INDEPENDENT AUDITORS' REPORT

To the Benefits Committee of the
National Council of Juvenile and Family Court Judges, Inc.
Section 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the National Council of Juvenile and Family Court Judges, Inc. Section 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year from this report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information certified were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SECTION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

1. Description of the Plan

The following description of the National Council of Juvenile and Family Court Judges, Inc. Section 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Board of Directors of the National Council of Juvenile and Family Court Judges (Council or plan sponsor) is responsible for oversight of the Plan. The 403(b) Plan Benefits Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

General

The Plan is a defined contribution plan covering all of the Council's active employees. The Plan was amended and restated effective July 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted, which included provisions, which among others, provide temporary relief for those retirement plan participants affected by the coronavirus disease (COVID-19). Participants who met certain criteria could take a penalty-free hardship withdrawal, borrow from their accounts at higher limits and suspend making payments on their participant loans until 2021. The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2021, the Plan has not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

Funding Policy

Each year, participants may contribute their annual pretax compensation, up to certain limitations, that are defined by regulations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 7% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. After one year of service, the Council contributes a discretionary match of a participant's base compensation to the Plan. The discretionary match percentage is determined by the Council on an annual basis. During the years ended 2021 and 2020, the maximum match was 4%. Contributions are subject to certain limitations.

NATIONAL COUNCIL OF JUVENILE AND FAMILY COURT JUDGES, INC.
SECTION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

1. Description of the Plan (continued)

Eligibility

Each employee is auto-enrolled into the Plan unless affirmatively electing not to participate in the Plan on the first day of the month following his or her hire date. There is no minimum age an employee must attain to become a participant in the Plan for purposes of making voluntary deferrals. An employee may begin participation in the employer contribution portion of the Plan upon completion of one year of service.

Rollovers from Other Plans

A participant who has received a distribution of his or her interest from another qualified retirement plan may elect to deposit all or any portion of the distribution into the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, as well as allocations of (i) the Council's contribution and (ii) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. For any plan year, the employer may pay the expenses of operating and maintaining the Plan. Such payments will be in addition to, and independent of, any contributions to the Plan. The Plan expenses that are not paid by the employer will be paid directly out of the Plan's assets, except for certain transactional charges, which are paid by the particular participants involved. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Council's contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by any outstanding loan balance. Participants can only have two outstanding loans at any given time and can only take out one loan per contiguous 12-month period. The loans are secured by the balance in the participant's account and bear interest at a rate with a range of 5.25% to 7.50%, which is commensurate with local prevailing rates, as determined on a quarterly basis by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions. Effective July 1, 2018, participants are required to produce evidence of a hardship to secure a loan because of the inclusion of a hardship provision in the Plan. Under the CARES Act, during the period between March 27, 2020 and September 22, 2020, participants impacted by COVID-19 (as defined in the Plan document) could borrow from their account up to the lesser of \$100,000 or the vested account balance and could suspend loan repayments due during that period until January 2021.

NATIONAL COUNCIL OF JUVENILE AND FAMILY COURT JUDGES, INC.
SECTION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

1. Description of the Plan (continued)

Plan Termination

Although they have not expressed any intent to do so, the Council can discontinue contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of termination, each participating employee will become 100% vested in the Plan, and the assets will be allocated among participating employees and beneficiaries in proportion to the employees' respective account balances.

Benefit Payments

On termination of service due to death, disability or retirement, a participant or participant's beneficiary may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account or a distribution via various monthly annuity options. For termination of service for reasons other than those listed in the paragraph above, a participant whose vested balance is greater than \$5,000 can elect to receive a distribution or retain his or her monies in the Plan. A participant whose vested balance is \$5,000 or less does not have the option to retain his or her funds in the Plan. A participant with a vested account balance less than \$1,000 will receive a lump-sum distribution if another permissible election is not made by the participant. If the participant's vested account balance is greater than \$1,000, but less than \$5,000, the balance will be distributed in the form of a rollover to a traditional individual retirement account unless otherwise elected.

Hardship Withdrawals

Participants have the option to receive a hardship distribution of salary reduction contributions if the conditions for hardship are satisfied as noted below.

- Expenses incurred for medical care;
- Expenses incurred for the purchase of a principal residence for the participant;
- Payment of tuition, related educational fees, and room and board expenses for the participant, his/her spouse, children, or dependents;
- Payments necessary to prevent the eviction of the participant from, or foreclosure on the mortgage of, the participant's principal residence;
- Payments for funeral or burial expenses for the participant's deceased parent, spouse, child, or dependent;
- Expenses to repair damage to the participant's principal residence that would qualify for a casualty loss deduction;
- Any other distribution, which is deemed by the Commissioner of Internal Revenue to be made on account of immediate and heavy financial need as provided in the Regulations;

NATIONAL COUNCIL OF JUVENILE AND FAMILY COURT JUDGES, INC.
SECTION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

1. Description of the Plan (continued)

Hardship Withdrawals (continued)

- The CARES Act also removed the 10% early withdrawal penalty for a coronavirus-related distribution up to \$100,000 made during 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid with the three-year period following the distribution.

Administrative Expenses

The compensation or fees of consultants, accountants, counsel and other specialists, as well as any other cost of administering the Plan, will be paid by the Plan, unless paid by the Council, at the Council's discretion. For the years ended December 31, 2021 and 2020, substantially all of the Plan's administrative expenses were paid by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions based on the terms of the plan documents. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses had been recorded as of December 31, 2021 or 2020.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. As described in below, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

SECTION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Payment of Benefits

Benefits are recorded when they are paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the amounts in the financial statements and the accompanying notes. Actual results could differ from those estimates.

4. Fair Value Measurement

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Total Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	<u>\$ 13,729,017</u>	<u>\$ 13,729,017</u>	<u>\$ -</u>	<u>\$ -</u>
Total Investments	<u>\$ 13,729,017</u>	<u>\$ 13,729,017</u>	<u>\$ -</u>	<u>\$ -</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

4. Fair Value Measurement (continued)

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the methodologies and significant assumptions used at December 31, 2021 and 2020.

5. Party-in-Interest and Prohibited Transactions

The Plan invests in an investment contract with Principal Life Insurance Company (PLIC). In addition, the Plan invests in certain mutual funds managed by Principal Funds Inc. PLIC and Principal Funds Inc. are affiliates of Principal. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

No prohibited transactions that are required to be reported on Schedule G of federal Form 5500 occurred during the years ended December 31, 2021 and 2020.

6. Investment Contract with Insurance Company

Contract Information

The Plan entered into a benefit-responsive investment contract with PLIC. PLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Contract Value

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's

Contract Value (continued)

ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Events

Certain events limit the Plan's ability to transact at contract value with PLIC. Such events include the following: (i) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a significant withdrawal from the Plan; or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (v) premature termination of the contract. The plan administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with plan participants, is not probable.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Income Tax Status

The Internal Revenue Service (the IRS) issued an opinion letter dated March 31, 2017, indicating that the Prototype Non-standardized 403(b) Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (the IRC). The Plan has been amended since adopting the prototype; however, the plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and tax-exempt as of the date of the financial statements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken a position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Subsequent Events

In preparing these financial statements, the Plan has evaluated, for potential recognition or disclosure, events and transactions through October 13, 2022, the date the financial statements were available to be issued. There were no subsequent events that require recognition or disclosure in these financial statements.
