As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Saint Louis Brewery, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Saint Louis Brewery, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Saint Louis Brewery, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Saint Louis Brewery, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following brief description of The Saint Louis Brewery, LLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan is a defined contribution plan covering substantially all full-time, non-union employees of The Saint Louis Brewery, LLC (the "Company") who meet eligibility requirements. Participants are eligible to participate in the Plan if they have completed one year of service and are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants in the Plan may elect for any calendar year to contribute on a pretax basis, up to the lesser of the maximum amount permitted under Section 402(g) of the Internal Revenue Code of 1986 (\$19,500 for 2021 and 2020) as adjusted by a cost of living factor each year or 100 percent of their annual compensation. In addition, certain participants are allowed to contribute an additional amount (\$6,500 for 2021 and 2020) to the Plan as allowed by the catch-up rules. Contributions are subject to certain limitations.

The employer may make non-elective contributions permitted at the discretion of the Company. Discretionary contributions of \$37,724 and \$25,973 were made for the years ended December 31, 2021 and 2020, respectively.

Participant accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Company's matching and discretionary contributions, and (c) Plan earnings and appreciation. Each participant's account is charged with (a) any withdrawals or distributions, (b) Plan losses and depreciation, and (c) an allocation of administrative and investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See independent auditors' report.

THE SAINT LOUIS BREWERY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN - CONTINUED

Vesting

Participants are always 100 percent vested in their contributions.

Participants' vested interest in employer contributions is determined under the following schedule and is based on vesting years of service:

Years of service	Percentage
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants are also fully vested in employer contributions upon the attainment of normal retirement age, retirement due to disability, death, or the termination of the Plan.

The Plan has the option to elect "safe harbor" status annually upon satisfaction of employee notice requirements. Participants are always 100 percent vested in any employer safe harbor contributions.

Forfeited accounts

If a participant forfeits any unvested balances in their account, the forfeited amount is used to reduce future employer contributions or pay administrative expenses. Forfeited, non-vested accounts, totaled \$1,066 and \$517 for the years ended December 31, 2021 and 2020, respectively. These balances will be used to pay administrative expenses or to reduce employer matching contributions.

Forfeited, non-vested accounts, used to reduce administrative expenses was \$6,364 for the year ended December 31, 2021.

No amount of forfeited, non-vested accounts, was used to reduce employer matching contributions for the year ended December 31, 2021.

Participant loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates of 5.00 percent, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

See independent auditors' report.

THE SAINT LOUIS BREWERY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN - CONTINUED

Payment of benefits

On termination of service due to death, disability, early retirement, normal retirement or other termination of employment a participant may elect to receive a lump-sum amount equal to the value of the participant's account. The Plan allows for hardship withdrawals, as defined.

Payment of administrative expenses

Administrative expenses pertaining to the Plan are paid by the Plan. Loan and distribution processing charges are paid by the respective participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments valuation and recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Net appreciation or depreciation in the fair value of investments includes both realized and unrealized appreciation, including those investments bought and sold during the year.

Payment of benefits

Benefits are recorded when paid.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits.

	2021			
	Fair Value Measurement Using:			
	Fair Value	Level 1	Level 2	Level 3
Registered investment companies	\$ 3,337,826	\$ 3,337,826	\$ -	\$ -
Cash	12,868	12,868	-	-
Total assets at fair value	\$ 3,350,694	\$ 3,350,694	\$ -	\$ -

	2020			
	Fair Value Measurement Using:			
	Fair Value	Level 1	Level 2	Level 3
Registered investment companies	\$ 2,681,457	\$ 2,681,457	\$ -	\$ -
Total assets at fair value	\$ 2,681,457	\$ 2,681,457	\$ -	\$ -

FASB ASC 820-10, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

Level 1 inputs are quoted prices in active markets on the actual asset being valued. An active market has sufficient transaction activity to provide pricing information on an ongoing basis.

See independent auditors' report.

THE SAINT LOUIS BREWERY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Fair Value Measurements

Level 2 inputs are those other than quoted prices in Level 1 that are observable and include the following: quoted prices on similar assets in active markets; quoted prices for identical or similar assets in markets that are not active; observable inputs other than quoted prices such as yield curves, volatilities, prepayment speeds; or inputs derived principally or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements

Level 3 inputs are unobservable inputs for the asset reflecting internal assumptions used to arrive at an estimate or exit price. Those inputs are based on the best information available in the circumstances.

4. TAX STATUS

The Internal Revenue Service has determined that the Plan meets the requirements of Section 401(a) of the Internal Revenue Code and is exempt from federal tax under Section 501(a) of the Code.

The Plan continually evaluates expiring statutes of limitations, audits, changes in tax laws and new authoritative rulings. The Plan files an annual return in the U.S. federal jurisdiction. U.S. federal returns prior to 2018 are closed.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were sponsored by AdvisorTrust, Inc. These trustee transactions, as defined by the Plan, qualify as party-in-interest transactions.

Third party administration services were provided by Professional Capital Services, LLC, considered a party-in-interest.

Investment advisory services were provided by Diversified Financial Services, considered a party-in-interest.

Attestation services were provided by Conner Ash P.C., considered a party-in-interest.

7. RISKS AND UNCERTAINTIES

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

8. PLAN TERMINATION

While it is the Company's intention to continue the Plan indefinitely, it has the right to terminate or amend the Plan at any time. No amendment, however, may permit any part of the assets of the Plan, other than those required to pay taxes and administrative expenses, to be used for any purpose other than for the exclusive benefit of the participants.

9. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has certain investments in a benefit-responsive investment contract with RTC MetLife Stable Value Fund, Series 25053 (RTC SVF). RTC SVF maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The guaranteed investment contract is fully benefit-responsive. The contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

See independent auditors' report.

THE SAINT LOUIS BREWERY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

9. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - CONTINUED

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts was \$204,792 and \$174,284 as of December 31, 2021 and 2020, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

The existence of certain conditions can limit the Plan's ability to transact at contract value with the issuer of its investment contracts. Such conditions include events outside the normal operation of the Plan that cause a withdrawal from an investment contract may result in a negative market value adjustment with respect to the withdrawal. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 11, 2022, the date on which the financial statements were available to be issued.

See independent auditors' report.
