## **Independent Auditors' Report**

Plan Administrator  
IKEA Kitchen Services 401(k) Plan  
Denver, Colorado

### ***Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2022 Financial Statements***

We have performed an audit of the financial statements of IKEA Kitchen Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of August 31, 2022, and the related statement of changes in net assets available for benefits for the period beginning January 1, 2022 and ended August 31, 2022, and the related notes to the financial statements (the 2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of August 31, 2022 and for the period beginning January 1, 2022 and ended August 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion On The 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion On The 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2022 Financial Statements section of our report. We are required to be independent of IKEA Kitchen Services 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IKEA Kitchen Services 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities For The Audit Of The 2022 Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IKEA Kitchen Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IKEA Kitchen Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

# IKEA KITCHEN SERVICES 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS

August 31, 2022

### 1. Description Of The Plan

The IKEA Kitchen Services 401(k) Plan (the Plan) is sponsored by CBSR Services, Inc. dba Traemand Installation Services (the Company).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. The following description of the Plan provides only general information. Participants and all others should refer to the Plan Agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering employees of the Company and its affiliates. The Company adopted the Plan effective January 1, 2021, and employees of the Company become eligible to participate in the Plan upon achieving six months of service. Prior to January 1, 2021, service with the Company and its affiliates is recognized toward eligibility.

Standard Retirement Services serves as the recordkeeper, and Reliance Trust Company (the Custodian) serves as the custodian of Plan assets.

During 2021, the Plan was amended to merge into the IKEA Retirement and Savings Plan. As of August 31, 2022, all assets of the Plan were transferred to the IKEA Retirement and Savings Plan. For purposes of this report, the period beginning January 1, 2022 and ended August 31, 2022 will be referred to as the "period ended August 31, 2022."

#### Participant Contributions

Upon becoming eligible, participants are auto-enrolled at a deferral rate of 3% of eligible compensation unless affirmatively electing not to participate in the Plan. Participants can contribute up to 60% of their compensation as defined by the Plan Agreement, not to exceed the annual permissible dollar limit under the Internal Revenue Code (the IRC). Salary deferral contributions can be made as either pre-tax or Roth (after-tax) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 in 2022 and 2021. Employees may contribute rollover contributions from other qualified plans. Participants may change their deferral percentage as of any payroll period and may discontinue their election on the first day of each payroll period. Once discontinued, the participant may reelect to make contributions on the first day of any payroll period. Participants may redesignate the investment options in which their allocated shares of the total Plan are invested to be effective on any day.

## **IKEA KITCHEN SERVICES 401(k) PLAN**

---

### Notes To Financial Statements (*Continued*)

#### **Employer Contributions**

The Company makes a safe-harbor matching contribution for participating employees equal to 100% of the first 4% of compensation and 50% of deferrals that exceed 4% but not 6% of compensation.

#### **Participant Accounts And Investment Options**

Participants may direct their deferrals, rollovers and employer contributions into various investment options. Each participant has the option of directing contributions into any of the investment accounts and may change the allocation daily; however, for certain investment accounts, in an effort to reduce market timing and excessive trading, certain restrictions may apply. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant accounts are credited with participant contributions, the Company's contributions, an allocation of Plan earnings and administrative expenses. The allocation of earnings is determined by the earnings of the participant's investment selection based on each participant's account balance and the investments selected by the participant.

#### **Vesting**

Participants are immediately vested in their elective deferral contributions, rollover contributions, employer safe-harbor contributions and earnings thereon.

#### **Notes Receivable From Participants**

A participant may borrow from their account the lesser of \$50,000 or 50% of their vested account balance with a minimum loan amount of \$1,000. Participants may only have one loan outstanding at any given time. Loans are secured by the participant's vested account. The loans are to be repaid over a period not to exceed five years. Interest rate on the loan is commensurate with the rate of interest charged on similar commercial loans within the same geographic area as the Company. Principal and interest are collected ratably through bi-weekly payroll deductions.

#### **Payment Of Benefits**

A participant's entire vested interest in the Plan is payable in the event of termination, upon death of the participant, attaining normal retirement age of 59½ or becoming totally disabled, as defined in the Plan Agreement. A participant's benefits are payable in a lump-sum payment or periodic cash installments. In addition, hardship distributions are permitted if specified criteria are met.

#### **Administrative Expenses**

The majority of Plan expenses are paid by the Plan. Administrative expenses paid by the Plan include recordkeeper fees, service fees and transaction fees.

## **2. Significant Accounting Policies**

#### **Basis Of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

#### **Estimates And Assumptions**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

#### **Investment Valuation And Income Recognition**

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recovered on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as December 31, 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

#### **Benefits**

Benefits are recorded when paid.

#### **Subsequent Event**

Management evaluates subsequent events through the date the financial statements were available for issue, which is the date of the Independent Auditors' Report.

### **3. Certified Investment Information**

Certain information related to investments and investment income disclosed in the accompanying financial statements, as of August 31, 2022 and for the period beginning January 1, 2022 and ended August 31, 2022 and as of and for the year ended December 31, 2021, respectively, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodian.

### **4. Fair Value Measurements**

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- |         |   |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.   |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• Quoted prices for similar assets or liabilities in active markets</li><li>• Quoted prices for identical or similar assets or liabilities in inactive markets</li></ul> |

## IKEA KITCHEN SERVICES 401(k) PLAN

### Notes To Financial Statements (*Continued*)

- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

- ***Mutual Funds:*** Assets are valued at the daily closing price as reported by the funds. Mutual funds are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 within the fair value hierarchy.

There have been no changes in the valuation methodology in August 31, 2022 and December 31, 2021, respectively.

Notes To Financial Statements (*Continued*)

### **5. Income Tax Status**

The Plan uses a volume submitter defined contribution plan sponsored by Standard Retirement Services Inc. Standard Retirement Services Inc. received an opinion letter from the Internal Revenue Service (the IRS), dated March 31, 2014, which states that the volume submitted defined contribution plan satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **6. Party In Interest Transactions**

Certain accounting and administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. In addition, the Company may pay certain outside administrative expenses of the Plan.

Certain participants in the Plan have outstanding loans with the Plan as of December 31, 2021. These loans are considered party in interest transactions in accordance with the Department of Labor guidelines.

### **7. Risks And Uncertainties**

Investments, in general, are subject to various risks, such as significant world events, interest rates, market volatility and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefit.
