INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Halo Network 403(b) ERISA Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Halo Network 403(b) ERISA Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Halo Network 403(b) ERISA Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Halo Network 403(b) ERISA Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Halo Network 403(b) ERISA Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Halo Network 403(b) ERISA Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis is are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information

directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2020 Financial Statements

The accompanying statement of net assets available for benefits of Halo Network 403(b) ERISA Plan as of December 31, 2020 was not audited, reviewed, or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on it.

**HALO NETWORK 403(B) ERISA PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 1. DESCRIPTION OF PLAN

The following is a description of the Halo Network 403(b) ERISA Plan (the “Plan”), which provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

A. GENERAL:

The Plan is a defined contribution plan covering eligible employees of Halo Network, Inc. (the “Organization”). The Plan was originally effective January 1, 2018 and amended and restated July 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Trustees.

B. ELIGIBILITY:

All employees of the Organization (except employees who are nonresident aliens) are immediately eligible to make elective deferrals in the Plan. Employees must complete one year of service in order to participate in employer contributions.

C. CONTRIBUTIONS:

Eligible employees electing to participate in the Plan may contribute between 1% and 100% of their compensation, subject to certain limitations as set forth in section 401(g) of the Internal Revenue Code (the “Code”), into their respective accounts. Effective for the Plan year beginning on January 1, 2022, the Organization will automatically withhold 3% of the employee’s compensation each payroll period and contribute that amount to the Plan as an elective deferral.

The IRS maximum dollar limit for elective deferrals was \$19,500 in 2021. All participants who have attained age 50 by the close of the plan year may elect to make catch-up contributions, subject to certain limitations. There are two different types of 403(b) contributions permitted under the Plan: pre-tax 403(b) contributions and Roth 403(b) contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Organization may elect to make a discretionary non-elective contribution to participants who have completed 1,000 hours of service and are employed at the end of the plan year. The employer contribution is allocated based upon the percentage of compensation or dollar amount per participant. Each eligible participant shall receive an allocation of the employer contribution and such allocation will be based on the participant's classification. There shall be a separate classification for each participant identified by the participant's name. A list of each classification and the associated percentage or dollar amount shall be prepared for each Plan year not later than the time prescribed by law for filing the return for such applicable taxable year (including any extensions), and shall be maintained as part of the administrative records of the Plan. The employer contribution to the Plan is determined at the sole discretion of the Organization not to exceed the maximum amount deductible under all applicable codes. The Organization’s discretionary non-elective contribution for 2021 was \$0.

**HALO NETWORK 403(B) ERISA PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 1. DESCRIPTION OF PLAN (continued)

C. CONTRIBUTIONS (continued):

Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions are automatically invested based on each participant's election. The Plan currently offers various mutual funds and collective trusts as investment options for its participants.

D. PARTICIPANT ACCOUNTS:

Each participant's account is credited with the participant's contributions and as well as allocations of (a) the Company's discretionary non-elective contribution (if any), and (b) Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. VESTING:

Participants are immediately vested in their own contributions plus actual earnings thereon. The Company's discretionary non-elective contributions vest 20% after one year of service and 20% on each of the second, third, fourth and fifth anniversaries thereafter.

F. NOTES RECEIVABLE FROM PARTICIPANTS:

The Plan permits participants to borrow from their pre-tax elective deferral, Roth elective deferral, and rollover accounts. Loans are not available from the matching or profit sharing accounts. The minimum loan is \$1,000 and the maximum loan is equal to the lesser of \$50,000 or 50% of the vested interest of the participant's account balance. Participant loans are secured by the participants' accounts and bear interest at rates ranging from 3.25% to 5.50%. Repayments are required to be made by payroll deductions. The maximum loan term is five years, with exception of loans used to purchase the participant's principal residence, the terms of which may exceed five years.

G. PAYMENT OF BENEFITS:

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or equal installments. If a participant's vested account balance at the time of termination of service is less than \$5,000, the vested account balance will be automatically distributed as soon as administratively feasible after termination of employment. In-service distributions may be made to a participant provided the participant has attained age 59 ½. Under certain circumstances, the Plan may permit hardship withdrawals.

H. FORFEITED ACCOUNTS:

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5 and \$0, respectively. Under the terms of the Plan, forfeited nonvested accounts will be used to reduce future employer contributions and pay plan expenses. Also, in 2021, employer contributions were reduced by \$2,284 from nonvested accounts forfeited during the year.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING:

The financial statements of the Plan are prepared using the accrual basis of accounting.

B. ESTIMATES:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. INVESTMENT VALUATION AND INCOME RECOGNITION:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan gains and losses on investments bought and sold as well as held during the year.

D. PAYMENT OF BENEFITS:

Benefits are recorded when paid.

E. OPERATING EXPENSES:

All expenses of maintaining the Plan are paid by the Company, except for accounting and loan processing fees of \$21,943. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

F. NOTES RECEIVABLE FROM PARTICIPANTS:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

G. COVID-19 PANDEMIC:

The Plan's operations have been affected by the recent and ongoing outbreak of the coronavirus disease 2019 (COVID-19) which in March 2020, was declared a pandemic by the World Health Organization. The ultimate disruption which will be caused by the outbreak is uncertain; and management, at this time, cannot reasonably estimate the amount of impact it will have on the Plan's net assets and changes in net assets. Possible areas that may be affected include, but are not limited to, the possible decline in value of investments owned by the Plan and the possible decline in employer contributions to the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through February 14, 2023 the date the financial statements were available to be issued.

NOTE 3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company, the trustee of the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in markets that are not active.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021:	
	Level 1	Total
Mutual funds	\$ 577,007	\$ 577,007
Total assets at fair value	\$ 577,007	\$ 577,007
	Assets at Fair Value as of December 31, 2020 (Unaudited):	
	Level 1	Total
Mutual funds:	\$ 340,802	\$ 340,802
Total assets at fair value	\$ 340,802	\$ 340,802

NOTE 5. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has undertaken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
