INDEPENDENT AUDITORS' REPORT – December 31, 2021

To the Trustee
Highgate Retirement Living 401(k)/Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Highgate Retirement Living 401(k)/Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT – December 31, 2020

To the Trustee
Highgate Retirement Living 401(k)/Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Highgate Retirement Living 401(k)/Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Transamerica Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974.

Highgate Retirement Living 401(k)/Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1 – Description of Plan

The following description of the Highgate Retirement Living 401(k)/Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document and related Adoption Agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan established effective January 1, 2000. The Plan covers eligible employees of Buron, Inc. and affiliated companies that have adopted the Plan (collectively, the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is designed to comply with ERISA Section 404(c) whereby fiduciaries receive certain protections against claims related to investment losses incurred by participants. The Trustee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

The Plan was amended and restated effective June 2, 2021 to comply with regulatory requirements. Prior to that date, it was most recently amended and restated effective January 1, 2015. The provisions applicable to the reporting periods are presented as described in relevant aspects below. Recent legislative actions, including the SECURE Act of 2019, the CARES Act of 2020, and the Consolidated Appropriations Act of 2021 include both temporary and permanent provisions, some of which are mandatory while others are optional. Retroactive adoption of certain provisions is permitted. The provisions most relevant to the Plan are integrated into the disclosures below.

Eligibility:

Employees aged 18 or older are eligible to make contributions in the Plan and to receive Company contributions. Participation commences the first day of the month following completion of 60 days of employment. The Plan covers substantially all employees of the Company except for employees covered by a collective bargaining agreement, residents of Puerto Rico, or nonresident aliens with no U.S. income.

Contributions:

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code. Participants are permitted to elect to contribute up to 100% of their eligible compensation subject to statutory limits. The Plan allows participants that have attained the age of 50 to make catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified retirement plans.

In 2021 and 2020, the Employer contributed safe harbor matching contributions equal to 100% of the first 3% of a participant’s elective deferrals and 50% thereafter subject to a limit of 5% of eligible compensation. Total matching contributions for the years ended 2021 and 2020 were \$227,399 and \$226,232. The Plan also allows the Company to make discretionary profit-sharing contributions. No profit-sharing contributions were made during 2021 or 2020.

Vesting:

Participants are immediately vested in their elective and rollover contributions plus actual earnings thereon. Participants are immediately vested in Company safe-harbor matching contributions plus actual earnings thereon. Participants become vested in other Company contributions ratably over five years of service.

Highgate Retirement Living 401(k)/Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Participant Accounts:

Each participant's account is credited with the participant's contribution, and allocations of Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options:

The Plan entered into Group Annuity Contract 980451 with Transamerica Life Insurance Company ("Transamerica"). Under the contract, participants direct their investments into a variety pooled separate accounts which are based on mutual funds as their underlying investments. The net asset values of the pooled separate accounts are not publicly quoted. The net asset values for these investments are reported by the fund manager daily and as of the financial statement dates based on recent transaction prices. The separate accounts held by the Plan provide for daily redemption by the Plan at reported net asset value, with certain exceptions.

As of December 31, 2021 and 2020, participants had directed 23% and 24% of total invested balances into one investment fund.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances to meet a financial hardship, as defined by the Plan. Participants are permitted to have only one loan outstanding at a time. Generally, the term of the loan may not exceed five years. However, if the loan is for the purchase of the participant's principal residence, the Administrator may permit a repayment period of up to 30 years. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with interest rates charged by local commercial banks for similar loans. Principal and interest payments are collected through payroll deductions. The CARES Act allowed qualifying participants the option to suspend making participant loan payments for up to one year.

Payment of Benefits:

Upon termination of service due to death, disability, retirement, or termination of employment, a participant, or their beneficiary in the case of death, will receive a benefit equal to the value of the participant's vested interest in his or her account in the form of lump-sum, installment payments over a period not to exceed the participant's life, or a direct rollover to an eligible retirement plan. If the participant's account balance is \$1,000 or more, the participant may choose to defer receiving payment until age 70 ½. Effective 2020, the CARES Act changed the required distribution commencement age to 72. If the participant's account balance is less than \$1,000, the Plan may automatically distribute the funds.

Participants that have attained age 59 ½ may withdraw balances from their fully vested accounts. The CARES Act of 2020 allowed participants who were not otherwise eligible to receive a distribution to withdraw up to \$100,000 during 2020 subject to certain limitations. Participants are allowed to repay such distributions within three years of the date of the distribution, subject to certain provisions and limitations.

Participants that incur a financial hardship, as defined in the Plan, may request to receive a distribution. Hardship distributions can only be made from the portion of the participant's account balance associated with their salary deferral contributions.

Highgate Retirement Living 401(k)/Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Forfeitures:

Forfeitures from terminated participants' nonvested accounts may be used to reduce Plan expenses, reduce Company contributions, or be reallocated among current participants.

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$996 and \$6,406. During the year ended December 31, 2021, forfeited account balances were used to pay \$23 of Plan expenses and to reduce Company contributions by \$6,066. During the year ended December 31, 2020, forfeited account balances were used to pay Plan expenses of \$53.

Note 2 – Summary of Significant Accounting Policies

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by its investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees may be charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits:

Benefits are recorded when paid.

Expenses:

The Plan provides that certain expenses of the Plan may be paid by the Plan or the Company. Expenses paid directly by the Company are excluded from these financial statements. Investment-related expenses charged by investment funds are included within net appreciation in fair value of investments. Administrative expenses paid by the Plan that are not participant-specific are allocated to participants based on net asset values. Participant specific expenses for loan or distribution processing are charged to the respective participant accounts.

Notes to Financial Statements
December 31, 2021 and 2020

Date of Management's Review of Subsequent Events:

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- Level 2: Inputs are other than quoted prices that are observable for the asset or liability and inputs that are observable for the asset or liability, either directly or indirectly. Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets,
 - quoted prices for identical or similar assets or liabilities in inactive markets,
 - inputs other than quoted prices that are observable for the asset or liability,
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodology used as of December 31, 2021 and 2020.

Pooled Separate Accounts: The fair value of the Plan's interest in pooled separate accounts is based on the fund's daily Net Asset Value ("NAV"), which is considered by Plan management to be the best approximation of fair value. The unit value of the fund is calculated daily and available to Plan Administrators and client investors on Transamerica's website. Underlying holdings which consist of mutual funds are primarily valued based on the NAV reported by the mutual fund each day, adjusted for other balances in the account using independent appraisals or independent pricing sources, as necessary. There are no unfunded commitments from participants in the Plan who invest in this account and redemption can occur daily; however, there are no notice periods required for liquidation by individuals. Certain fees may apply in the event of contract termination.

Highgate Retirement Living 401(k)/Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$ 4,475,588	\$ -	\$ 4,475,588

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$ 3,537,417	\$ -	\$ 3,537,417

Note 4 – Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Transamerica Life Insurance Company ("Transamerica"), the custodian of the Plan, has certified as to the completeness and accuracy of all investment and participant notes information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statements of changes in net assets available for benefits for the years then ended, and the supplementary Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 5 – Related Party and Party-In-Interest Transactions

Transamerica and its affiliates may receive fees from the Plan or from the mutual funds for providing certain administrative recordkeeping services. These transactions, therefore, represent party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Any investment fees are offset against Plan investment income and losses as presented in the statement of changes in net assets available for benefits. The prospectus of each investment should be referred to for details on the various types and amounts of investment fees charged.

Highgate Retirement Living 401(k)/Profit Sharing Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their employer contributions. Plan assets will be distributed to the participants after payment of expenses properly chargeable to the trust fund. The accompanying financial statements have been prepared assuming the Plan will continue as a going concern.

Note 7 – Tax Status

Effective June 2, 2021, the Plan adopted a Non-Standardized Pre-Approved Profit-Sharing/Money Purchase Plan (“the Pre-Approved Plan”) developed by an affiliate of Transamerica. The affiliate received a favorable opinion letter dated June 30, 2020, which states that the Pre-Approved Plan is acceptably designed in compliance with Section 401 of the Internal Revenue Code. Although the Plan has been amended since that date, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Prior to the 2021 amendment and restatement the Plan adopted a volume submitter plan effective January 1, 2015. The volume submitter plan was developed by an affiliate of Transamerica. The affiliate received a favorable opinion letter dated March 31, 2014, which states that the volume submitter plan as submitted is acceptably designed in compliance with Section 401 of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. With certain exceptions, the Plan is no longer subject to examination by U.S. federal tax authorities after three years.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

During 2020, COVID-19 was declared a global pandemic. The economic impacts of the pandemic and related response are significant and continue to evolve. No adjustment has been made to these financial statements for potential impacts to the Plan of the pandemic or related impacts.

Note 9 – Compliance

During the year ended December 31, 2021, the Company failed to remit \$16,583 of participant salary deferrals and loan payments into the Plan in a timely manner in accordance with applicable rules and regulations. Deferrals and loan payments were received by the Plan during 2021. The Company's corrections for lost earnings and related tax filings are expected to be completed by December 31, 2022.

During the year ended December 31, 2020, the Company failed to remit \$19,108 of participant salary deferrals and loan payments into the Plan in a timely manner in accordance with applicable rules and regulations. Deferrals and loan payments were received by the Plan during 2020. The Company's corrections for lost earnings and related tax filings are expected to be completed by December 31, 2022.

During the year ended December 31, 2019, the Company failed to remit \$15,870 of participant salary deferrals and loan payments into the Plan in a timely manner in accordance with applicable rules and regulations. Deferrals and loan payments were received by the Plan during 2019. The Company's corrections for lost earnings and related tax filings are expected to be completed by December 31, 2022.
