Independent Auditor's Report

Trustees of International Association of Heat and Frost Insulators and Allied Workers Local 7 Mortuary Plan and Trust Fund

We have audited the accompanying financial statements of International Association of Heat and Frost Insulators and Allied Workers Local 7 Mortuary Plan and Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Assets and Net Assets Resulting From Cash Transactions as of December 31, 2021 and 2020, and the related Statements of Revenues, Expenses, and Changes in Net Assets Resulting From Cash Transactions for the years then ended, and the related notes to the financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are required to be independent of International Association of Heat and Frost Insulators and Allied Workers Local 7 Mortuary Plan and Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of the internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Association of Heat and Frost Insulators and Allied Workers Local 7 Mortuary Plan and Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current fund instrument, including all fund amendments, administering the fund, and determining that the fund's transactions that are presented and disclosed in the financial statements are in conformity with the fund's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report

that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Association of Heat and Frost Insulators and Allied Workers Local 7 Mortuary Plan and Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Association of Heat and Frost Insulators and Allied Workers Local 7 Mortuary Plan and Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required By ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Supplemental Schedule of Assets Held at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects the Statements of Assets and Net Assets Resulting From Cash Transactions of International Association of Heat and Frost Insulators and Allied Workers Local 7 Mortuary Plan and Trust Fund as of December 31, 2021 and 2020, and the Statements of Revenues, Expenses, and Changes in Net Assets Resulting From Cash Transactions for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of the Fund

The Plan and Trust Agreement by Local #7 under authority of the International Constitution and By-Laws. The Fund provides for benefits to designated beneficiaries of participants. Participation is limited to active and retired members of Local #7 who shall be assessed and contribute to the Trust Fund twenty dollars each upon the death of a brother participating member. Benefits paid beneficiaries shall be the amounts collected upon the death of the participating member. The Mortuary Plan and Trust Agreement shall continue until terminated by a two-thirds vote of the participating members of Local #7, or upon the complete discontinuance of contributions by participating members. In the event of termination, the trustees shall continue to administer the Trust Fund until it has been completely distributed, at which time this Trust Agreement shall terminate. After termination, the trustees shall continue to process applications and direct the payment of benefits, in amounts reasonably expected to cover funeral and burial expenses of deceased participating members, until the Trust Fund has been completely distributed.

Basis of Accounting

The books and records of the Fund are prepared on the cash basis of accounting, which is a special purpose framework other than accounting principles generally accepted in the United States of America (GAAP). The basis of presentation differs from GAAP in that certain revenues are recognized when received rather than earned and certain expenses are recognized when paid rather than when the obligation is incurred. Specifically, the variances from GAAP include omission of accrual of contribution income and omission of accrual for expense obligations at year end. Such variances are presumed to be material. The accompanying financial statements are not intended to present the financial position and results of operations in conformity with accounting principles generally accepted in the United States of America..

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of bank deposits, time deposits, and money market funds. Cash equivalents are primarily highly liquid investments with original maturities of less than three months at the time of purchase and are recorded at cost, which approximates fair value.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The United States Treasury Department advised in a letter dated October 20, 1977 that the Fund is exempt from Federal income taxes under Section 501(c)(5) of the Internal Revenue Code.

Concentration of Credit Risk

The Fund's assets consist primarily of financial instruments including cash equivalents and mutual funds. The financial instruments may be subject the Fund to concentrations of risk as, from time to time, cash balances exceed amounts insured by the FDIC, market value of securities are dependent on the ability of the issuer to honor its contractual commitments, and the investments are subject to changes in market values.

Subsequent Events

The Fund evaluated subsequent events through the date that the financial statements were available to be issued. The Fund is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to April 1, 2022 that would have a material impact on the financial statements.
