Independent Auditors' Report

The Plan Administrator and Plan Participants
ELEVATE ENT PARTNERS, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of ELEVATE ENT PARTNERS, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical

requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020

financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ELEVATE ENT PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Plan Description

The following description of the ELEVATE ENT PARTNERS, LLC 401(k) Plan (The Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan, formerly known as the ENT MSO, LLC 401(k) Plan, adopted an amendment to change its name, effective May 1, 2021.

(a) General

The Plan is a Safe Harbor 401(k) Profit Sharing Plan covering all employees of ELEVATE ENT PARTNERS, LLC (the Company or the Plan sponsor) who are age 21 or older, and that have completed one year of service. The participant will be credited with a year of service at the end of the 12-month period beginning on the date of hire of the participant if the participant has been credited with at least 1,000 hours of service during such period. The Plan adopted an amendment, effective May 1, 2021, that changed the service requirement to two months.

The Plan's effective date is March 4, 2019. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and the Internal Revenue Code. The Company has medical offices in Miami-Dade, Broward, and Palm Beach Counties.

Effective April 20, 2020, the Plan was operationally amended to implement certain changes provided for under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), including allowing certain eligible individuals to (a) receive coronavirus-related distributions, (b) temporarily suspend required minimum distributions, and (c) delay certain participant note repayments for up to one year.

Written amendments to the Plan to incorporate these operational changes will be adopted in accordance with applicable law and IRS regulations.

(b) Employee Contributions

Participants contribute through biweekly payroll deductions using a percentage of their wages and bonuses (up to 100% of wages, including bonuses) or a fixed dollar amount, subject to certain limitations. These deductions may change as often as each pay period by submitting to the Company a contribution election form, an email communication submitted to the Company, or online on the investment company's website. Participants direct the investment of their contributions into various investment options offered by the Plan.

A participant may roll over into this Plan a distribution that qualifies as an "eligible rollover distribution" under Internal Revenue Code (IRC) Section 402(c)(4). An "eligible rollover distribution" can only be made from a 401(k) plan, IRA, or annuity (IRA).

Employee contributions limitations, as contained in Sections 402(g), 404, and 415 of the Internal Revenue Code, were \$19,500 for 2021, exclusive of catchup contributions. Participants who have attained the age of 50 by the end of the plan year may make additional (catchup) contributions, limited to \$6,500 for 2021.

(c) Employer Safe Harbor Contributions

Each year, the Company will make a Safe Harbor Nonelective Contribution to the account of each eligible participant in an amount equal to 3% of the participant's compensation for the plan year.

ELEVATE ENT PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(d) Employer Profit Sharing Contributions

In addition to the Safe Harbor Contribution, the Company's board of directors may elect to make a discretionary profit-sharing contribution to the Plan. These contributions, if made for a plan year, will be allocated among three different groups: physicians, executives, and all other eligible employees.

For each plan year, the Company may contribute to the Plan on behalf of each of the groups of participants such amount as shall be determined by the Company. The Company shall provide the plan administrator with written notification of the amount of the contribution to be allocated to each group. For the year ended December 31, 2021, the Company elected to contribute an additional discretionary 2% of compensation to all other eligible employees at each care center. The physician profit sharing is at the discretion of the care center. The Company's total discretionary profit-sharing contribution amounted to \$2,160,899 for the year ended December 31, 2021.

(e) Participant Accounts

Each participant's account is credited with participant's contribution and allocations of the Company's contribution and Plan earnings and losses. Additionally, all participants are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit provided by the participant's vested account balance.

(f) Vesting

Participants are vested immediately in their contributions and the employer's Safe Harbor nonelective contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested for contributions attributable to the employer's contribution after six years of credited service, (each year defined as 1,000 hours of service). Additionally, a participant is 100% vested if he or she is employed on or after the normal retirement age of 65 years as defined by the Plan.

The following is the vesting schedule under the provisions of the Plan:

Years of service	Vesting percentage
Less than 2	— %
2	20
3	40
4	60
5	80
6	100

Additionally, any individual who participated in the previous South Florida ENT Associates 401K Plan and is an active participant in the Plan is 100% vested in the Plan.

ELEVATE ENT PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(g) Investment Options

Upon enrollment in the Plan, each participant may direct the investments of all their contributions as well as account balances into investment funds offered by the plan. Participants may change their investment options on a daily basis.

If participants do not direct the investment of their applicable Plan accounts, the accounts will be invested in accordance with the default investment alternatives established under the Plan. These default investments will be made in accordance with specific rules under which the fiduciaries of the Plan, including the employer, the trustee, and the plan administrator, will be relieved of any legal liability for any losses resulting from the default investments. The plan administrator provides participants with a separate notice, which details these default investments and their rights to switch out of the default investment if they so desire.

(h) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Applications for a loan must be made in writing and approved by the plan administrator. The loans are secured by the balance in the participant's vested account. Prior to May 1, 2021, the loan interest rate was determined by the Branch Banking & Trust Prime Rate published on the date of the loan application plus 1%. Effective May 1, 2021, the loan interest rate is determined using the prime rate published by the Wall Street Journal on the date of the loan application plus 1%. Principal and interest is paid ratably through biweekly payroll deductions.

(i) Payment of Benefits

Upon termination of service, a participant can elect to receive his or her account balance, either as a lump-sum amount, in installments, or through optional forms of annuity-type payments. Other benefits available to participants include in-service withdrawals and withdrawals on account of death, disability, and hardship.

(j) Forfeited Accounts

Forfeitures of the nonvested account balances may be used by the employer to reduce future Safe Harbor contributions and reduce plan expenses. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$44,463 and \$20,396 respectively. For the year ended December 31, 2021, employee forfeitures amounted to \$43,467. Also, in 2021, plan expenses were reduced by \$19,400, from forfeited nonvested accounts.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

ELEVATE ENT PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(b) Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures of assets and liabilities, the disclosure of contingencies at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Accordingly, actual results may differ from those estimates.

(c) Contributions

Employee contributions are recorded in the period during which the Company makes payroll deductions from the plan participants' earnings. Participants direct how contributions and rollovers are to be allocated between investment funds offered by the Plan.

(d) Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and other expenses are allocated ratably to each participant's account balance. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

(e) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(f) Payments of Benefits

Benefits are recorded when paid.

(g) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

(3) Information Certified by the Plan's Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees of the Plan, Ascensus, as agent for Ascensus Trust Company, (Ascensus) and Branch Banking & Trust Company (BB&T), have certified the completeness and accuracy of certain information reflected in the accompanying financial statements and supplemental schedule. BB&T has certified the completeness and accuracy of all investments and notes receivable from participants held at December 31, 2020 and net

appreciation in fair value of investments, dividends, and interest income on notes receivable from participants, for the period January 1 to February 28, 2021 and for the year ended December 31, 2020. Ascensus has certified the completeness and accuracy of all notes receivable from participants and \$45,344 of investments held at December 31, 2021, as well as all net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants, for the period March 1 to December 31, 2021.

As described in note 10, the Plan changed trustee from Ascensus to Fidelity Investments (Fidelity), effective January 1, 2022. On December 31, 2021, \$607,210 of investment holdings were transferred from Ascensus to Fidelity and \$22,052,629 of investment holdings were liquidated by Ascensus in anticipation of the transition to Fidelity and are held as noninterest-bearing cash at December 31, 2021. These balances have not been certified by trustees as of December 31, 2021.

(4) Related Parties and Parties in Interest

Ascensus is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Ascensus for administrative expenses amounted to approximately \$45,000 for the year ended December 31, 2021.

The previous trustee of the plan was Branch Banking & Trust Company until March 1, 2021. Fees paid to the Plan to Branch Banking & Trust Company for administrative expenses amounted to approximately \$5,000 for the period from January 1, 2021 to March 31, 2021.

In addition, see note 9 for discussion of agreements with investment advisors.

(5) Tax Status

On March 4, 2019, the Plan adopted a Defined Contribution Prototype Plan sponsored by Branch Banking & Trust Company, which had received a favorable opinion letter from the IRS, dated March 31, 2014, which stated that the Prototype Plan and related trust are designed in accordance with applicable Sections of the Internal Revenue Code. Effective May 1, 2021, the Plan transferred to an Ascensus pre-approved profit sharing plan with CODA, which also received an opinion letter in which the IRS stated that the form of the plan was in compliance with the applicable requirements of the IRC. The Company has not applied for the Plan's individual determination letter; however, the plan administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the requirements of Section 401 (a) of the Internal Revenue Code and, as such, is exempt from federal income tax. Therefore, no provision for income taxes has been made.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal taxing authorities. There are no uncertain tax positions as of December 31, 2021 and 2020. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in

ELEVATE ENT PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(7) Fair Value of Financial Instruments

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practicable to estimate that value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is a readily determinable fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes to Financial Statements

(8) Retirement Plan Service Agreement

On March 1, 2021, the Plan entered into a Retirement Plan Service Agreement (the Agreement) with Ascensus to provide individual recordkeeping services for each participant. Under the Agreement, participants have the option to invest in a specified list of mutual funds and the collective trust fund. The Agreement can be terminated by either party, subject to certain provisions. The Plan previously had a Retirement Service Agreement with Branch Banking & Trust Company.

On December 14, 2021, the Plan entered into a Service Agreement with Fidelity Workplace Services to provide recordkeeping and investment advisory services for the Plan, effective January 1, 2022.

(9) Investment Advisory Agreements

On May 8, 2019, the Plan entered into an Investment Advisory Agreement (the Investment Agreement) with ProNvest, Inc. to provide retirement planning advice and investment education to participants. Under the Investment Agreement, ProNvest, Inc. will be paid an annual fee in the amount of six tenths of one percent (0.60%) of the market value of the securities in each participant's account, not to exceed \$5,000 per year. This fee is charged quarterly in arrears (0.15% each quarter) based on the fair market value of the securities in the participant's account on the last business day of the quarter. The Investment Agreement can be terminated by either party, subject to certain provisions. Fees paid by the Plan for investment advisory expenses amounted to approximately \$19,000 for the year ended December 31, 2021.
