Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Cement Masons and Plasterers Local 518 Defined Contribution Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Cement Masons and Plasterers Local 518 Defined Contribution Fund as of July 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cement Masons and Plasterers Local 518 Defined Contribution Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cement Masons and Plasterers Local 518 Defined Contribution Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cement Masons and Plasterers Local 518 Defined Contribution Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cement Masons and Plasterers Local 518 Defined Contribution Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of July 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DEFINED CONTRIBUTION FUND
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Cement Masons and Plasterers Local 518 Defined Contribution Fund (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established April 1, 2000, covering local union members of employers with collective bargaining agreements with the Operative Plasterers and Cement Masons Local 518 (the Local). The Plan provides for administration of the Plan by a Board of Trustees equally appointed on behalf of the Employers and the Local. The Plan is subject to the provisions of ERISA, as amended.

Eligibility

An eligible employee automatically becomes a participant on the first day on which an employer contribution is required on their behalf.

Contributions

As provided in the collective bargaining agreements, employers are required to remit contributions to the Plan each month based on hours worked by covered employees during the preceding month. Except for distributions from other qualified defined benefit or contribution plans, the Plan does not allow for employee contributions. Contributions are subject to certain statutory limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the employer's contribution and allocations of Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a collective trust fund as investment options. Contributions are automatically invested in a designated balanced fund until changed by the participant.

Vesting

Participants are immediately vested in employer contributions plus actual net earnings thereon.

Notes Receivable from Participants

Participants with an account balance of \$5,000 or more may borrow from their accounts a maximum equal to the lesser of \$40,000 or 30% of their account balance. Note terms range from three to five years. The loans are secured by the balance in the participant's account and bear interest at a rate set forth in the Plan's loan policy. As of July 31, 2022 and 2021, the interest rates on loans range from 6.25% to 6.75%.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or partial distributions twice per year, subject to a \$5,000 minimum and the rules on minimum distributions. Account balances less than \$1,000 are distributed in a lump-sum amount. Hardship distributions are permitted as defined by the Plan document.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

The Plan considers all highly liquid investments held for current use to be cash equivalents.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of July 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Due From Other Benefit Plans

Amounts due from other benefit plans at year-end represent monies held by the Cement Masons and Plasterers Local 518 Health Care Fund (Health Care Fund) for employer contributions. As of July 31, 2022 and 2021 the Plan was owed \$109,911 and \$-0- from the Health Care Fund, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Employer Contributions and Related Receivable

Contributions due and not paid at year-end are recorded as contributions receivable. Reciprocal contributions receivable is also included with employer contributions receivable. Reciprocal contributions payable are separately recorded as a liability. Contributions are subject to audit, and any delinquent accounts are subject to liquidated damages. The Plan provides an allowance for doubtful collections using the allowance method, which is based on management judgment considering historical information. Delinquent contributions and contributions receivable due to payroll audit findings are individually analyzed for collectability. At July 31, 2022 and 2021, the allowance was \$10,669 and \$7,964, respectively.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through May 15, 2023, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

CEMENT MASONS AND PLASTERERS LOCAL 518
DEFINED CONTRIBUTION FUND
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2022 AND 2021

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Plan management reassessed the information available and determined that the pooled separate account has a readily determinable fair value. Except for the above, there have been no changes in the valuation methodologies used at July 31, 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. These mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at the NAV of units of the collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

2021			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 52,428,199	\$ -	\$ -
Common Collective Trust	-	1,559,306	-
Total	\$ 52,428,199	\$ 1,559,306	\$ -

NOTE 4 ADMINISTRATIVE EXPENSES

Administrative expenses of the Plan during the years ended July 31 were comprised of the following:

	2022	2021
Administrative Fee	\$ 31,021	\$ 28,800
Audit Fees	16,430	15,475
Bank Fees	2,383	2,144

Miscellaneous	9,331	-
Postage	3,158	5,466
Printing	1,950	1,784
Total Administrative Expenses	\$ 134,958	\$ 113,512

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant with an individual account shall have a nonforfeitable right to a share of the assets remaining after providing for the expenses of the Plan.

NOTE 6 TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the trustees by a letter dated January 1, 1987, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 RELATED PARTY TRANSACTIONS

Employer contributions are collected through a lockbox account held by the Health Care Fund. The contributions are transferred to the Plan on a weekly basis.
