## **INDEPENDENT AUDITOR'S REPORT**

Frank N. Hestand

**F<sub>N</sub>H**

CPA, PSC

To the Board of Trustee of  
the IBEW Local 466 Pension Fund

### **Opinion**

We have audited the accompanying financial statements of IBEW 466 Pension Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of IBEW Local 466 Pension Fund as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW 466 Pension Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW 466 Pension Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBEW 466 Pension Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW 466 Pension Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IBEW Local 466 Pension Fund  
Notes to the Financial Statements

**1. Description of Plan**

The following description of the IBEW Local 466 Pension Fund (Plan) of the International Brotherhood of Electrical Workers provides only general information. Participants should refer to the *Summary Plan Description* for a more complete explanation of the Plan's provisions.

**General**

The Plan is a multi-employer, collectively-bargained defined contribution plan covering eligible employees who have worked and/or are working for any of the contributing employers as established by the agreement by and between the West Virginia – Ohio Valley Chapter National Electrical Contractors Association, and the Union. The Plan is subject to the provisions of the Employee Retirement Income Security act of 1974 (ERISA).

**Employer Contributions**

Contributions to the plan are made by participating employers based on the negotiated contribution rates set forth in collective bargaining agreements.

**Participant Accounts**

Each participant's account is credited with the contributions by the contributing employer based on hours worked by the participant and plan earnings based on the participant's account balance. Each participant's account is reduced by an equal administrative charge (currently \$18/month; \$219/annually). Effective July 1, 2022, the monthly fee per participant was increased to \$25. Participants direct the investment of their account by designating the proportion of their account to be allocated to the separate investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the balance in the participant's account.

**Vesting**

Participants are immediately vested in the entirety of their accounts.

IBEW Local 466 Pension Fund  
Notes to the Financial Statements

**1. Description of Plan (continued)**

**Payment of Benefits**

Participants, upon reaching age 55 and retiring from employment or after becoming permanently disabled at any time, may elect to receive the value of their account in (a) a lump-sum, (b) periodic payments, (c) an annuity, or (d) by payment of any percentage of the balances of the participant's account in a lump sum and the remainder in periodic payments over a period not less than 24 months. If a participant selects this option, he or she can request an additional partial lump sum payment(s) at a later date.

Upon death of a participant, the value of their account shall be paid based upon options specified in the Plan.

Any participant with an account balance of less than \$3,500 who has not worked in the jurisdiction of the IBEW Local Union No. 466 for a period of thirty-six consecutive months may receive the value of their account in its entirety.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

IBEW Local 466 Pension Fund  
Notes to the Financial Statements

**2. Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid by the record keeper.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan. Investment related expenses are included in net appreciation of fair value of investments.

**Subsequent Events**

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

IBEW Local 466 Pension Plan  
Notes to the Financial Statements

**3. Investments**

The Plan maintains a participant directed investment program whereby participants can elect to invest in a limited number of registered investment companies and a guaranteed investment contract, each with different investment guidelines that allows participants to diversify their asset allocation to meet their individual objectives. At Reliance Trust Company serves as custodian for the Plan's registered investment companies, while Mass Mutual held the Plan's guaranteed investment contract.

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Retirement (previously Mass Mutual Life Insurance Company) (The Insurance Company) totaling \$24,454,133 for 2021 and \$27,108,709 for 2020. The Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The credit rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by The Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

IBEW Local 466 Pension Plan  
Notes to the Financial Statements

### 3. Investments (continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

### 4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

IBEW Local 466 Pension Fund  
Notes to the Financial Statements

**4. Fair Value Measurement (continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Mutual Funds/Money Market Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Change Commission. These funds are required to publish their daily net asset value (NAV) and to transact that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Mutual funds and common/collective trust funds below determine fair value using a calculated net asset per share, or its equivalent. As of December 31, 2021 and 2020, there were no unfunded commitments related to these investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2021 and 2020:

| <i>Assets at Fair Value as of December 31, 2021</i> |                |                |                |                |

IBEW Local 466 Pension Fund  
Notes to the Financial Statements

**5. Tax Status**

The Internal Revenue Service has determined and informed the Company by a letter dated February 9, 2016, that the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Sponsor, Administrator, and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified as tax-exempt as of the financial statement dates.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions take by the plan, and has conclude that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosures in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. The Plan administration believes it is no longer subject to income tax examinations for years prior to 2018.

**6. Related Party Transactions and Investment Administration**

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor, and certain others. Certain Plan investments are shares of mutual funds managed by Empower Retirement (previously MassMutual). Fees incurred by the Plan for the investment management services performed by Empower Retirement are paid out of the net appreciation in fair value of investments.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the trust fund shall continue for the sole purpose of providing benefits as explained under the payment of benefits section of Note 1.

IBEW Local 466 Pension Fund  
Notes to the Financial Statements

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**9. Restricted Net Assets Available For Benefits**

Each participant in the plan has their own account balances where contributions made by employers on their behalf and investment earnings are added to their account. Benefit payments and plan expenses are subtracted from their account balance. A summary of the net assets available for benefits as of December 31, 2021 and 2020 is as follows:

|                                           | <u>2021</u>           | <u>2020</u>           |
|-------------------------------------------|-----------------------|-----------------------|
| Participants' account balances            | \$ 144,442,695        | \$ 129,266,763        |
| Unallocated net assets-Timing differences | 525,481               | 837,910               |
| Unallocated net assets – administrative   | 88,111                | 111,198               |
| Total net assets available for benefits   | <u>\$ 145,056,287</u> | <u>\$ 130,215,871</u> |

Assets identified as participants account balances are assets that are specifically allocated to each members' account at Empower Retirement.

The Plan has unallocated net assets (timing differences) derived from the net value of the employer receivables, unallocated contributions, and accounts payable. The unallocated net assets – administrative represents a cumulative balance of previous liquidated damages and related interest collected. This amount can be directed by the Plan Administrator to pay for administrative expenses of the Plan.
