Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of NCC Group 401K Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by the institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules included in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statement

We were engaged to audit the accompanying financial statement of the NCC Group 401K Plan (the Plan), which comprises the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company (Fidelity), the Plan's trustee, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that Fidelity holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Fidelity for the year ended December 31, 2021, that the information provided to the Plan administrator by Fidelity is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statement, other than that derived from the information certified by Fidelity, have been audited by us in accordance with GAAS and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NCC Group 401K Plan

Notes to Financial Statements

1. Description of the Plan

NCC Group, Inc. (NCC) established the NCC Group 401K Plan (the Plan), effective January 1, 2012. The Plan, as amended, provides retirement benefits to eligible employees of NCC and its subsidiaries (collectively, the Company) on a tax-deferred basis. The Plan was amended and restated, effective August 30, 2021.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Company has appointed a Plan Committee, consisting of Company employees, to manage the operations and administration of the Plan. The Company has appointed Fidelity Management Trust Company (Fidelity) as Plan trustee and record keeper. Fidelity holds, invests and reinvests Plan assets in the interest and at the discretion of participants and their beneficiaries.

The Company has engaged Sequoia Benefits, LLC (Sequoia) as an investment advisor. Sequoia assists the Plan's Committee in selecting investment options offered under the Plan and monitoring investment performance.

In 2016, the Company acquired Payment Software Company, Inc. and Virtual Security Research, LLC (collectively, the Acquired Companies). In 2021, the Plan was amended and restated to merge the Acquired Companies' employee benefit plans into the Plan. In 2021, participant account balances totaling \$3,854,188 were transferred from the Acquired Companies' employee benefit plans to the Plan.

Eligible Participants:

Eligible employees, as defined by the Plan agreement, age 21 or older, may participate in the Plan on the first day of the month coinciding with or following the completion of three months of service after their date of hire.

1. Description of the Plan (continued)

Contributions:

Participants are permitted to make voluntary pre-tax salary deferral and after-tax contributions up to 80% of their annual compensation, as defined in the Plan agreement. Participants who have reached the age of 50 may also elect to withhold additional catch-up contributions under the Code. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers), subject to Code regulations.

The Company has elected to operate the Plan as a safe harbor plan. Under this safe harbor provision, the Company is required to make minimum matching contributions equal to 100% of a participant's pre-tax salary deferral contributed to the Plan each payroll period, up to 5% of a participant's eligible compensation, as defined by the Plan agreement. The Plan requires an annual true-up for matching contributions, so that the aggregate matching contributions during any given Plan year reflects an amount equal to the matching contributions had they been computed based on participant's year-to-date eligible compensation contributed to the Plan. The Company made matching contributions of \$2,548,364 in 2021, of which \$229,734 related to the true-up calculation and is recorded as a matching contribution receivable at December 31, 2021. At December 31, 2021, the employer contributions receivable related to \$349,894 for 2021 and \$188,747 for the 2020 true-up.

The Company may also make discretionary nonelective contributions and qualified matching contributions to the Plan, as determined by the Board of Directors. No nonelective contributions or qualified matching contributions were made in 2021.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Participant accounts are credited with participant pre-tax salary deferral and after-tax contributions, Company matching contributions, discretionary Company contributions, if any, rollovers, and an allocation of the Plan's net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. A participant may authorize transfers among investment options at any time.

1. Description of the Plan (continued)

Vesting:

Participants are immediately fully vested (100%) in their contributions, qualified Company matching contributions, and all Company safe harbor matching contributions made on the participant's behalf, plus actual earnings (less any losses). Vesting in Company nonelective contributions, if any, plus allocated earnings (less any losses) thereon, is based on years of service. A participant vests in Company nonelective contributions at the rate of 20% after two years of service and is fully vested after six years. Participants also become fully vested upon death, permanent disability, or normal retirement age.

Forfeitures:

The non-vested portion of a terminated participant's account balance is forfeited upon a five year break in service or, if earlier, upon distribution of the vested account balance. Forfeitures are retained in the Plan and may first be used to pay Plan administrative expenses, after which any remaining amounts may be used to reduce Company contributions. No forfeitures were used in 2021 to pay Plan administrative expenses or reduce Company contributions. Forfeitures of \$92,000 were available at December 31, 2021 (\$90,000 at December 31, 2020).

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participants may borrow up to one-half of their vested account balance up to \$50,000 for a period not to exceed five years, except for notes used to purchase a primary residence for which terms of up to thirty years are permitted. Participant notes are evidenced by a written note, secured by the participant's account, and bear interest at a rate commensurate with local prevailing rates, as determined by the Company under the Plan's note policy. Interest rates on notes outstanding as of December 31, 2021 range from 4.25% to 7.50%. Repayment of principal and interest is generally made through payroll deductions.

1. Description of the Plan (continued)

Payment of Benefits:

In the event of death before termination of employment, benefits are paid in a lump-sum cash distribution to the beneficiary equal to the participant's account balance. On termination of service due to disability, retirement, or other reason, benefits are paid in a lump-sum cash distribution equal to the value of the participant's vested interest in the account or in installments, if elected by the participant. The Plan may elect to distribute a terminated participant's account without participant consent if the vested balance is \$5,000 or less. Any participant account balance between \$1,001 and \$5,000 distributed without participant consent and before the participant's normal retirement age, as defined by the Plan agreement, will be automatically rolled over to an individual retirement account on behalf of the participant. Benefits are recorded when paid.

Plan Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. Certain account maintenance, benefit payments and note fees are paid by the Plan and charged to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in these financial statements.

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their accounts and distributions will be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

The Plan's investments consist of mutual funds, a money market fund and a common/collective trust, and are accounted for as follows:

Mutual Funds and Money Market Fund: These funds are reported at fair value, which is the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets. It is not probable the funds will be sold at amounts that differ materially from the NAV of shares held.

Common/Collective Trust: The Plan is invested in the Invesco Stable Value Trust Class III Fund (CCT) offered by Invesco Trust Company. The CCT is a fully benefit-responsive investment contract and, as a result, it is reported at contract value. Contract value is the relevant measure for a fully benefit-responsive investment contract because it represents the value to be received when funds are withdrawn prior to their maturity for an event other than death, disability, termination or retirement, less any applicable surrender charge. The CCT may invest in investment contracts issued by insurance companies and other financial institutions (wraps), fixed income securities, and money market funds.

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability at the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

NCC Group 401K Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The Plan's mutual funds valued at fair value are classified as Level I within the fair value hierarchy. The CCT, reported at contract value, is excluded from the fair value hierarchy under GAAP.

Income Recognition:

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on the Plan's investments bought, sold or held during the year.

3. Information Prepared and Certified by Fidelity

Fidelity, as the Plan's trustee, has certified the current value of the following assets held at December 31, 2021 and 2020, and the net income for the year ended December 31, 2021 that were used in the preparation of the financial statements and supplemental schedules.

The following table summarizes the certified information:

	December 31	
	2021	2020
Investments, at fair value	\$ 48,783,114	\$ 29,044,891
Investment, at contract value	<u>1,119,185</u>	<u>877,930</u>
Total certified investments	49,902,299	36,474,259
Notes receivable from participants	<u>277,681</u>	<u>90,772</u>
Total certified assets	<u>\$ 50,179,980</u>	<u>\$ 36,565,031</u>
Certified net income for the year ended December 31, 2021	<u>\$ 6,781,740</u>	

4. Party-In-Interest Transactions

Certain mutual funds are managed by Fidelity. As Fidelity is the Plan current trustee, purchases and sales of these investments by the Plan qualify as party-in-interest transactions. Notes receivable transactions with participants also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

5. Income Tax Status

The Plan is a volume submitter plan offered by Fidelity. The Internal Revenue Service (IRS) has determined and informed Fidelity by a letter dated June 30, 2020, that the plan submitted for review was qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. However, the Plan and Plan sponsor believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust, which forms a part of the Plan, is exempt from federal and state income taxes.

NCC Group 401K Plan

Notes to Financial Statements

5. Income Tax Status (continued)

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded, at December 31, 2021, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

6. Nonexempt Prohibited Transactions

In 2020, the Company did not remit participant contributions and note repayments totaling \$648,687 timely, as required by the DOL. The DOL considers these late remittances to be nonexempt prohibited transactions with the Plan sponsor that can jeopardize the Plan's tax-exempt status. The Plan sponsor will contribute lost earnings on the delinquent contributions and note repayments in 2023 to correct these prohibited transactions.

In 2021, the Company did not remit participant contributions and note repayments totaling \$264,075 timely, as required by the DOL. The DOL considers these late remittances to be nonexempt prohibited transactions with the Plan sponsor that can jeopardize the Plan's tax-exempt status. The Plan sponsor will contribute lost earnings on the delinquent contributions and note repayments in 2023 to correct these prohibited transactions.

Add: Employer contributions receivable at December 31, 2020	<u>301,286</u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 13,614,949</u>

8. Subsequent Events

On March 10, 2023, Silicon Valley Bank (SVB), a financial institution heavily integrated into the ecosystem of the venture community, was closed by the California Department of Financial Protection and Innovation, which appointed the Federal Deposit Insurance Corporation (FDIC) as receiver. On March 12, 2023, the FDIC, the U.S. Department of the Treasury and the Federal Reserve System issued a joint statement indicating actions would be taken to complete the FDIC's resolution of SVB in a manner that protects depositors. The financial institution was reopened by the FDIC on March 13, 2023, with customers having full access to their deposits and debt facilities as at the time of the closure. The Company is evaluating and, where necessary, planning to address the Plan's investment concentration risk. The Company is unable to estimate the impact of these events on the Plan's financial statements.

Subsequent events have been evaluated through May 5, 2023, which is the date the financial statements were approved by the Plan Committee and available to be issued.
