## **Independent Auditors' Report**

The Plan Administrator and Plan Participants  
Willow Valley Communities 401(k) Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements*

We have performed an audit of the financial statements of Willow Valley Communities 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion on the 2021 Financial Statements*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the 2021 Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the 2021 Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### *Other Matters*

##### *2021 Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

##### *Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **WILLOW VALLEY COMMUNITIES 401(k) PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

### **(1) Description of Plan**

The following description of the Willow Valley Communities 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **(a) General**

The Plan is a defined contribution plan covering substantially all employees of Willow Valley Communities (the Company and Plan Administrator) who have completed half a year of service and 500 hours of service during the 6-month period following their date of hire or in any subsequent plan year and have reached the age of 18 years. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **(b) Contributions**

Under provisions of the Plan, participants may make contributions up to 100% of their pretax annual compensation (elective contribution) not to exceed the limits set by the Internal Revenue Code (IRC). The Plan includes a Roth 401(k) deferral option in addition to the 401(k) option the Plan offers. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes matching contributions to each participant based on his or her elective deferrals and matches the first 50% of the participant's elective contributions up to the first 6% of compensation. Employer matching contributions do not apply to the Roth 401(k) deferral option. In addition, the Company may make a discretionary contribution as determined by the Company. The Company did not make a discretionary contribution for the years ended December 31, 2021 or 2020. Rollovers from a prior qualified plan are permitted, with the consent of the Plan Administrator, as described more fully in the plan document.

#### **(c) Participant Accounts**

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2021 and 2020

### **(d) Vesting**

A participant is always fully vested in the amount of his or her employee elective contribution account. Vesting for the employer contributions and employer discretionary contributions is as follows:

|                  | <b><u>Vesting<br/>percentage</u></b> |
|------------------|--------------------------------------|
| Year of service: |                                      |
| 1                | 20 %                                 |
| 2                | 40                                   |
| 3                | 60                                   |
| 4                | 80                                   |
| 5                | 100                                  |

The Plan does not provide for early retirement. Normal retirement is the participant's 65th birthday. Late retirement is the first day of the month coinciding with or next following a participant's actual retirement date after having reached normal retirement. Regardless of the number of years of service, however, employer contribution account balances become fully vested when a participant retires or dies. If a participant terminates before becoming fully vested, he or she forfeits the right to the unvested portion of his or her employer contribution account balance to the Plan.

### **(e) Receivable from Participants**

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. These are party-in-interest transactions. Loan terms range from one to five years unless the loan is to acquire the participant's principal residence. In that case, the loan term is a reasonable period of time that may exceed five years. The loans may be secured by no more than half of the vested balance in the participant's account. The loans bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The interest rate was 3.49% as of December 31, 2021 and 2020. Principal and interest are paid ratably through weekly payroll deductions.

### **(f) Payment of Benefits**

Distribution of a participant's benefit shall be made to the participant (or in the case of death, the beneficiary) in the form of a lump-sum cash payment.

### **(g) Forfeited Accounts**

Forfeited balances of terminated participants' nonvested accounts may first be applied to reinstate previously forfeited account balances of former participants (if reemployed before five consecutive one-year breaks in service) and then applied to reduce the contribution of the Company for the plan year following the plan year in which such forfeitures occurred. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$14,281 and \$10,096, respectively. These amounts are used to pay administrative expenses of the Plan and any remaining forfeitures are used to reduce the subsequent year's employers contributions.

### **(2) Summary of Significant Accounting Policies**

#### **(a) Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### **(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **(c) Investment Valuation and Income Recognition**

The Plan's investments comprise a variety of funds in registered investment companies. The investments in registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The amount reported in the statements of changes in net assets available for benefits as net appreciation in fair value of investments includes net realized and unrealized appreciation from investments in registered investment companies (mutual funds).

#### **(d) Payment of Benefits**

Benefits are recorded when paid.

#### **(e) Administrative Expenses**

Administrative expenses are paid by the Plan unless paid or advanced by the Company.

#### **(f) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **Notes to Financial Statements**

December 31, 2021 and 2020

#### **(3) Investment Information (Unaudited)**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fulton Bank, N.A., the trustee of the Plan has certified as being complete and accurate the investments and notes receivable from participants on the statements of net assets available for benefits as of December 31, 2021 and 2020, the investment income and interest earned on notes receivable from participants reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021.

Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified as complete and accurate by the Plan's trustee for their respective periods, except for comparing this information to the Plan's financial statements and supplemental schedule of assets.

#### **(4) Fair Value Measurements**

U.S. GAAP establishes a consistent framework for measuring fair value and expands financial statement disclosures regarding fair value measurements.

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Assets and liabilities recorded at fair value are classified based upon the level of judgment associated with the inputs used to measure their fair value. The hierarchical levels related to the subjectivity of the valuation inputs are defined as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities at the measurement date.
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable, directly or indirectly through corroboration with observable market data at the measurement date.
- Level 3 inputs are unobservable inputs that reflect management's best estimate of the assumptions (including assumptions about risk) that market participants would use in pricing the asset or liability at the measurement date.

The Plan evaluated its financial assets and liabilities for those that met the criteria of the disclosure requirements and fair value framework, as discussed below:

##### *Mutual Funds*

The Plan maintains investments in multiple registered investment companies (mutual funds). The Plan determined that the valuation measurement inputs of the mutual funds represent unadjusted quoted prices in active markets. Accordingly, the Plan has classified these investments within Level 1 of the hierarchy framework.

### (5) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

### (6) Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014 that the prototype sponsor and related trust are designed in accordance with applicable Sections of the IRC. The Plan and its underlying trust have been amended since receiving the opinion letter to conform to current tax law changes. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan Administrator has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year in progress.

Notes to Financial Statements

December 31, 2021 and 2020

### **(8) Noncompliance with Plan Document**

The Plan was not in compliance with the Plan Document for the year ended December 31, 2020.

During 2020, the Plan Administrator did not monitor the accuracy of contributions for employees totaling \$1,267, who were rehired subsequent to January 1, 2019, resulting in lost earnings of \$199, respectively.

During 2021, the Plan took corrective actions based upon the requirements in the Plan Document to properly compensate participants in order to correct these instances of noncompliance.

### **(9) Subsequent Events**

The Plan Administrator evaluated subsequent events through October 13, 2022, the date on which the financial statements were available to be issued.
