Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of CoAdap LLC Profit Sharing 401(k) Plan
(formerly, the IFS Industries, Inc. Profit Sharing 401(k) Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of CoAdap LLC Profit Sharing 401(k) Plan (formerly, the IFS Industries, Inc. Profit Sharing 401(k) Plan) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Predecessor Auditors' Disclaimer of Opinion on 2020 Financial Statement

The financial statement of the Plan as of December 31, 2020, was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated August 5, 2022, indicated that because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statement.

COADAP LLC PROFIT SHARING 401(K) PLAN (FORMERLY, IFS INDUSTRIES, INC. PROFIT SHARING 401(K) PLAN)

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020, AND FOR THE YEAR ENDED DECEMBER 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the CoAdap LLC Profit Sharing 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Effective January 1, 2021, CoAdap LLC (the "plan sponsor") modified their name from IFS Industries, Inc. to CoAdap LLC. As a result, beginning January 1, 2021, the Plan's name was modified to CoAdap LLC Profit Sharing 401(k) Plan from IFS Industries, Inc. Profit Sharing 401(k) Plan.

General—The Plan is a defined contribution plan covering substantially all full-time employees of CoAdap LLC (previously, IFS Industries, Inc.); IFS Coatings, Inc.; Refractory Sales and Service Incorporated; Prizer Painter Stove Works, Inc.; Ona Polymers LLC; and Big Chill LLC, collectively (the "Company"), who have three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions—Each year participants may contribute a percentage of pretax annual compensation, as defined by the Plan. Participants who have attained the age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Current participants who have not entered into a salary deferral election that is at least equal to 4% will automatically be increased to 4%, unless elected otherwise. For 2021, the Company made discretionary matching contributions equal to 100% of the participant's elective deferral contributions, up to 3%, and 50% of the participant's elective deferral contributions in excess of 3%, up to 5% of the participant's compensation. Employees must meet certain requirements to receive the employer discretionary matching contribution. The discretionary matching contribution is invested as directed by the participant. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participant Accounts—Each participant's account is credited with the participant's contribution and the Company's discretionary matching contributions, as well as allocations of Plan earnings. Participant accounts are also charged with withdrawals and an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments—Participants may direct the investment of their contributions and any discretionary matching contributions and /or account balances into various investment options offered by the Plan and may change investments and transfer amounts between investments daily. The Plan offers several mutual funds and a guaranteed investment contract as investment options.

Vesting—Participants are vested immediately in their contributions plus the Company's discretionary matching contribution and earnings on these contributions, regardless of the number of years of service.

Notes Receivable from Participants—Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the federal prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Loan terms range from 1 to 5 years; however, terms may exceed 5 years up to 15 years, for the purchase of a primary residence. As of December 31, 2021, participant loans have maturities through 2026 and interest rates ranging from 4.25 percent to 6.50 percent.

Payment of Benefits—On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or partial payment. Certain participants may elect to receive benefits in installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account in a lump sum distribution. In addition, the Plan allows for hardship distributions, if certain criteria are met.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates—The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition—Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement. Investments in fully benefit responsive guaranteed investment contracts are reported at contract value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Payment of Benefits—Benefits are recorded when paid. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at December 31, 2021.

Administrative Expenses—Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. All investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return for such investments.

Subsequent Events—The Plan has evaluated subsequent events through February 27, 2023, the date the financial statements were available to be issued. Effective January 1, 2022, the plan became a safe harbor 401(k) plan. The eligibility requirements were amended to remove service requirements and the discretionary matching contribution was replaced with safe harbor matching contributions allowing a matching contributions of 100% of salary deferrals up to the first 3% of compensation, as defined by the Plan document plus 50% of salary deferrals up to the next 2% of compensation, as defined by the Plan document.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following summary sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 29,013,631</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,013,631</u>
Investments—at fair value	<u>\$ 29,013,631</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,013,631</u>
	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 23,930,981</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,930,981</u>
Investments—at fair value	<u>\$ 23,930,981</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,930,981</u>

4. INSURANCE CONTRACT WITH MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY

In 2018, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with MassMutual Life Insurance Company (MassMutual). At December 31, 2021 and 2020, the guaranteed investment contract totaled \$5,796,052 and \$5,204,379, respectively. MassMutual maintains the contributions in a guaranteed interest account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer and may not be less than 0.00%. Such interest rates are reviewed on a quarterly basis.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan, (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to

the Plan or a change in the administration of operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) the investor provided effective communication to MassMutual that the agreement will be fully or partially terminated as of a date selected by the investor, which will be no earlier than 30 days after the investor provides effective communication to MassMutual, (2) the Internal Revenue Service determines that the Plan no longer meets the requirements of Code section 401(a), 403(a), 414(d), 414(e), or any other applicable IRC provision, (3) there is a termination or partial termination of the Plan, (4) the investor breaches a provision of the agreement, or (5) MassMutual provides effective communication to the investor that the agreement will be terminated as of a date at least ninety days after MassMutual provides effective communication to the investor.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. INCOME TAX STATUS

The Plan uses a volume submitter profit sharing plan document prepared by MassMutual Life Insurance Company. The volume submitter profit sharing plan has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states that the volume submitter profit sharing plan document satisfies the applicable provisions of the IRC. The volume submitter profit sharing plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2021 and for the year then ended that was prepared by or derived from information prepared by Reliance Trust

Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that such information is complete and accurate.

2021

Statements of Net Assets Available for Benefits

Investments—at fair value	\$ 29,013,631
Investments—at contract value	5,796,052
Notes receivable from participants	579,805

Statement of Changes in Net Assets Available for Benefits

Net appreciation in fair value of investments	\$ 2,411,340
Interest and dividends	1,685,896
Interest income on notes receivable from participants	26,699

Supplemental Schedules—All investment balances and information included in the supplemental schedule of assets (held at end of year)

Note 3—All investment balances and investment information, excluding the level of investments

Reliance Trust Company has also certified to the completeness and accuracy of all investments reported in the accompanying statement of net assets available for benefits as of December 31, 2020.

8. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Effective December 31, 2020, Empower Retirement acquired the retirement plan and group insurance business of Massachusetts Mutual Life Insurance Company. As a result, Empower Retirement became the record keeper of the Plan on December 31, 2020. Certain plan investments are guaranteed investment contracts managed by Massachusetts Mutual Life Insurance Company and therefore, these transactions qualify as exempt party-in-interest transactions.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Concentration—The Plan holds certain investments that represent 10% or more of the Plan's total investments at December 31:

	2021	2020
MassMutual Life Insurance Company Guaranteed Investment Account	<u>\$ 5,796,052</u>	<u>\$ 5,204,379</u>

A significant decline in the market value of this investment could significantly affect the net assets available for benefits.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company did not remit certain participant contributions and loan repayments to the Plan for the years ended December 31, 2020, and 2018, respectively, on a timely basis as defined by the Department of Labor. The delinquent participant contributions resulted in prohibited transactions which are separately reported on Form 5500, Schedule H, Question 4a—Schedule of Delinquent Participant Contributions. For contributions not corrected, the Company will file Form 5330 with the IRS and pay the required excise tax on the transactions. In addition, the third-party administrator will calculate lost earnings resulting from the delay in contributions.
