Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Pellerin Milnor Corporation and Affiliated Employers 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

We were engaged to audit the accompanying statement of net assets available for benefits and statement of changes in net assets available for benefits of Pellerin Milnor Corporation and Affiliated Employers 401(k) Retirement Savings Plan (the "Plan"), as of and for the year ended December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2020 that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Pellerin Milnor Corporation and Affiliated Employers

401(k) Retirement Savings Plan

Years ended December 31, 2021 and 2020

(See Independent Auditors' Reports)

Note 1

The following description of the Pellerin Milnor Corporation and Affiliated Employers 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all full-time employees of Pellerin Milnor Corporation and Pellerin Laundry Machine Sales Company, Inc. (Collectively, the "Companies") who have completed 30 days of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Leased employees, non-resident aliens and employees whose terms of employment are governed by a collective bargaining agreement are not eligible to participate in the Plan.

(b) Contributions

Each year participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other plans. The Companies have an employer match of .50% up to the first 6% of participants' contributions. Additional amounts (Profit Sharing Contributions) may be contributed at the option of the Companies' Boards of Directors.

(c) Participant accounts

Each participant's account is credited with the participant's contributions, allocations of the Companies' contributions and Plan gains or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Note 1

(Continued)

(d) Vesting

Participants immediately vest in their voluntary contributions and the Companies' matching contributions plus actual earnings thereon. Vesting in the Companies' discretionary profit-sharing contribution portion of their account plus earnings thereon is based on years of continuous service. A participant is one hundred percent vested after three years of service.

(e) Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or fifty percent of their account balance, whichever is less. For the year 2020, Congress passed the Cares Act which allowed qualified individuals impacted by the coronavirus to borrow up to the lesser of \$100,000 or one hundred percent of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate between 4.25% and 6.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through regular payroll deductions.

(f) Investment option

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Companies' contributions into various investment options offered by the Plan. The employees may change their investment options daily.

(g) Payment of benefits

On termination of service due to death, disability, retirement, or termination, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount.

(h) Forfeited accounts

At December 31, 2021 and 2020, forfeited, nonvested accounts totaled \$43,232 and \$38,694, respectively. These accounts are used to first reduce the Companies' matching contribution for the Plan year, if any, in which the forfeiture arose and then to increase the employee's profit-sharing contribution. For the years ended December 31, 2021 and 2020, \$2,793 and \$34,242 were used from forfeited non-vested employer contributions to reduce employer contributions, respectively.

Note 2

Summary of Accounting Policies

The following are the significant accounting policies followed by the Plan:

(a) Basis of accounting

The financial statements are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of certain assets, liabilities, and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

(c) Investment valuation and income recognition

Investments generally are reported at fair value, but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for further discussion of fair value measurements, contract value, and NAV.

The Plan's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses had been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

(e) Payment of benefits

Benefits are recorded when paid. At December 31, 2021 and 2020, there were no benefits processed and approved for payment, but not paid.

Note 2
(Continued)

(f) Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and terminations are charged directly to the participant's account and are included in administrative expenses. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3

Information Prepared and Certified by Trustee (Unaudited)

As pursuant to CFR 2520.103-8, the Plan qualified for an ERISA Section 103(a)(3)(C) audit. Information relating to investment assets, investment transactions, investment earnings, and schedule of investments held for investment purposes was certified as complete and accurate by the Trustee, Fidelity Management Trust Company, as of December 31, 2021 and 2020 and for the years then ended.

The following information included in the accompanying financial statements and supplemental data was obtained from data that has been prepared and certified to as complete and accurate by the Trustee:

	<u>Years ended December 31,</u>	
	<u>2021</u>	<u>2020</u>
Investments at fair & contract value	<u>\$ 41,247,725</u>	<u>\$ 36,958,267</u>
Notes receivable from participants	<u>\$ 529,268</u>	<u>\$ 485,038</u>
Investment income	<u>\$ 5,159,760</u>	<u>\$ 3,893,102</u>
Interest income on notes receivable from participants	<u>\$ 26,483</u>	<u>\$ 31,047</u>

Note 4

Fair Value Measurements (Unaudited)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Note 4
(Continued)

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: (1) quoted market prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued at the closing price reported by the fund sponsor from an actively traded exchange.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other markets participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the assets and liabilities of the Plan for which fair values are determined on a recurring basis as of December 31, 2021 and 2020:

Note 4
(Continued)

Total Assets at Fair Value	<u>\$ 30,562,519</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,562,519</u>

Concentration of credit risk

The risk of loss that may occur due to the amount of investment in a single issuer (not including investments issued or guaranteed by the U.S. government, investments in mutual funds, or external investment pools). The Plan's investment policy establishes a target asset mix which is meant to diversify the portfolio and pose a lower risk that a concentration may exist.

Note 5
Investments Reported at Contract Value (Unaudited)

The Plan entered into a benefit-responsive annuity contract with the Wells Fargo Stable Value Fund totaling \$6,010,472 and \$6,395,748 at December 31, 2021 and 2020, respectively. The Wells Fargo Stable Value Fund maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administration expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the group annuity contract. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Note 5

(Continued)

Certain events limit the Plan's ability to transact at contract value with Wells Fargo. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsors events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Note 6

Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (Depreciation) in fair value of the investment, as they are paid through revenue sharing rather than direct payment. The Plan made no direct payments to the third-party administrator that was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Note 7

Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their employer contributions.

Note 8

Tax Status

The Trust established under the Plan to hold the Plan's assets obtained its latest determination letter on September 22, 1998, in which the Internal Revenue Service stated that the Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Trust has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 9

Risks and Uncertainties

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available for issue, August 25, 2022, and determined that no events were noted that would require disclosure. No other subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
