Independent Auditor's Report

**To the Plan Administrator
The Hagerman Group 401(k) Plan
Indianapolis, Indiana**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Hagerman Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

Other auditors were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed them not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their audit report, dated August 3, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE HAGERMAN GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - PLAN DESCRIPTION

The following description of The Hagerman Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time, salaried employees of The Hagerman Group and its participating subsidiaries, affiliates and locations (collectively, the "Company"), who have completed three months of service. Non-union participants become eligible for discretionary Company profit sharing and matching contributions after completing three months of service. Union participants are not eligible to receive a discretionary Company profit sharing or matching contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Amendments

Effective April 19, 2021, the Plan was amended to allow for in-plan Roth rollover contributions.

Effective September 13, 2021, the Plan was restated in its entirety. Applicable Plan provisions have been properly disclosed through the footnotes to the financial statements.

Participating Companies

The following Companies, which are related parties, are participating employers in the Plan:

Hagerman Inc.
The Hagerman Group
Hagerman Construction Company

Entrance Date

An employee is eligible to enter the Plan immediately following completion of the service requirement.

Contributions

Each year, participants may contribute up to 100% of eligible compensation, as defined by the Plan, subject to limitations per the Internal Revenue Code. Employees are automatically enrolled at a 5% deferral rate, upon becoming eligible to participate in the Plan. Participants may elect to change or discontinue deferrals at any time. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

THE HAGERMAN GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Each pay period, the Company makes matching contributions to the account of each eligible employee up to 4% of eligible compensation that a participant contributes to the Plan. The Company may, at its discretion, make additional profit sharing contributions to the Plan on an annual basis. There were no profit sharing contributions in 2021 or 2020.

Forfeitures

Participant forfeitures of employer profit sharing contributions are reallocated to the remaining participants, based upon their relative account balances. Forfeitures of employer matching contributions or administrative expenses of the Plan. For 2021, \$6,285 of forfeitures were used to reduce employer contributions to the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$13,903 and \$5,821, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions and (b) Plan earnings, and (c) forfeitures of employer profit sharing contributions and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based upon participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability

A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in the remainder of their accounts, plus earnings thereon, is based on years of continuous service. A participant becomes 25% vested after two years of continuous service, and vesting increases in 25% annual increments per year with 100% vesting after five years of continuous service.

Benefit Payments

Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in his or her account. Benefit amounts under \$5,000 are automatically distributed to participants. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balances as a single lump sum or in installment payments over time. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59 ½.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company Contributions.

Administrative and Investment Management Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (or exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan.

Unobservable inputs are inputs that reflect the Plan's assumptions about the inputs that market participants would use in pricing the asset or liability and are developed based on the best information available in the circumstances.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Management Evaluation of Subsequent Events

The Company has evaluated subsequent events through September 23, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Plan's the trustee.

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 14,012,086	\$ 11,941,917
Investment gains	1,870,843	

NOTE 4 - TAX STATUS

The Plan has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated June 30, 2020 that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in net assets available for benefits, which totaled \$0 for the year ended December 31, 2021.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and cash reserves managed by Fidelity Management Trust Company ("Fidelity"). Fidelity is the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

NOTE 6 - ADMINISTRATIVE EXPENSES

Administrative expenses paid from the Plan represent recordkeeping and professional fees which amounted to \$51,172 for the year ended December 31, 2021.

THE HAGERMAN GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 7 - FAIR VALUE MEASUREMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021, compared to December 31, 2020. The Plan's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers in or out of Level 3 assets or liabilities during the year ended December 31, 2021.

Money market funds: Valued at the daily closing price reported by the underlying fund, which is traded on a national exchange.

Registered investment companies: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021

	Level 1	Total
Money market funds	\$ 215,992	\$ 215,992
Registered investment companies	13,796,094	13,796,094

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Independent Auditor's Report

**To the Plan Administrator
The Hagerman Group 401(k) Plan
Indianapolis, Indiana**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Hagerman Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

Other auditors were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed them not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their audit report, dated August 3, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE HAGERMAN GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - PLAN DESCRIPTION

The following description of The Hagerman Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time, salaried employees of The Hagerman Group and its participating subsidiaries, affiliates and locations (collectively, the "Company"), who have completed three months of service. Non-union participants become eligible for discretionary Company profit sharing and matching contributions after completing three months of service. Union participants are not eligible to receive a discretionary Company profit sharing or matching contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Amendments

Effective April 19, 2021, the Plan was amended to allow for in-plan Roth rollover contributions.

Effective September 13, 2021, the Plan was restated in its entirety. Applicable Plan provisions have been properly disclosed through the footnotes to the financial statements.

Participating Companies

The following Companies, which are related parties, are participating employers in the Plan:

Hagerman Inc.
The Hagerman Group
Hagerman Construction Company

Entrance Date

An employee is eligible to enter the Plan immediately following completion of the service requirement.

Contributions

Each year, participants may contribute up to 100% of eligible compensation, as defined by the Plan, subject to limitations per the Internal Revenue Code. Employees are automatically enrolled at a 5% deferral rate, upon becoming eligible to participate in the Plan. Participants may elect to change or discontinue deferrals at any time. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

THE HAGERMAN GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Each pay period, the Company makes matching contributions to the account of each eligible employee up to 4% of eligible compensation that a participant contributes to the Plan. The Company may, at its discretion, make additional profit sharing contributions to the Plan on an annual basis. There were no profit sharing contributions in 2021 or 2020.

Forfeitures

Participant forfeitures of employer profit sharing contributions are reallocated to the remaining participants, based upon their relative account balances. Forfeitures of employer matching contributions or administrative expenses of the Plan. For 2021, \$6,285 of forfeitures were used to reduce employer contributions to the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$13,903 and \$5,821, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions and (b) Plan earnings, and (c) forfeitures of employer profit sharing contributions and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based upon participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability

A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in the remainder of their accounts, plus earnings thereon, is based on years of continuous service. A participant becomes 25% vested after two years of continuous service, and vesting increases in 25% annual increments per year with 100% vesting after five years of continuous service.

Benefit Payments

Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in his or her account. Benefit amounts under \$5,000 are automatically distributed to participants. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balances as a single lump sum or in installment payments over time. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59 ½.

THE HAGERMAN GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company Contributions.

Administrative and Investment Management Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

THE HAGERMAN GROUP 401(K) PLAN

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (or exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan.

Unobservable inputs are inputs that reflect the Plan's assumptions about the inputs that market participants would use in pricing the asset or liability and are developed based on the best information available in the circumstances.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Management Evaluation of Subsequent Events

The Company has evaluated subsequent events through September 23, 2022, the date on which the financial statements were available to be issued.

NOTE 4 - TAX STATUS

The Plan has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated June 30, 2020 that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in net assets available for benefits, which totaled \$0 for the year ended December 31, 2021.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and cash reserves managed by Fidelity Management Trust Company ("Fidelity"). Fidelity is the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

NOTE 6 - ADMINISTRATIVE EXPENSES

Administrative expenses paid from the Plan represent recordkeeping and professional fees which amounted to \$51,172 for the year ended December 31, 2021.

NOTE 7 - FAIR VALUE MEASUREMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021, compared to December 31, 2020. The Plan's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers in or out of Level 3 assets or liabilities during the year ended December 31, 2021.

Money market funds: Valued at the daily closing price reported by the underlying fund, which is traded on a national exchange.

Registered investment companies: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021

	Level 1	Total

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
