual funds	\$ 3,590,423	\$ -	\$ -	\$ 3,590,423
Interest-bearing cash	5,538			5,538
	<u>\$ 3,595,961</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,595,961</u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE H - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in investments at fair value, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate Nationwide Life Insurance Company (the trustee of the Plan).

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

To the 401(k) Plan Management
Sherwood Country Club 401(k) Plan
Thousand Oaks, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Sherwood Country Club 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors’ Report on 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520. 103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the certified information, were presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosures under ERISA.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of Sherwood Country Club 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's adoption agreement and amendments for a more complete description of the Plan's provisions.

General: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was established effective November 26, 2007. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death, or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator: Sherwood Country Club (the Club) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. Through December 31, 2021, the Club delegated the responsibility of the operation and administration of the Plan to Nationwide Life Insurance Company (Nationwide). Effective January 1, 2022, the Plan changed administrators and delegates the operation and administration of the Plan to Fidelity Management Trust Company (Fidelity). Certain expenses of the Plan are paid by the Club and are excluded from these financial statements.

Eligibility: Any employee who has worked at least 1,000 hours during a one-year period from date of employment is eligible to participate in the Plan. The entry date for employee contributions is the first day of the month after such requirements are satisfied.

Contributions: Contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Under the Plan, participants may elect to contribute annually 75% of their annual compensation on a pretax basis up to a maximum of \$19,500 for 2021 and 2020. The maximum contribution is normally adjusted annually by an inflation index. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' directives. Eligible participants age 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution for each year is determined by the Internal Revenue Service and was \$6,500 for 2021 and 2020.

The Club is required to make safe harbor matching contributions. The safe harbor matching contributions are equal to 100% of the participating employee's salary deferral contribution, but not to exceed 4% of the employee's compensation. Safe harbor matching contributions were made to the Plan in the amount of \$124,688 and \$119,160 in 2021 and 2020, respectively.

Participant Accounts: Each participant's account is credited with the participant's contributions, employer's contributions, an allocation of the Plan earnings, and administrative expenses. Allocations are based on the ratio of the participant's balance to all participants' account balances. Each participant directs how contributions made to the Plan are to be invested among the investment options available under the Plan.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: The value of each participant's account is fully vested and non-forfeitable for participant contributions, rollover contributions and the interest and earnings on those dollars. Any employer contributions become vested at a rate of 50% after one year of service, 75% after two years of service, and 100% after three years of service.

Forfeitures: Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan or result from violation of the discrimination limit applicable to employer matching contributions. Forfeitures can be applied to reduce employer contributions or pay administrative expenses payable by the Plan. There were no forfeitures for the years ended December 31, 2021 and 2020.

Distributions to Participants: Distributions from the Plan are available upon any of the following situations: termination of employment at the Club, retirement, total disability, death, employee's reaching age 59-1/2 or qualified "financial hardship." Following termination of employment, if a participant's vested account balance does not exceed \$5,000, a distribution of the participant's vested account balance will be made as soon as administratively feasible following termination, regardless of participant consent. If the automatic distribution is greater than \$1,000, and the participant does not elect to receive or roll over the distribution, the distribution will be automatically rolled over into an IRA. All distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA) or the distribution qualifies for special tax treatment.

Notes Receivable from Participants: The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 100% of their vested account balance. Participants may only have one outstanding loan at a time. The loans are secured by the participants' vested balance. The term of the loan shall not exceed five years except in the case of a loan for purchasing the principal residence of the participant in which case the term will be arrived by mutual agreement between the loan administrator and the participant. The interest rate charged will be 2% above the prime rate and will be fixed for the duration of the loan. All existing loans have interest rates that range from 5.25% to 7.50%. Loans are considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable. There were no deemed distributions for the years ended December 31, 2021 and 2020.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value, see Note C). For more information on valuation methods and inputs, please refer to Note G - Fair Value Measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's investments were held in a trust administered by Nationwide through December 31, 2021. Effective January 1, 2022, the Plan's assets were held in a trust administered by Fidelity.

Contributions: Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from amounts paid. Discretionary matching contributions are recognized upon authorization as the underlying compensation is recognized. All participant and employer contributions are participant directed.

Payment of Benefits: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments and the Plan Administrator deems the notes receivable from participants to be in default, the notes receivable from participants' balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Subsequent Events: ASC 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statement of net assets available for benefits date. Except as disclosed in Notes A and B regarding the administrator change from Nationwide to Fidelity, the Plan had no significant subsequent events through April 26, 2023, which is the date the financial statements were available to be issued.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Nationwide offered a guaranteed investment contract into which the participants could elect to transfer all or part of their funds. The contract was a fully benefit-responsive investment contract and therefore contract value was the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported to the Plan by Nationwide, was the beginning balance plus any deposits and credited interest, less any withdrawals, charges or expenses, a measurement that approximates fair value. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE D - INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service on March 31, 2014, that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan is also exempt from state income taxes. The Plan has been amended since receiving the determination letter, however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2018.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Nationwide Life Insurance Company. Nationwide Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE F - PLAN TERMINATION

While the Club has not expressed any intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. In the event of termination, the employees' accounts will be paid in accordance with the provisions of the Plan as soon as practicable.

NOTE G - FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE G - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-bearing Cash: Valued at the daily closing price.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan had no assets at fair value as of December 31, 2021. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual funds	\$ 3,590,423	\$ -	\$ -	\$ 3,590,423
Interest-bearing cash	5,538			5,538
	<u>\$ 3,595,961</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,595,961</u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE H - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in investments at fair value, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate Nationwide Life Insurance Company (the trustee of the Plan).

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
