INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Wayne Action Group for Economic Solvency, Inc.
401(A) Thrift Plan
Goldsboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Wayne Action Group for Economic Solvency, Inc. (WAGES) 401(A) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of WAGES 401(A) Thrift Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WAGES 401(A) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WAGES 401(A) Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WAGES 401(A) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held (At Year End) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of WAGES 401(A) Thrift Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of

the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WAYNE ACTION GROUP FOR ECONOMIC SOLVENCY, INC.
401(A) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE A. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the Wayne Action Group for Economic Solvency, Inc.'s (WAGES) 401(A) Thrift Plan ("Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan, effective January 1, 1968, is a non-contributory money purchase pension plan for all the employees of WAGES except substitutes, with twelve months of service following the date of employment. The Plan assets are held in trust by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Mutual of America Life Insurance Company as custodian of assets.

Contributions. Contributions are provided for employees who have twelve months of service. The plan does not permit contributions by participants. WAGES contributed 4% of participants' base compensation and an additional 8% of compensation over \$10,000 through October 31, 2021. Effective November 1, 2021, WAGES contributed 8% of the participants' compensation for the plan year.

Participant Accounts. Each participant's account is credited with the allocation of the contribution by WAGES and the Plan earnings related to those contributions. Allocations are based on participant earnings or account balance, as defined.

Vesting and Forfeited Accounts. Vesting service is the total of an employee's countable periods of service without regard to hours of service. A participant's account is subject to the vesting schedule in the plan in which accounts are 100% vested after four years of vesting service. Accounts of participants who become totally disabled or die while employed become 100% vested. At December 31, 2021 and 2020, forfeited, non-vested accounts totaled \$2 and \$6,738, respectively. During 2021, administrative expenses of \$10,249 were reduced by \$5,962 from forfeited, non-vested accounts and forfeitures of \$1,607 were used to reduce employer contributions. During 2020, administrative expenses of \$4,780 were reduced by \$531 from forfeited, non-vested accounts.

Normal Retirement Age. Age 62.

Payment of Benefits. Upon termination of service, a participant with an account valued at less than \$1,000 shall receive a lump sum distribution. For accounts between \$1,000 and \$5,000, the participant may elect a lump sum distribution, or roll over the distribution to another qualified plan or IRA. If no election is made the account must be rolled over to an IRA.

Participants may withdraw funds from the Plan for the following:

1. Normal retirement age 62
2. Early retirement age 55
3. Death
4. Disability
5. Termination

Disability. In the event a participant becomes disabled while participating in the Plan, the participant is entitled to 100% of the account balance.

Notes Receivable from Participants. A participant may borrow from the vested portion of the Plan contributions held in the participant's account. The loan request must qualify according to guidelines outlined in the plan document, and loan repayments are required to be made by payroll deductions. Participants may borrow from their account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant's loan fund.

WAYNE ACTION GROUP FOR ECONOMIC SOLVENCY, INC.
401(A) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE A. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The loan term shall not exceed the earlier of termination of employment or five years or for a longer period of time for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of 5%. Principal and interest are to be paid ratably through payroll deduction. Participants may have one outstanding loan at a time. A processing fee of \$50 is charged for all new loans with a \$12 quarterly fee, thereafter.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the plan document.

More detailed information concerning the Plan may be found by consulting the Summary Plan Description which is available from the Plan administrator.

Investments. A portion of the Plan's investments are managed by Princor Financial Service Corporation, a member of Principal Financial Group, and Mutual of America Life Insurance Company. Princor and Mutual of America negotiate and select fixed income accounts, group annuity contracts and mutual funds as investment vehicles for plan assets. These investments are made at the direction of the Plan participants.

Plan Termination. Although it has not expressed any intent to do so, WAGES, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

Basis of Accounting. The financial statements have been prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles. Under this basis, the only assets recognized are cash, investments, and loans to participants and no liabilities are recognized.

Accounting Method. The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis: investment income is recognized when received, disbursements are recognized when made and contributions are recorded when received. Additionally, security investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with accounting principles generally accepted in the United States of America.

Estimates. The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value (except for the fully benefit-responsive contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note I for discussion of fair value measurements. Quoted market prices are used to value investments. Shares of mutual funds are valued at the quoted net asset value of shares held by the Plan at year end. Notes receivable from participant's are valued at their outstanding balances, which approximate fair value.

WAYNE ACTION GROUP FOR ECONOMIC SOLVENCY, INC.
401(A) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE A. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Principal Life Insurance Fixed Income Option Non 401(A) Fund invests in fully benefit-responsive contracts. Contract value is the measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents contributions plus earnings, less participant withdrawals and administrative expenses.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. The Organization may pay administrative and trust expenses in whole or in part. All expenses not paid by the Organization shall be paid by the Plan. The Organization also pays the salaries of the benefits administrators and other personnel who perform services for the Plan as part of their duties, as well as the audit fees. These expenses are not recorded as Plan expenses.

NOTE B. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited):

NOTE C. FIXED INCOME INVESTMENTS

Principal Fixed Income Option is a Custodial Guaranteed Fund (CGF) group annuity contract available through Principal Life Insurance Company. These investments earn a fixed rate of interest which is negotiated for each new contract. These investments have been certified by Principal Trust Company as to completeness and accuracy.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE D. TAX STATUS

The IRS has determined and informed the company by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE E. GROUP ANNUITY CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

In 2000, the Plan entered into a traditional fully benefit-responsive guaranteed annuity contract with Principal Life Insurance Company (United) totaling \$1,531,265 for 2021 and \$1,541,808 for 2020. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE F. RISK AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment accounts are not guaranteed by the Federal Deposit Insurance Agency (FDIC), any government agency, or banks and as a result may lose value.

NOTE G. ERISA BOND REQUIREMENT

The Employer Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the plan year or \$500,000. At December 31, 2021 and 2020, the Plan's sponsor-maintained bond coverage in the amount of \$500,000.

NOTE H. PARTY-IN-INTEREST TRANSACTIONS

Insurance products and plan administrative expenses are provided by Principal Life Insurance Company. Securities are offered through Princor Financial Corporation. Princor and Principal Life are members of the Principal Financial Group.

The plan held investments in related party securities at December 31, 2021 and 2020 as follows:

	2021	2020
Principal Life Insurance Company	\$1,531,265	\$1,541,808
Princor Financial Services		1,838,616
Total Related Securities	\$1,531,265	\$3,380,424

The Schedule of Assets Held for Investments at End of Year (Schedule 1) denotes investments managed by Principal.

Fees paid by the Plan to Principal Life Insurance Company for investment management services amounted to \$9,908 and \$4,780, respectively, for the years ending December 31, 2021 and 2020.

Fees paid by the Plan to Mutual of America Life Insurance Company for investment management services amounted to \$341 and \$0, respectively, for the years ending December 31, 2021 and 2020.

The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions are with a party-in-interest.

All of these transactions are exempt from being prohibited transactions by ERISA.

NOTE I. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Common Stocks, Corporate Bonds and US Government Securities. Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds. Valued at the quoted net asset value ("NAV") of shares held by the plan at year end.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE I. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at the fair value as of year end.

<i>Assets at Fair Value as of December 31, 2021</i>				
	Quoted Market Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Investments:				
Mutual Funds	\$1,803,079			\$1,803,079
Total Assets at Fair Value	\$1,803,079	\$0	\$0	\$1,803,079

<i>Assets at Fair Value as of December 31, 2020</i>				
	Quoted Market Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Investments:				
Mutual Funds	\$1,694,621			\$1,694,621
Total Assets at Fair Value	\$1,694,621	\$0	\$0	\$1,694,621

NOTE J. COSTS ABSORBED BY PLAN SPONSOR

Administrative costs absorbed by the Plan sponsor totaled \$19,430 and \$8,541 for the years ended December 31, 2021 and 2020, respectively.

NOTE K. SUBSEQUENT EVENTS

For the year ended December 31, 2021, the organization evaluated subsequent events for potential recognition and disclosures through January 5, 2023, the date of financial statements issuance. As a result of the continued spread of COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impact could occur though such potential impact is unknown at this time.
