Independent Auditor's Report

Plan Administrator

Tanimura & Antle, Inc. Profit Sharing 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Tanimura & Antle, Inc. Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Plan Description

The following description of the Tanimura & Antle, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering substantially all employees of Tanimura & Antle, Inc., and affiliated entities (the Company) who are age 18 or older. Participants who have completed one year of service (at least 1,000 hours of service), are eligible for the safe harbor contribution. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

Participating employers who are covered by the provisions of the Plan are:

- Tanimura & Antle Fresh Foods.

b. Contributions

Employees who participate can make voluntary contributions of up to 50% of their annual compensation (subject to Internal Revenue Code limitations). The Company matches an amount equal to 100% of the first 3% of the participant's compensation contributed, plus 50% of salary deferrals up to the next 2% of plan compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions; however, catch-up contributions are not eligible for the company match. The Company may also make discretionary profit-sharing contributions to all qualified employees as determined annually by the Board of Directors. As of December 31, 2021 and 2020, the Company owed the Plan \$107,237 and \$190,082 as matching employer contributions for the respective years.

c. Participant Accounts and Allocations

Each participant's account is credited with the participant's contributions and allocations of Plan earnings and an allocation of administrative expenses. Earnings on investments made by the Plan, including unrealized gains and losses applicable to fluctuations in the fair values of investments held, are allocated among the various participants in proportion to their respective account balances. Discretionary profit-sharing Company contributions are allocated to participant accounts based on each participant's eligible compensation.

d. Vesting

Participants are immediately vested in their voluntary contributions and in Company contributions plus actual earnings thereon. Participants fully vest in Company discretionary profit-sharing contributions after three years of credited service.

Notes to Financial Statements
December 31, 2021 and 2020

e. Payments of Benefits

Upon termination from service, participants will receive their benefits in one lump sum payment in cash. Benefits are determined on the basis of the vested portion of the participant's Company account plus the amount in the participant account. Vested account balances equal to \$1,000 or less are distributed in a lump sum payment as soon as practicable after the date of termination or death. If the vested account balance is greater than \$1,000 and less than \$5,000 and the participant has failed to elect a lump sum payment or rollover, the vested account balance is distributed into an Individual Retirement Account.

f. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. Effective January 1, 2018, the Plan document was amended to restrict the availability of loans upon the demonstration of a hardship event as defined in the Plan. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 8.25%, which are commensurate with the prime rate as published by the Wall Street Journal as of January 1 of the plan year in which the loan was issued. The term of the loan may not exceed five years unless it is for the purchase of a principal residence, which must be repaid within 30 years. The loans mature from 2018 to 2046. Principal and interest is paid ratably through payroll deductions.

g. Forfeited Accounts

Forfeited non-vested accounts at December 31, 2021 and 2020 totaled \$223,256 and \$190,299, respectively, and are recorded in an interest-bearing account. Forfeited amounts are applied to reduce administrative expenses of the Plan, if not paid by the Company, or are used to reduce future employer contributions. Forfeited amounts used to reduce employer contributions were \$ –0– as of December 31, 2021 and 2020, respectively.

2. Significant Accounting Policies

a. Method of Accounting

The Plan uses the accrual method of accounting, which is in conformity with accounting principles generally accepted in the United States of America.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

c. Reclassified Amounts

Certain prior year amounts have been reclassified to conform with the current year presentation.

d. Valuation of Investments and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Interest income is recognized as it is earned and dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments consists of the net change in unrealized appreciation (depreciation) during the year on investments held during the year.

e. Payment of Benefits

Payments are recorded when paid.

f. Administrative Expenses

Administrative expenses may be paid by the Plan unless paid by the Plan sponsor.

**Notes to Financial Statements
December 31, 2021 and 2020**

g. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

h. Subsequent Events

The Plan Administrator has evaluated subsequent events through September 20, 2022, the date the financial statements were available to be issued.

3. Certified Information

The Plan's mutual funds and common collective trusts are held by Reliance Trust Company, the Plan trustee. The Plan's guaranteed investments contract is held by Great-West Life & Annuity Insurance Company, the Plan trustee (effective January 4, 2021, Empower Retirement became the Plan recordkeeper and Great-West Life & Annuity Insurance Company became the trustee for the guaranteed investment contract following the completion of the acquisition of Massachusetts Mutual Life Insurance Company's retirement Plan's business). All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants at December 31, 2021 and 2020 and interest, dividends, and net appreciation of fair value of investments for the years then ended was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan trustees.

The following table is a summary of the Plan's asset information as certified by the Plan trustees at December 31:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Mutual funds	\$ 7,656,709	\$ 5,977,702
Common collective trust	89,128,919	77,179,994
Investments at contract value –		
Guaranteed investment contract	<u>11,712,515</u>	<u>10,815,208</u>
 Total investments	 108,498,143	 93,972,904
 Notes receivable from participants	 <u>619,225</u>	 <u>892,917</u>
 Total certified assets	 <u>\$ 109,117,368</u>	 <u>\$ 94,865,821</u>

The trustees also certified to the completeness and accuracy of \$11,355,318 and \$7,225,324 of net appreciation in fair value of investments and \$458,252 and \$1,586,188 of interest and dividends related to the aforementioned investments and notes receivable from participants for the years ended December 31, 2021 and 2020, respectively.

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.• If the asset or liability has a specified (contractual) term, the level 2 inputs must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs of the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

PROFIT SHARING 401(k) PLAN**

**Notes to Financial Statements
December 31, 2021 and 2020**

4. Fair Value Measurements (Continued)

Common/collective trust: Valued at the net asset value (NAV) per share/unit reported at the close of business every day. Shares/units in common/collective trusts can be redeemed daily on demand. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	<u>Assets at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 7,656,709</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 7,656,709</u>
Total assets in fair value hierarchy	7,656,709			7,656,709
Investments measured at net asset value (a)	<u>89,128,919</u>	<u>—</u>	<u>—</u>	<u>89,128,919</u>
Total investments at fair value	<u>\$96,785,628</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$96,785,628</u>

	<u>Assets at Fair Value as of December 31, 2020</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,977,702</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 5,977,702</u>
Total assets in fair value hierarchy	5,977,702			5,977,702
Investments measured at net asset value (a)	<u>77,179,994</u>	<u>—</u>	<u>—</u>	<u>77,179,994</u>
Total investments at fair value	<u>\$83,157,696</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$83,157,696</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

5. Investments Contract

In 2009, the Plan entered into a benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company, which effective January 4, 2021, is managed by Great West Investments. Great West Investments maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. In determining the Net Assets Available for Benefits, the Fund is included in the accompanying financial statement at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for the portion of net assets available for benefits attributable to the guaranteed investment contract.

6. Related-Party Transactions and Party-In-Interest Transactions

Plan investments are invested in funds held by Reliance Trust Company and Great-West Life & Annuity Insurance Company, the Plan trustees, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to the plan recordkeeper, (Empower Retirement became the Plan recordkeeper on January 4, 2021, following the completion of the acquisition of Massachusetts Mutual Life Insurance Company Retirement plan business. MassMutual was the Plan recordkeeper prior to January 4, 2021), and investment advisor, Raymond James Financial Services, Inc., also qualify as party-in-interest transactions. Total fees paid by the Plan to parties-in-interest for services amount to \$275,305 and \$238,321 for the years ended December 31, 2021 and 2020, respectively.

7. Plan Termination

While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time. In the event of termination, each participant automatically becomes vested to the extent of the balance in each participant's Company account.

8. Income Tax Status

The Plan has adopted a volume submitter plan sponsored by Massachusetts Mutual Life Insurance Company. The volume submitter plan provider has received an advisory letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

In accordance with guidance on accounting for uncertainty in income taxes (ASC 740-10), management evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risk and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
