Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditor's Report

Management and Board of Trustees  
Nortek Security & Control, LLC 401(k) Savings Plan  
Carlsbad, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Nortek Security & Control, LLC 401(k) Savings Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the period ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Nortek Security & Control, LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the period ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held, and certified to, by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nortek Security & Control, LLC 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nortek Security & Control, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management, and was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**In Our Opinion**

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held, and certified to, by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Deferral percentages are increased by 1% annually on January 1st, up to a maximum of 6%. Participants may also contribute amounts representing distributions from other qualified plans. An Employer discretionary contribution up to 6% of eligible elective contributions will be made to all nonunion employees. The plan sponsor may, at its discretion, make additional employer non-elective contributions and qualified non-elective contributions to the Plan on an annual basis.

**NOTE 1 - DESCRIPTION OF PLAN (Continued)**

***Participant Accounts***

Each participant's account is credited with the participant's contributions, rollovers and allocations of the Company's discretionary contribution, and profit sharing contributions and Plan earnings and losses. Allocations are based on participant's compensation or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their 401(k) salary reduction contributions, and earnings thereon, and rollovers. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service as follows:

|                            |      |
|----------------------------|------|
| 1 year of service          | 34%  |
| 2 years of service         | 67%  |
| 3 or more years of service | 100% |

In the event of death or total and permanent disability, Plan participants become 100% vested in their account balance.

In addition, Plan participants become 100% vested upon attainment of normal retirement age of 65 or attainment of the early retirement age and service requirements.

***Payment of Benefits***

On termination of service, a participant or beneficiary may elect to receive either a lump sum amount or installments equal to the value of his or her account.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with market rates for similar loans. The term of participant loans will be no greater than 5 years, unless the loan is utilized for the purchase of a principal residence. All loans are covered by demand notes and are repayable through payroll deductions. A participant may have only one loan outstanding at a time.

***Forfeitures***

Company contributions forfeited by nonvested terminated participants are retained by the Plan and used to reduce subsequent employer contributions. There were no forfeitures for the period ending December 31, 2021. As of December 31, 2021, there were no amounts in the unallocated forfeiture account for future use.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

***Basis of Accounting***

The Plan's financial statements are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Investments in mutual funds are based on quoted market prices for the identical security in an active market.

The stable value fund held in a collective trust is composed primarily of fully benefit-responsive investment contracts that are valued at contract value using the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value.

Interest income is recognized when paid, primarily monthly.

Net change in fair value of investments includes interest, dividends and realized and unrealized gains and losses on those investments.

***Payment of Benefits***

Benefits are recorded when paid.

***Notes Receivable from Participants***

Notes receivable from participants are reported at their unpaid principal balance, plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

***Amounts Allocated to Withdrawn Participants***

Net assets available for benefits at December 31, 2021 include \$1,641,268 allocated to the accounts of persons who, as of or prior to that date, had withdrawn from participating in the contributions to the Plan and will be paid their benefits subsequent to December 31, 2021.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)**

***Fair Value Measurements***

The Plan measures the fair value of assets and liabilities, and provides certain disclosures about those measurements, using valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs essentially distinguish the relative reliability of inputs to fair value measurements. Level 1 inputs are more reliable and objective than Level 2 inputs, which are in turn more reliable and objective than Level 3 inputs. In arriving at a fair value measure, the Plan is required to determine the level in the fair value hierarchy within which a fair value measurement ultimately falls and provide disclosure of such determinations.

***Participant Transaction Fees***

The Plan permits the payment of administrative expenses to be made from the Plan's assets, and for them to be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Some administrative expenses of the Plan are paid by the Company. Expenses relating to specific participant transactions (i.e., distribution request, etc.) are charged directly against the appropriate participant's account. Investment related expenses are included in net appreciation in fair value of investments.

Fees incurred by the Plan for the investment management services or recordkeeping that are paid through revenue sharing rather than a direct payment are included in net appreciation in fair value of investments.

***Subsequent Events***

The management of the Plan evaluated for subsequent events and transactions for potential recognition and disclosure through October 12, 2022, the date the financial statements were available to be issued.

**NOTE 3 - INFORMATION CERTIFIED BY PLAN TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted with this election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Plan's trustee, John Hancock Life Insurance Company, except for comparing such information to information included in the Plan's financial statements and supplemental schedule. John Hancock Life Insurance Company, the custodian of the Plan, has certified the completeness and accuracy of the investments, and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021, net appreciation in fair value of investments, dividends and interest income reflected on the accompanying statement of changes in net assets available for benefits for the period ended December 31, 2021, and the investments reflected on schedule H, line 4(i) - schedule of assets (held at end of year).

Investments valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Investments valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Level 3 inputs are based on the Plan's own assumptions on how knowledgeable parties would price assets or liabilities and are developed using the best information available in the circumstances.

***Investments Measured Using the Net Asset Value per Share Practical Expedient***

The common collective trust held in the John Hancock Stable Value Guaranteed Income Fund (the "Fund") measures contract value using the net asset value per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The Fund is designed to provide preservation of capital and returns that are consistent regardless of stock and bond market volatility. The Fund seeks to earn a high level of income consistent with those objectives. The Fund holds guaranteed investment contracts which typically have a fixed maturity. Each contract contains a provision that the issuer will, if required, repay principal at the stated contract value for the purpose of paying benefit payments (fully benefit-responsive).

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, may limit the Plan's ability to transact at contract value with the issuer. The plan administrator does not believe that the occurrence of such events, which would also limit the Plan's ability to transact at contract value with participants, is probable.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2021

**NOTE 5 - INCOME TAX STATUS**

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code through John Hancock's Volume Submitter Defined Contribution Basic Plan Document No. 1. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 7 - RELATED PARTY TRANSACTIONS**

Certain Plan investments are shares of mutual funds and common collective trusts managed by a division of John Hancock Life Insurance Company. Plan recordkeeping transactions are processed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. John Hancock Insurance Company administrator fees totaled \$6,869 for the year ended December 31, 2021.

The Company, as the plan sponsor, pays for certain administrative costs on behalf of the Plan.

**NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent to year-end, the Plan has been negatively affected by the effects of the world-wide COVID-19 pandemic. The Plan is closely monitoring its operations, liquidity, capital and financial resources, and is actively working to minimize the current and future effects of this unprecedented situation. As of the date of issuance of these financial statements, the full impact to the Plan's financial position or operations is not known.
