INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustee of
HMG+ 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of HMG+ 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i: Schedule of Assets (held at end of year) and Schedule H, Part IV, Line 4a: Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2020 Financial Statements

Plan management is responsible for the accompanying financial statement of HMG+ 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2020. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on this financial statement.

NOTE 1 DESCRIPTION OF PLAN

General

The following description of the HMG+ 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established effective January 1, 2020. The Plan was amended and restated effective January 1, 2022 to replace the corporate trustee with Vestwell Trust Company.

Eligibility

The Plan covers all full-time employees of MDKD Associates, Inc. (referred to as the "Company" or the "Plan Sponsor") who are eligible to participate in the plan.

For elective deferral contributions, safe harbor matching contributions, and profit-sharing contributions all full-time employees of the Company are eligible to participate on the first day of the seventh month of the Plan year upon completing 500 service hours or one year of eligibility service and attaining the age of 21 or older.

Participant and Employer Contributions

The Plan provides for employee salary deferrals up to 100% of their eligible annual compensation and not to exceed the amount allowable by the Internal Revenue Code ("IRC") of $19,500 for 2021. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to $6,500 for 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan sponsor will make a matching contribution on behalf of all participants that make an elective deferral contribution to the Plan. The Plan sponsor's safe harbor matching contribution will be equal to (i) 100% of employee contributions but not in excess of 3% of compensation, plus (ii) 50% of the amount of the employee contributions that exceed 3% of compensation but not in excess of 5% of compensation.

The Plan Sponsor may make a discretionary profit-sharing contribution to be allocated to qualifying participants in an amount determined by the Plan sponsor.

The Plan Sponsor may also make additional qualified non-elective contributions for the benefit of participants as determined at the discretion of the Plan Sponsor.

Participant Accounts

Each participant's account is credited with (i) participant's contributions, (ii) employer matching contributions, (iii) employer discretionary profit-sharing contributions (if any), (iv) employer qualified non-elective contributions and (v) allocations of the Plan earnings (losses) on his or her specific investments. Each participant's account is charged with an allocation of administrative expenses, if the employer does not pay such expenses, fees and charges.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts (continued)

The allocation of administrative expenses is based on participant account balances, as defined. The benefit to which a participant is entitled is the amount accumulated in the participant's vested account.

Vesting

Participants are immediately vested in their contributions, the Plan sponsor's safe harbor matching contributions and the Plan sponsor's qualified non-elective contributions plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's profit-sharing contribution portion of their accounts, plus actual earnings (losses) thereon is based on years of continuous service, as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Investment Options

The Plan's investments are held by Matrix Trust Company. Participants direct the investment of their contributions into various investment options approved by the Plan.

Forfeited Accounts

These accounts will be used to reduce future employer contributions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For a participant balance of more than $1,000 but less than $5,000, the balance will be distributed in a lump sum, even if the participant does not consent to a distribution.

In-service withdrawals may be made from a participant's fully vested deferral account at any time upon or after the occurrence of the following events: hardships, as defined in the Plan agreement and the participant's attainment of age 59½.

A participant may also been entitled to a lump sum payment up to $5,000 during a one-year period upon a participant giving birth to a child or a child being legally adopted.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Administrative Expenses

Substantially all administrative expenses are paid by the Plan Sponsor. Expenses that relate solely to a specific participant or alternative payee may be assessed against such participant or alternate payee.

Plan Termination

Although the Company has not expressed any intent to terminate the Plan, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are vested in their entire account balance.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") in compliance with the Accounting Standards Codification ("ASC") of the Financial Accounting Standards Board ("FASB").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Investment Valuation and Income Recognition

Registered investment company (mutual funds): Mutual funds are valued at the daily closing price reported by the fund.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net appreciation or depreciation in the fair value of such investments.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses are paid by the Plan Sponsor.

Subsequent Events

The Plan's management has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

The FASB ASC Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Assets and liabilities measured at fair value are based on one or more of three valuation techniques identified in the table below. The valuation techniques are as follows:

(a) *Market approach.* Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
(b) *Cost approach.* Amount that would be required to replace the service capacity of an asset (replacement cost); and
(c) *Income approach.* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020 (unaudited), respectively:

Fair Value Measurement at December 31, 2021

	Level 1	Level 2	Level 3	Total
Registered investment company - mutual funds	$ 205,274	$ -	$ -	$ 205,274
Investments at fair value	$ 205,274	$ -	$ -	$ 205,274

Fair Value Measurement at December 31, 2020 (Unaudited)

	Level 1	Level 2	Level 3	Total
Registered investment company - mutual funds	$ 92,101	$ -	$ -	$ 92,101
Investments at fair value	$ 92,101	$ -	$ -	$ 92,101

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020 (unaudited), respectively.

Registered investment companies (mutual funds). Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The December 31, 2021 statement of net assets available for benefits, the investment activities included on the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedules were prepared in part or entirely from information certified by Matrix Trust Company, the custodian of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 4 INFORMATION CERTIFIED BY THE PLAN CUSTODIAN (continued)

The information certified is summarized below as of December 31, 2021:

Cash	$	1,773
Mutual funds		205,274
Total investments	$	207,047
Investment income	$	14,372

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services on behalf of the Plan at no cost to the Plan.

The Plan Sponsor pays directly for accounting and most administrative expenses related to the Plan.

NOTE 6 NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

For the year ended December 31, 2021, the Company identified late remittances of participant contributions in the aggregate amount of $5,178. Additionally, the Company identified late remittances of participant contributions in the aggregate amount of $13,750 (unaudited). The late remittances were a result of a service provider processing issue that arose in connection with various payroll periods whereby participant contributions were not remitted to the Plan in a timely manner. The lost earnings of $5 pertaining to the 2021 contributions not remitted timely will be deposited into the Plan in November 2022. The lost earnings pertaining to 2020 contributions not remitted timely were funded and remitted into the Plan by the service provider.

NOTE 7 TAX STATUS

The Plan has adopted a prototype non-standardized plan sponsored by Vestwell Holdings, Inc. Vestwell Holdings, Inc. received an opinion letter from the IRS dated March 14, 2022, which states that the prototype document satisfied the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. No provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
