INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of the
Bonnell Clearfield Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Bonnell Clearfield Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 31, 2022 and December 31, 2021, the related statement of changes in net assets available for benefits for the period ended July 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 31, 2022 and December 31, 2021, and for the period ended July 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As described in Note 8 to the financial statements, the Employee Benefits Administrative Committee of Tredegar Corporation, the parent company of Bonnell Clearfield, the Plan's Sponsor, voted on July 29, 2022, to merge the Plan into the Tredegar Corporation Retirement Savings Plan (Tredegar RSP), effective August 1, 2022. All Plan assets were transferred to the Tredegar RSP on July 29, 2022. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

BONNELL CLEARFIELD SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Bonnell Clearfield Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan, effective June 1, 2017, was a defined contribution plan covering all employees except for those represented by a bargaining unit or leased employees of Bonnell Aluminum (Clearfield), Inc. (the Company).

The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator was responsible for oversight of the Plan, determined the appropriateness of the Plan's investment offerings, and monitored investment performance.

Contributions: Through July 31, 2022, participants could contribute a percentage of their pretax annual compensation, up to the maximum allowed by law, as defined in the Plan. The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3% of eligible compensation, increasing annually by 1% until a maximum deferral of 7% was reached. Contributions were invested in a designated target date fund until changed by the participant. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Prior to January 1, 2022, the Company made a progressive discretionary matching contribution ranging from 25% of deferrals of 1% up to 33.33% of deferrals of 6% that a participant contributes to the Plan. Effective January 1, 2022, the Company matched 100% of the first 5% of employee deferrals. The Company could also elect to make an additional discretionary nonelective contribution on behalf of eligible participants in accordance with the Plan document. During the period ended July 31, 2022, the Company did not make any discretionary nonelective contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts: Each participant's account was credited with the participant's contributions, allocations of Company matching contributions, and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting: Participants were vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts was based on years of continuous service. Prior to January 1, 2022, a participant was 100% vested in matching contributions and nonelective employer contributions after three and six years of credited service, respectively. Effective January 1, 2022, the Plan was amended such that a participant was 100% vested immediately in matching employer contributions.

Notes receivable from participants: Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants could have only one loan outstanding at any time. Loans bore interest based on the rates available for similar loans from commercial lending institutions and must be repaid over a period not to exceed five years unless used to purchase the participant's primary residence. The loans were secured by the balance in the participant's account. Principal and interest was paid ratably through biweekly payroll deductions.

BONNELL CLEARFIELD SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Payment of benefits: On termination of service due to death, disability, retirement or separation from service, a participant could elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or installments. For balances greater than \$1,000 but less than \$5,000, automatic rollovers would occur. Withdrawals from the Plan might also be made upon circumstances of financial hardship in accordance with the provisions specified in the Plan.

Forfeited accounts: At July 31, 2022 and December 31, 2021, the balance of forfeited non-vested accounts was \$0 and \$5,269, respectively. These accounts could be used to reduce future Company contributions or to pay Plan expenses. In 2022, \$2,979 was used to reduce the Company's contribution and \$2,484 was used to pay administrative expenses, as allowed by the Plan document.

Subsequent events: Subsequent events have been evaluated through May 15, 2023, which was the date these financial statements were available to be issued. There are no subsequent events that Plan management has determined should be disclosed pursuant to the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determined the Plan's valuation policies utilizing information provided by the Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants were measured at their unpaid principal balance plus accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses was recorded as of July 31, 2022 and December 31, 2021. If a participant ceased to make loan repayments and the Plan Administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

Benefit payments: Benefits are recorded when paid.

BONNELL CLEARFIELD SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative expenses: Certain expenses of maintaining the Plan were paid directly by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and included in administrative expenses. Investment related expenses were included in net depreciation in fair value of investments.

Note 3. Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements as of July 31, 2022 and December 31, 2021, and for the period ended July 31, 2022, was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company (Fidelity), the Trustee.

	July 31, 2022	December 31, 2021
Investments, at fair value:		
Money market fund	\$ -	\$ 597,706

Interest and dividends	608,097	n/a
Interest income on notes receivable from participants	15,779	n/a

Note 4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Note 4. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2022 and December 31, 2021.

Money market fund: Valued at market price, which is equivalent to \$1 per unit.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan were considered to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believed its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As a result of the Plan merger, there were no remaining investments at July 31, 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Assets Measured at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 597,706	\$ -	\$ -	\$ 597,706
Mutual funds	17,772,209	-	-	17,772,209
Total assets in the fair value hierarchy	<u>\$ 18,369,915</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,369,915</u>

Note 5. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2022 and 2021 financial statements to Schedule H of Form 5500 as of July 31, 2022 and December 31, 2021:

	July 31, 2022	December 31, 2021
Net assets available for benefits per the financial statements	\$ -	\$ 18,882,241
Adjustments for:		
Deemed distributed loans	-	(36,563)
Net assets available for benefits per Form 5500	<u>\$ -</u>	<u>\$ 18,845,678</u>
Net decrease in net assets available for benefits per the financial statements prior to merger	\$ (2,192,713)	
Adjustments for:		
Deemed distributed loans - prior year	36,563	
Deemed distributed loans included with transfer	<u>(29,065)</u>	
Net income per Form 5500	<u>\$ (2,185,215)</u>	

Note 6. Related Party and Party-In-Interest Transactions

Certain Plan investments were shares of mutual funds or other investment instruments managed by Fidelity. Fidelity was the Trustee and therefore, those transactions qualified as a party-in-interest transactions. Fees charged for transactions initiated by the participant were charged directly to the participant's account. Fees paid by the Plan for investment management services were included in net depreciation in fair value of investments, as they were paid through revenue sharing rather than direct payment. As described in Note 2, the Plan made direct payments to the third-party administrator of \$20,148 for the period ended July 31, 2022, which were not covered by revenue sharing. The Plan Sponsor paid directly any other fees related to the Plan's operations. The Plan also issued loans to participants, which were secured by the vested balances in the participant's accounts.

Note 7. Tax Status

The Plan has adopted a non-standardized pre-approved plan sponsored by Fidelity Management & Research Company (“FMR, LLC), the Plan’s third-party administrator. The IRS has determined and informed the document sponsor by a letter dated June 30, 2020, that the pre-approved plan document was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The letter has been relied upon by the Plan. The Plan had been amended since the non-standardized pre-approved plan received the letter. The Plan Administrator believed the Plan was designed and was being operated in compliance with the applicable provisions of the IRC. Therefore, the Plan Administrator believed that the plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP required Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

Note 8. Plan Merger

Effective August 1, 2022, the Plan merged with the Tredegar Corporation Retirement Savings Plan (Tredegar RSP), the 401(k) plan administered by Tredegar Corporation, the Company’s parent. As a result, net assets of \$16,689,528 were transferred into the Tredegar RSP on July 29, 2022. The merger does not impact participant benefits as the benefit provisions of the merged plan are incorporated into the Tredegar RSP.

Note 9. Risks and Uncertainties

Due to the transfer of the Plan’s net assets, including its investment securities to the Tredegar RSP in connection with the merger of the Plan, risks associated with holding investment securities, including interest rate, market rate, and credit risks were transferred to the Tredegar RSP and the related participant accounts at that date.

Note 10. Plan Amendments

Effective January 1, 2022, the Plan was amended to change the vesting for employer matching contributions from a 3-year graduated vesting schedule to immediate 100% vesting. The Plan was amended and restated effective May 11, 2022, to comply with cumulative tax laws and regulations and other applicable guidance, collectively known as the Cycle 3 Restatement.
