Independent Auditor's Report

**To the Plan Administrator of the
Denver Children's Home 403(b) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Denver Children's Home 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Denver Children's Home 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**To the Plan Administrator of the
Denver Children's Home 403(b) Plan**

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Denver Children's Home 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Denver Children's Home 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Denver Children's Home 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

**To the Plan Administrator of the
Denver Children's Home 403(b) Plan**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of and for the year ended September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

**To the Plan Administrator of the
Denver Children's Home 403(b) Plan**

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Denver Children's Home 403(b) Plan, which comprise their statement of net assets available for benefits as of September 30, 2021, and the statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Matrix Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of September 30, 2021, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements. Accordingly, we do not express an opinion on the 2021 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2021 Financial Statements

The form and content of the information included in the 2021 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America, and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Denver Children's Home 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of and for the year ended September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

**To the Plan Administrator of the
Denver Children's Home 403(b) Plan**

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Denver Children's Home 403(b) Plan, which comprise their statement of net assets available for benefits as of September 30, 2021, and the statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Matrix Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of September 30, 2021, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements. Accordingly, we do not express an opinion on the 2021 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2021 Financial Statements

The form and content of the information included in the 2021 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America, and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974.

Denver Children's Home 403(b) Plan

Notes to Financial Statements

September 30, 2022 and 2021

(1) General Description of the Plan

The following description of the Denver Children's Home 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a 403(b) defined contribution plan that covers all employees of Denver Children's Home (the Home) who are residents, non-students, and work over 20 hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Eligible employees may begin to participate in the Plan with elective deferral contributions on the first day of the month coinciding with the date in which they meet eligibility requirements. Participants may change their elective deferral quarterly and may contribute to the Plan the maximum amount allowed by law. Participants who have attained age 50 during a calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans as rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty-five investment options for participants. An employee becomes eligible for employer contributions after one year of service totaling at least 1,000 service hours and attaining the age of 21. The Home may make discretionary contributions on behalf of participants in any amount up to maximum that is allowable by law. During 2022, the Home contributed 4.61% of 2022 salaries for eligible employees. The employer contributions are invested in the portfolio of investments as directed by the participant. No discretionary contributions were made in 2021.

(c) Participant Accounts

Each participant's account is credited with the participant's, Home's, and rollover contributions and participant earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. If a participant terminates employment, the participant may elect to receive a distribution of some or all of the participant's vested account balance.

(d) Vesting

Participants are immediately vested in their pre-tax deferrals and income earned thereon. Vesting in the employer's contribution portion of their accounts is based upon years of service, and are subject to a modified ERISA schedule where employees become fully vested after five years.

(e) Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested account balance. A participant can have two loans outstanding at one time. The loans are issued directly from and secured by a participant's vested account balance. All loans bear a reasonable interest rate, established by Digital Retirement Solutions, Inc. (DRS), which are commensurate with the prevailing interest rates charged on similar loans under like circumstances by persons in the business of lending money. During 2022 and 2021, the interest rate was 5.75%. Loans require at least quarterly payments under a level amortization schedule over a period not exceeding five years, except in the purchase of a primary residence, in which case, the term is up to ten years. Total loans outstanding at September 30, 2022 and 2021 were \$0 and \$1,181, respectively.

(1) General Description of the Plan, Continued

(f) Payment of Benefits

On termination of service due to death, a single lump-sum cash payment or annuity option will be made to the participant's designated beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, an annuity option or a direct rollover to an individual retirement account or to another employer's tax qualified plan. For termination of service due to other reasons, a participant whose vested account balance is greater than \$5,000 can withdraw all or part of the vested account in a single sum, or can generally leave all or part of the vested account in the Plan and defer receipt of the benefit. If a participant's vested account balance is \$5,000 or less, the participant will receive a single-sum payment at termination of employment. Participants who are age 59½ and still employed by the Home may withdraw all or a portion of their respective account balance.

(g) Forfeited Accounts

For the years ended September 30, 2022 and 2021, forfeitures of non-vested accounts totaled \$1,817 and \$2,414, respectively. Forfeitures are used to pay certain Plan expenses and to reduce the Home's contributions to the Plan.

(h) Expenses

Plan administration fees are paid from the assets of the Plan. Expenses are allocated among all Plan participants or charged directly against individual account balances. Fees charged directly to individual account balances include general recordkeeping fees and expenses related to processing distributions or loans, qualified domestic relations orders, and directing the investment of the participant's account balance. Total fees for the years ended September 30, 2022 and 2021 were \$3,387 and \$2,631, respectively.

(i) Hardship Distributions

The Plan permits the withdrawal of a hardship distribution by a participant to satisfy immediate and heavy financial needs. A hardship distribution may be made only for certain needs, including medical expenses, costs related to the purchase of a principal residence, costs to prevent eviction from a principal residence, burial or funeral expenses, expenses for the repair of damage to a participant's personal residence, Federal, state, or local income taxes or penalties anticipated to result from a hardship distribution, or certain educational expenses for post-secondary education. Furthermore, the distribution cannot be in excess of the amount of the participant's immediate and heavy financial need. The distribution can be made only from the participant's salary deferrals (including catch-up contributions).

(2) Summary of Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Denver Children's Home 403(b) Plan

Notes to Financial Statements, Continued

(2) Summary of Accounting Policies, Continued

(c) Investments

Investments are reported at fair value. Fair value is determined as more fully described in note 2(d). The market values for investments represent the Plan's pro-rata interest in the net assets of each investment and are based on the fair value of the underlying assets.

These investments are not publicly traded on national security market exchanges, and may be valued differently than if readily available markets existed for such investments. Management is responsible for the fair value measurement of investments reported in the financial statements and believes that the reported values are reasonable.

Investment return consists of the Plan's distributive share of any interest, dividends, capital gains and losses, generated from investments, as well as the change in fair value of the investments. Gains and losses attributable to investments are realized and reported upon a sales or disposition of the investments. Unrealized gains and losses are included in the change in net assets available for benefits.

(d) Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP establishes a fair value hierarchy that prioritizes investments based on the assumptions market participants would use when pricing an asset. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). The Plan groups assets at fair value in three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. In addition, the Plan reports certain investments using the "practical expedient" method. The practical expedient allows net asset value per share or its equivalent to represent fair value for reporting purposes when the criteria for using this method are met. Investments valued using net asset value per share or its equivalent are not categorized within the hierarchy.

These levels are:

Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

Level 2 Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 Unobservable inputs that cannot be corroborated by observable market data.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. These classifications (Level 1, 2 and 3) are intended to reflect the observability of inputs used in the valuation of investments and are not necessarily an indication of risk or liquidity.

Denver Children's Home 403(b) Plan
Notes to Financial Statements, Continued

(2) Summary of Accounting Policies, Continued

(d) Fair Value Measurements, Continued

Market price is affected by a number of factors, including the type of instrument and the characteristics specific to the instrument, as well as the effects of market, interest and credit risk. Instruments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. It is reasonably possible that change in values of these instruments will occur in the near term and that such changes could materially affect amounts reported in the Plan's financial statements.

(e) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participant loans are placed on nonaccrual status at the time a participant terminates employment and makes no further payments on the loan. A participant loan is considered delinquent when payments are ninety days past due, at which time the entire balance of principal and interest is due. A terminated employee is required to repay the entire balance of principal and interest within sixty days of termination. If unpaid, these participant loans for terminated participants are reclassified as distributions based upon terms of the Plan document; therefore there is no allowance for doubtful accounts. At September 30, 2022 and 2021, all notes receivables from participants are current.

(f) Payment of Benefits

Benefits are recorded when paid.

(g) Participant Accounting Records

The Plan's third party administrator, DRS, maintains individual participants' accounting records. Contributions and income are allocated by the custodian to the participants' accounts on a daily basis, and statements are prepared and sent to all participants quarterly.

(h) Subsequent Events

Management has evaluated subsequent events through February 24, 2023, the date the financial statements were available to be issued.

(3) Plan Termination

Although it has not expressed any intent to do so, the Home has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

(4) Tax Status

The Plan has been informed by its contract administrator that the adopted volume submitter 403(b) plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since its adoption. The Home is of the opinion that the Plan is currently being operated as, and fulfills the applicable requirements of a qualified plan. Accordingly, no provision for federal and states taxes has been provided.

Denver Children's Home 403(b) Plan
Notes to Financial Statements, Continued

(4) Tax Status, Continued

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements and determined there are none. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan files Form 5500, and generally the three previous tax years remain subject to examination.

(5) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(6) Investments

The following table summarizes, with the exception of those investments valued using net asset value per share (or its equivalent), the valuation of the Plan's investments by the above fair value hierarchy levels of September 30, 2022:

(6) Investments, Continued

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient, which is a reasonable estimate of fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of assets available for benefits.

Level 1 assets have been valued using a market approach. Other investments are measured at the net asset value (NAV) per share as reported by the investment manager or sponsor as a practical expedient. There were no changes in the valuation techniques during the current year.

The following table summarizes the significant information related to investments valued at net asset value as of September 30:

Category	Fair Value		Unfunded	Redemption	Notice
	2022	2021	Commitments	Frequency	Period
International equity funds	\$ 263,452	322,850	N/A	Daily	1 day
Large cap equity funds	182,859	275,218	N/A	Daily	1 day
Balanced funds	60,912	67,072	N/A	Daily	1 day
Bond funds	20,431	16,172	N/A	Daily	1 day
Target date funds	424,197	482,698	N/A	Daily	1 day

Investments measured at NAV are invested in underlying funds that primarily consist of equity securities, fixed income instruments, and other mutual funds. Investments are valued daily and can be redeemed with a one-day notice period.

(7) Financial Data Certified by the Plan Trustee

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan trustee has certified all financial data from which the Plan investment balances and activities reported on the statement of net assets available for benefits, the statement of changes in net assets available for benefits, and the supplemental schedule of assets held for investment purposes have been prepared.
