Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: LARSON & CO

(2) EIN: 87-0516083

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Independent Auditor's Report

To the Investment Committee
Team Karl Malone 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **Team Karl Malone 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements
As of December 31, 2021 and 2020
and for the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the **Team Karl Malone 401(k) Plan** (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

During the year ended December 31, 2021, the Plan changed its name to **Team Karl Malone 401(k) Plan** from Karl Malone Toyota 401(k) Plan.

General

The Plan is a 401(k) Profit Sharing Plan covering employees of M&M Automotive, Inc. (the “Company” or the “Employer”) and its related entities, who have completed ninety days of service and are twenty one years of age or older. Leased employees and employees who are covered by a collective bargaining agreement that does not provide participation in the Plan are not eligible. Eligible employees begin participating in the Plan on the first day of the month coinciding with, or subsequent to, the date the employee meets the eligibility requirements. The Plan is designed to qualify under sections 401(a) and 401(k) of the Internal Revenue Code (the “Code”) as amended and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Investment Committee is responsible for oversight of the Plan. The committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Principal Trust Company (“Principal” or “Trustee”) served as trustee and provided record keeping services for the Plan.

Contributions

Each year, participants may contribute any amount of pretax annual compensation, as defined in the Plan, subject to the maximum amount allowable by the Internal Revenue Service (“IRS”). Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan allows for a safe harbor matching contribution equal to 100% of the first 1% and 50% of the next 5% of participant compensation deferred as an elective deferral. In addition, a nonelective contribution may be contributed at the option of Company management. During the year ended December 31, 2021, the Company did not provide any nonelective contributions to the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s nonelective contribution and (b) the Plan’s earnings or losses. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes to the Financial Statements
As of December 31, 2021 and 2020
and for the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are vested immediately in employee contributions, rollover contributions, and actual earnings thereon. Vesting in the Company's employer matching and nonelective contributions made prior to January 1, 2018 is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Participants are 100% vested in employer safe-harbor matching contributions.

Participants also become 100% vested in employer matching and profit sharing contributions upon death or disability as defined by the Plan or at normal retirement age (65).

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions in any of the investments listed in the accompanying supplemental schedule of assets. Unless limited by restrictions imposed by individual investment options and subject to redemption fees, participants may change their investment options on a daily basis.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. Participants may have one outstanding loan at any time; however, the total outstanding balance of the loans may not exceed the amounts described. Participant loans are secured by the participant's vested balance and bear a reasonable rate of interest. For participants impacted by COVID-19, potential borrowings increased up to \$100,000 or 100% of their vested account balance for withdrawals before December 31, 2020. Additionally, for impacted participants, loan payments due from March 27, 2020 through December 31, 2020 may have been delayed for one year. The interest rates on outstanding notes receivable as of December 31, 2021 and 2020 ranged from **5.25% to 7.5%** and 5.25% to 7.50%, respectively, and maturities ranged from **2022 to 2038** and 2021 to 2038, respectively.

Benefit Payments

Participants may receive the vested portion of their account through a distribution of benefits upon retirement, death, termination of employment, or a qualifying withdrawal. Under certain circumstances, including financial hardship, participants may withdraw the vested portion of their Plan account. Benefit payments are made in a lump sum distribution or rollover contributions to another plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeitures

The non-vested portion of employer contributions and earnings thereon forfeited by participants are held in a separate account and used to reduce future employer contributions or pay Plan expenses. As of the year ended December 31, 2021 and 2020, there were **\$44,808** and \$37,592, respectively, of forfeited contributions available for use by the Plan. Forfeitures used by the Plan were **\$39,222** during the year ended December 31, 2021.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Revenue Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to determine the fair value of shares of registered investment companies. The pooled separate accounts are stated at unit value, which is based on the aggregate fair value of the account in relation to the total number of units outstanding. The investment in investment contract accounts are stated at unit value, which is based on the current fair values of the underlying assets of the fund. The investment contract accounts are also fully-benefit responsive and contract value approximates fair value for these investments. The common/collective trust accounts are stated at unit value, which is based on the aggregate fair value of the account in relation to the total number of units outstanding.

Purchases and sales of investments are recorded on a settlement-date basis. Interest income is recorded on the accrual basis and dividend income is accrued on the ex-dividend date. Net appreciation/ (depreciation) for each year includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

The plan holds fully benefit responsive guaranteed investment contracts. The statement of net assets available for benefits presents the contract value basis for fully benefit responsive investment contracts because that is the amount participants would receive in a transaction. For these contracts, the plan believes contract value equivocates fair value.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Unit Values

Individual participant accounts for pooled separate, investment contract, and common/collective trust accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but have an interest therein represented by units valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Contributions Receivable and Allowance for Doubtful Accounts

Employee contributions which are withheld through payroll deductions and have not been credited to the participant accounts as of the end of the fiscal year are recorded as contributions receivable. An allowance for doubtful accounts is deemed unnecessary and is not provided as of December 31, 2021 and 2020.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged to the participant's account as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments and the plan administrator deems the note receivable to be in default, the note receivable balance is reduced and a benefit payment is recorded. Principal and interest are paid to the Plan through payroll deductions. Notes receivable from participants are exempt party-in-interest transactions. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Benefit Payments

Participants may receive the vested portion of their Plan account through a distribution of benefits upon retirement, death, termination of employment, or a qualifying withdrawal. Under certain circumstances, including financial hardship, participants may withdraw the vested portion of their account balance. Benefit payments are made in a lump sum distribution, rollover contributions to another plan, or annual installments as defined in the plan document.

Administrative Expenses

Expenses related to investment advisory services, management fees, and maintenance of participant accounts are paid by the Plan. Expenses related to Plan administration are paid directly by the Company and are excluded from these financial statements.

COVID-19 Uncertainties

The COVID-19 pandemic could have an impact on the Plan operations going forward. The management of the Plan are unable to predict the ultimate impact at this time.

Notes to the Financial Statements
As of December 31, 2021 and 2020
and for the Year Ended December 31, 2021

3. TAX STATUS

The Plan obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "Code"). The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

During the year ended December 31, 2021, the Plan experienced certain operational and administrative issues during the plan year that, if left uncorrected, could impact the Plan's tax-exempt status. The plan administrator made the necessary corrective actions in accordance with the Voluntary Correction Program of the IRS and believes the Plan has maintained its tax exempt status. Therefore, no provision for income taxes is included in these financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan's form 5500 remains open to examination for three years from the date filed.

4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments and notes receivable from participants:

- Investments at fair value
- Notes receivable from participants
- Interest on notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Dividends
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritized the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value methods used by the Plan may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. FAIR VALUE MEASUREMENTS (Continued)

Fair values of investments measured on a recurring basis at December 31, 2021 and 2020 are as follows:

	Fair Value Measurements at Reporting Date Using:			
	Total	Level 1	Level 2	Level 3
December 31, 2021				
Registered investment companies	\$ 646,885	\$ 646,885	\$ -	\$ -
Pooled separate accounts (a)	713,147	-	-	-
Common/collective trusts (a)	11,195,947	-	-	-

Common/collective trusts (a)	8,750,405	-	-	-
Total	\$ 9,631,369	\$ 418,331	\$ -	\$ -

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the investments at fair value presented in the statements of net assets available for benefits.

6. NET ASSET VALUE PER SHARE

The Plan's investments in the pooled separate accounts, investment contract accounts, and common/collective trusts are stated at net asset value or its equivalent, which is the practical expedient for estimating the fair value of those investments. The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share as of December 31, 2021 and 2020:

	Fair Value Estimated Using Net Asset Value per Share				
	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
December 31, 2021					
Pooled separate accounts	\$ 713,147	\$ -	Daily	None	None

6. NET ASSET VALUE PER SHARE (Continued)

Investments in pooled separate accounts, investment contract accounts, and common/collective trusts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but have an interest therein represented by units valued daily.

7. GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL

The Plan has a fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company ("Principal"). Principal maintains the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include complete or partial Plan termination. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring. The guaranteed investment contract does not have a maturity date. The provisions do not provide for a distribution at book value at some specified future date. A contract holder can request a lump sum distribution with a market value adjustment, or an installment payout, at book value, over a period of years. The contract continues in force until all assets have been distributed, or no further payments are due. The balance as of December 31, 2021 and 2020 was **\$1,419,611** and \$1,372,302, respectively.

8. PARTY-IN-INTEREST TRANSACTIONS

Company contributions and investments are held and managed by Principal, the Plan's trustee, who invests cash received, interest and dividend income, and makes distributions to participants. Therefore, these transactions are considered exempt party-in-interest transactions. The Trustees also administer the payment of interest and principal on the notes receivable from participants, which is reimbursed to the Trustees through contributions as determined by the Company. Notes receivable from participants are also considered to be party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain administrative expenses paid to the Trustees qualify as party-in-interest transactions and totaled **\$76,360** for the year ended December 31, 2021. All other administrative expenses, including audit fees, were paid by the Company, a party-in-interest, for the year ended December 31, 2021.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020 to the Form 5500:

	<u>2021</u>	<u>2020</u>

Net assets available for benefits per the Form 5500	<u>\$ 14,325,625</u>	<u>\$ 11,388,221</u>

The following is a reconciliation of total additions as reported in the financial statements for the year ended December 31, 2021 to total income as reported in the Form 5500:

Total additions as reported in the financial statements	\$ 4,204,922
Adjustments for:	
Employer contributions	14,690
Other employer contributions	-
Net appreciation in fair value of	
Common/collective trusts	6,242
Interest income on notes receivable from participants	(1,092)
Participant contributions	<u>-</u>
Total income as reported in the Form 5500	<u>\$ 4,224,762</u>

11. NONEXEMPT TRANSACTIONS

During the year ended December 31, 2021, it was determined the plan made employer match contributions for certain participants whose compensation exceeded the 2021 IRS limit. Plan management is in the process of making corrective distributions for these amounts. Additionally, it was noted certain eligible wages were not contributed on by the company. Plan management is in the process of remitting these amounts in addition to lost earnings on the contributions. During the year ended December 31, 2020, it was determined that wages related to payroll protection plan proceeds were not contributed on. This error was isolated to 2020 and resulted in an additional \$19,876 of employer contributions. Plan management remitted this amount to the plan in 2021.
