INDEPENDENT AUDITORS' REPORT

To the Plan Administrative Committee of
the United Tile/Sonoma Tilemakers 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of United Tile/Sonoma Tilemakers 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the United Tile/Sonoma Tilemakers 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of United Tile/Sonoma Tilemakers 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Tile/Sonoma Tilemakers 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Tile/Sonoma Tilemakers 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Tile/Sonoma Tilemakers 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of assets (held at end of year), as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrative Committee of
the United Tile/Sonoma Tilemakers 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statements (the "2020 financial statements").

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the 2020 financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information as of December 31, 2020 summarized in *Note 4*, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2020 financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

UNITED TILE/SONOMA TILEMAKERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the United Tile/Sonoma Tilemakers 401(k) Plan (the “Plan”) provides general information only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – Established in 2000, the Plan is a defined contribution plan covering all eligible employees meeting certain length of service requirements of United Tile Co. Inc. and its wholly and partially owned subsidiaries, United Tile Corp. and Sonoma Tilemakers, Inc., (collectively the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Company functions as the Plan sponsor and is responsible for the control and management of Plan operations and administration. The Board of Directors is responsible for oversight of the Plan including monitoring investment performance and reviewing investment offerings.

The Plan was amended and restated effective July 1, 2020 to eliminate the safe harbor matching employer contribution and replace it with a discretionary matching employer contribution.

Participation – Employees of the Company are eligible to participate for purposes of salary deferrals upon completing one year and at least 1,000 hours service.

Contributions – Generally, participants may make deferral elective contributions of up to 60% of their pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations of \$19,500 for the year ended December 31, 2021, and non-discrimination tests required by the Internal Revenue Service. Participants age 50 and older may make additional catch-up contributions not to exceed \$6,500 during the year ended December 31, 2021. Participants may also rollover pre-tax monies representing distributions from other qualified defined benefit or contribution plans into the Plan.

For the year ended December 31, 2021, , the Company did not make a discretionary matching employer contribution.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan (continued)

Participant accounts – A separate account is maintained for each participant which records the participant's contributions, the Company's safe harbor matching employer contributions and discretionary matching employer contributions, account earnings and an allocation of Plan expenses. Allocation of Plan earnings is based upon participant account balances. Employer contributions are allocated based on the participant's eligible compensation deferred into the Plan. The benefit to which a participant is entitled is the vested amount in their individual account. Participants may invest in various mutual funds and a self-directed brokerage account.

Vesting – Participants are immediately vested in their voluntary contributions and safe harbor matching employer contributions plus actual earnings thereon. Discretionary matching employer contributions and actual earnings thereon vest as follows, as defined by the Plan:

<u>Years of credited service</u>	<u>Vested interest</u>
0	0%
1	0%
2	20%
3	40%
4	60%
5	100%
6	100%

Participants that are employed by the Company upon death, total and permanent disability or retirement become immediately 100% vested.

Payments of benefits – Upon termination of employment, retirement, death, or disability, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to keep their account in the Plan until a future date. The Plan further provides for hardship distributions. Hardship distributions are only available for the purpose of meeting immediate and heavy financial needs and require the participant to have exhausted all other available resources prior to obtaining a hardship withdrawal. Upon termination of employment, a participant may receive a lump sum amount equal to their vested account balance.

Forfeited accounts – Upon a participant's termination, the unvested portion of the participant's discretionary matching employer contributions is forfeited. Forfeitures may be used to pay Plan expenses or reduce employer contributions. Non-allocated forfeited non-vested account balances amounted to \$3,711 and \$1,888 as of December 31, 2021 and 2020, respectively.

1. Description of Plan (continued)

Investment options – Upon enrollment in the Plan, a participant may direct employee and employer matching contributions to any of 27 investment options and a self-directed brokerage account offered by Fidelity Management Trust Company. Participants may change their investment options or reallocate their account balances on a daily basis.

2. Summary of significant accounting policies

Basis of accounting – The Plan financial statements and accompanying notes are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of estimates – The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participant at the measurement date. See *Note 3*.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The change in value of investments is recorded by the Plan as appreciation or depreciation in the fair value of investments. Unrealized appreciation or depreciation of the investments is included in current operations and in the change in net assets available for benefits. Net appreciation (depreciation) in the fair value of investments includes management and operating expenses associated with the Plan’s investments in mutual funds.

Contributions – Company and participant contributions are accrued by the Plan in the year in which they are withheld from compensation or become obligations of the Company. It is the employer’s policy to fund currently all amounts due to the Plan.

Payment of benefits – Benefits are recorded when paid.

2. Summary of significant accounting policies (continued)

Administrative fees and investment expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from the financial statements.

Fees and expenses charged to the Plan fall into three basic categories:

- Investment fees are generally assessed as a percentage of assets invested, and are deducted directly from participant investment returns.
- Plan administration fees covering the day-to-day expenses of the Plan for services such as recordkeeping, accounting, legal and trustee services are deducted directly from investment returns or from participant accounts as a recordkeeping fee.
- Transaction-based fees associated with optional services offered under the Plan are charged directly to the participant utilizing the optional service.

Investment fees are included in net appreciation or depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

3. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (“ASC”) Topic No. 820, *Fair Value Measurements*, are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in active markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

UNITED TILE/SONOMA TILEMAKERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

3. Fair value measurements (continued)

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in methodology used as of December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage account – The underlying investments, which consist primarily of cash, exchange-traded funds, mutual funds, and individual corporate common stocks, are valued at the closing price reported on the active market on which the individual securities are traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total

Net appreciation in fair value of investments	\$ 1,270,886	N/A
Interest and dividends	\$ 870,389	N/A

5. Related party transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of mutual funds.

The Company pays directly for certain expenses related to the Plan's operations.

The plan administrator is a shareholder and officer of the Company and participates in the Plan.

NOTES TO FINANCIAL STATEMENTS

6. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the Plan's statements of net assets available for benefits.

The following schedule presents investment securities held by the Plan that represent 10% or more of the Plan's net assets as December 31:

	2021	2020
Vanguard Institutional Trust 2030	\$ 2,436,934	\$ —
Fidelity Blue Chip Growth Fund	\$ 2,394,167	\$ 1,918,550
Fidelity Mid-Cap Stock Fund	\$ 1,764,924	\$ 1,433,045
Vanguard Institutional Trust Income Fund	\$ 1,529,379	\$ —
Fidelity Brokeragelink	\$ 1,235,027	\$ 1,222,036
Vanguard Target Retirement 2030 Fund Investor Shares	\$ —	\$ 2,044,731
Vanguard Target Retirement 2025 Fund Investor Shares	\$ —	\$ 1,326,077

7. Tax status

The Internal Revenue Service ("IRS") has determined and informed Fidelity Management & Research Company, a volume submitter of a Profit Sharing Plan with CODA, by a letter dated March 31, 2014, that the Plan, a Fidelity Volume Submitter defined contribution plan, and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there was no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. As of December 31, 2021, the Plan's tax years ended December 31, 2018 and forward remain subject to examination by the IRS.

NOTES TO FINANCIAL STATEMENTS

8. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in the employer contributions.

9. Subsequent events

In early 2020, the effects of the world-wide coronavirus pandemic (“COVID-19”) resulted in serious negative impacts on businesses in all sectors of the U.S. economy which is expected to last through at least December 31, 2022. The Plan’s management is closely monitoring the situation and is actively working to minimize the current and future impacts of this unprecedented situation. The long-term economic and business consequences on the Plan resulting from COVID-19 remain unknown.

The Plan was amended and restated effective March 18, 2022 to reinstate a safe harbor matching employer contribution.

CARES Act – In March 2020, the U.S. Congress passed the Coronavirus Aid Relief and Economic Security Act (the “CARES Act”), as subsequently modified and amended, in an effort to protect individuals and businesses from the economic impact of the COVID-19 pandemic. The legislation provided certain provisions to defined contribution plans relating to participant distributions and participant loans. The CARES Act allows for utilization of these provisions immediately, but requires formal adoption of the amendment no later than the last day of the plan year beginning on or after January 1, 2022. As of July 26, 2022, the Plan has not been formally amended to adopt these provisions.

The Plan has evaluated subsequent events through July 26, 2022, the date the financial statements were available to be issued.
