INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Camco Manufacturing, Inc.
Employees 401(k) Profit Sharing Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of Camco Manufacturing Inc Employees 401(k) Profit Sharing Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits, as of November 16, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period ended November 16, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank, similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank, similar institution, or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution, as of the period ended November 16, 2022 and year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section –

- the amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the ***Auditor’s Responsibilities for the Audit of the Financial Statements*** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except, as described in the ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements*** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we –

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Emphasis-Of-Matter

The Plan Administrator elected to terminate the Plan effective September 13, 2021, the same time that Camco Manufacturing, Inc. was sold. All net assets of the Plan have been deemed distributed as of the period ended November 16, 2022, and a final Form 5500 will be filed as of that date.

NOTES TO FINANCIAL STATEMENTS

November 16, 2022 and December 31, 2021

A. DESCRIPTION OF PLAN

The following description of the Camco Manufacturing Inc. (“the Company”) Employees 401(k) Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

1. **General.** The Plan was terminated September 13, 2021. The Plan is a defined contribution plan covering all employees of the Company who have one year and at least 1,000 hours of service beginning on the employee’s date of hire. If the employee has not been credited with 1,000 hours of service by the end of such period, they will have completed a year of service at the end of any following plan year they were credited with 1,000 hours of service. The Retirement Committee of the Board of Directors and the Plan Administrator of the Company controls and manages the operation and administration of the Plan. Principal Trust Company (“the Trustee”) serves as the Trustee of the Plan. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”).
2. **Contributions.** Due to Plan termination on September 13, 2021, there were no contributions made to the Plan through the period ended November 16, 2022.
3. **Investment Options.** Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers mutual funds; pooled, common, and collective funds; and an AdviceTrack option as investment options.

AdviceTrack is an investment program offered by the Trustee. It offers professionally managed investments designed on an individual basis. This program invests in mutual funds and pooled common and collective fund options not otherwise offered by the Plan. Asset-based program fees for program expenses are charged to participant accounts managed under AdviceTrack. Fees are accrued on a daily basis. Unit values are shown, net of program fees and expenses.

4. **Participant Accounts.** Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contributions and Plan earnings (losses), and charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
5. **Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon. Due to the termination of the Plan on September 13, 2021, participants are also fully vested in the Company’s matching and profit-sharing contribution portion of their accounts, plus actual earnings thereon as required by the Plan’s governing documents.
6. **Notes Receivable from Participants.** Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. At November 16, 2022, outstanding loans bore an interest rate of 2.25% to 4.50%. Principal and interest are paid ratably through payroll deductions. The term of the loan may not exceed five (5) years unless the loan is used to purchase a participant’s principal residence. Due to Plan termination, notes receivable are required to be paid off completely, distributed to the participant, or rolled into another qualified plan.

A. DESCRIPTION OF PLAN [cont'd]

7. **Payment of Benefits.** Because of the plan termination, each participant is required to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or various installment and annuity options, or to roll their vested balance into another qualified plan.
8. **Forfeitures.** At November 16, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in pooled, common, and collective funds are reported at net asset value ("NAV"). The Plan's management determines the Plan's valuation policies utilizing information provided by the Trustee. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Due to the plan termination, notes receivable from participants are required to be paid off completely, reported as a distribution to the participant, or rolled into another qualified plan.

Administrative Expenses

Certain expenses for maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES [cont'd]

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such change could materially affect the amount reported in the statements of net assets available for benefits.

C. INFORMATION CERTIFIED BY THE TRUSTEE

All investment information disclosed in the accompanying financial statements and schedule, including investments held at November 16, 2022 and December 31, 2021, and net depreciation in fair value of investments, interest, dividends, and investment expenses for the period ended November 16, 2022, were obtained or derived from information supplied to the Company and certified as complete and accurate by the Trustee.

	2022	2021
Investments in Net Assets of the Plan:		
Mutual funds	\$ ---	\$ 4,551,828
Pooled, common, and collective funds	---	933,397
	\$ ---	\$ 5,485,225

During 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value as follows:

Investment Income (Loss):	
Interest and dividends	\$ 5,893
Net depreciation in fair value of investments	(906,109)
	\$ (900,216)

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information included in the financial statements.

C. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Codification establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three (3) levels of the fair value hierarchy under FASB Codification are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

EMPLOYEES 401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

C. FAIR VALUE MEASUREMENTS [cont'd]

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liabilities;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 16, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds. These funds are required to publish their daily NAV. The mutual funds held by the Plan are deemed to be actively traded.

Pooled, common, and collective funds: The Plan invests in pooled, common, and collective funds for which quoted prices are not available in active markets for identical instruments. The Plan utilizes the NAV provided by the Trustee as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective funds, the issuer reserves the right to require twelve (12) months of notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The pooled, common, and collective funds are not required to be classified within a level on the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of November 16, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ ---	\$ ---	\$ ---	\$ ---
Total assets at fair value	\$ ---	\$ ---	\$ ---	
Investments measured at NAV:

C. FAIR VALUE MEASUREMENTS *[cont'd]*

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,551,828	\$ ---	\$ ---	\$ 4,551,828
Total investments at fair value	\$ 4,551,828	\$ ---	\$ ---	4,551,828
Investments measured at NAV:				
Pooled, common, and collective funds				933,397
Total				\$ 5,485,225

D. TAX STATUS

The Company obtained the latest determination letter on March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Company has not obtained a determination letter from the IRS since that date. The Company is relying on the IRS approval of the prototype (or volume submitter) plan that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated March 31, 2014, that the prototype (or volume submitter) plan document was designed in accordance with applicable sections of the IRC. The Plan sponsor believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt under present income tax law. Therefore, no provision for income taxes has been included in the Plan's financial statements.

As of November 16, 2022, management believes there are no uncertain tax positions.

As of November 16, 2022, and including the previous three (3) years considering extensions, the Plan's Form 5500 is open and subject to examination by tax authorities with relevant jurisdiction. Should such an examination take place, management does not anticipate any significant issues related to the open years.

E. PLAN TERMINATION

Under the provisions of ERISA, the Company terminated the Plan at September 13, 2021. The Plan termination was approved by the Board of Directors, owners, and shareholders of the Company. Each participant is fully vested in the value in his or her 401(k) and profit-sharing account at September 13, 2021. The estimated future costs, expenses, benefit payments, and earnings in the Plan are as follows:

Benefit payments and loans	\$ 8,085
----------------------------	----------

**CAMCO MANUFACTURING, INC.
EMPLOYEES 401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

November 16, 2022 and December 31, 2021

F. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of pooled, common, and collective funds managed by the Trustee; therefore, the Trustee qualifies as an exempt party-in-interest. Fees paid by the Plan to the Trustee for recordkeeping and investment management services were \$16,851 for the period ended November 16, 2022.

Because the Company is a Plan fiduciary, as well as the sponsoring employer, it qualifies as a party-in-interest.

G. SUBSEQUENT EVENTS

The Company evaluated events occurring subsequent to the statements of net assets available for benefits date through April 18, 2023, the date the financial statements were available to be issued.

H. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits, per the accompanying 2022 and 2021 financial statements to Schedule H of Form 5500, as of November 16, 2022 and December 31, 2021:

	2022	2021
Net assets available for benefits per the financial statements:	\$ ---	\$ 5,690,368
Deemed loans	---	(8,044)
Adjustment to fair market value pooled, common, and collective funds	---	13,384
Contributions receivable	---	---
Rounding	---	---
Net assets available for benefits per Form 5500	\$ ---	\$ 5,695,708

The following is a reconciliation of increases (decreases) per the financial statements for the period ended November 16, 2022, to Schedule H of Form 5500:

Decrease in net assets per the financial statements:	\$ (5,690,368)
Prior year deemed loans	8,044
Adjustment to fair market value pooled, common, and collective funds	(13,384)
Net loss per Form 5500	\$ (5,695,708)
