Independent Auditors' Report

To the Trustees of
Royal Neighbors of America 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Royal Neighbors of America 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section :

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Royal Neighbors of America 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Royal Neighbors of America 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Royal Neighbors of America 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Royal Neighbors of America 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Royal Neighbors of America 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE A | DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the pamphlet *Royal Neighbors of America 401(k) Retirement Plan* for a more complete description of the Plan's provisions. Copies of the pamphlet are available from the plan administrator.

The Royal Neighbors of America 401(k) Retirement Plan (the Plan) is a defined contribution plan available to all eligible employees age 21 or older of Royal Neighbors of America (the Society). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

1. Contributions

Eligible participants may contribute 100% of their compensation to the plan annually, subject to maximums imposed by law. The maximum deferral is \$ 19,500 in 2021 and 2020, with the option of an additional \$ 6,500 catch-up deferral for 2021 and 2020, for those 50 years of age or older. Contributions of 2% of each eligible participant's compensation are made each year by the Society, in addition to the Society matching 100% of the first 4% of employee contributions. An additional discretionary employer contribution of up to 3% of each eligible participant's annual compensation will be contingent upon approval by the Board of Directors subsequent to the end of each year. At the February 15, 2021 meeting of the Board of Directors, a discretionary employer contribution of 2.60% was approved. A discretionary employer contribution of 2.88% was also approved in 2020.

2. Participant Accounts

Each participant's account is credited with employee and employer contributions and an allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeitures of employees' non-vested accounts are applied to reduce the Society's expenses as described in the Plan.

NOTE A | DESCRIPTION OF THE PLAN

3. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Immediate vesting occurs with respect to the Society's regular and matching contributions. Vesting in the Society's discretionary employer contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after three years of credited service with regards to the discretionary contribution.

4. Forfeitures

The Plan applies forfeited non-vested account balances to reduce administrative expenses and employer contributions. In 2021 and 2020, the Plan realized \$ 38,084 and \$ 7,173 of non-vested forfeited contributions, respectively. During 2021 and 2020, the Plan used \$ 38,082 and \$ 15,120, respectively, to reduce administrative expenses and employer contributions. As of December 31, 2021, the non-vested forfeiture account balance was \$ 2. There was no such balance as of December 31, 2020.

5. Withdrawals

Upon retirement (normally age 65), permanent disability, or death, the participant will automatically become fully vested in their account and the participant or his/her beneficiaries, as applicable, may receive a lump-sum payment equal to the value of the account. On termination of service, a participant may receive a lump-sum amount equal to the vested value of his or her account. Certain other withdrawals are permitted in the event of financial hardship, as defined in the Plan agreement.

6. Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$ 1,000, up to a maximum of the lesser of \$ 50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate that ranges from 4.25 - 6.50%, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deduction.

7. Plan Termination

Although it has not expressed any intent to do so, the Society has the right to terminate the Plan in whole or part at any time subject to the provisions of ERISA. In the event of termination of the Plan, the participant accounts will be 100% vested and nonforfeitable.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurement.

The change in the difference between fair value and the cost of investments is reflected in the statement of changes in net assets available for benefits as unrealized appreciation (depreciation) of investments. Realized gains and losses on sales of investments are determined on the basis of specific identification of investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

3. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances, plus any accrued but unpaid interest.

4. Administrative Expenses

The Plan is administered by the Society. Certain administrative expenses of the Plan are paid by the Society and the Society also provides certain administrative services, which have not been charged to the Plan. The cost of such services has not been determined.

5. Benefits

Benefits are recorded when paid.

Royal Neighbors of America 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE B | SUMMARY OF ACCOUNTING POLICIES

6. Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

7. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through August 3, 2022, which is the date the financial statements were available to be issued. Through August 3, 2022, no subsequent events required recognition or disclosure in the financial statements.

NOTE C | FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. This guidance defines fair value, establishes a framework for measuring fair value and expands disclosure about fair value measurements.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuation is derived from inputs other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

Royal Neighbors of America 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE C | FAIR VALUE MEASUREMENTS

The Plan offers a guaranteed interest account, which is non-benefit-responsive, representing investments in the general account of Principal Life Insurance Company (Principal). The guaranteed interest account is stated at fair value as reported by Principal. The general account fair value is the amount plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination, or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed contract crediting rates.

The Plan's investments in registered investment companies consist of mutual funds valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan has investments in pooled separate accounts at Principal. These investments are reported at the Plan's proportionate share of the NAV in the pooled separate accounts as provided by Principal, which approximates fair value. Plan deposits in the separate accounts are invested in common stocks, debt securities, mutual funds, commercial real estate and mortgage loans.

The Plan has investments in a collective trust fund. These investments are reported at the Plan's proportionate share of the NAV (or its equivalents) as provided by the management of the trust.

NOTE D | INVESTMENTS IN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE

As a part of the Plan's investment portfolio, there are certain investments made in entities in which purchases and withdrawals are not made in an open market. Instead, the purchases and withdrawals occur with the entities, and in certain circumstances, those transactions are entirely controlled and/or restricted by the entities. The fair values of these investments are determined by the management of Principal and are reported to the Plan as the Plan's proportionate share of the NAV of the entities. The NAV is based on the fair value of the underlying investments held by the funds, less their liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Royal Neighbors of America 401(k) Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE F | INCOME TAX STATUS

The Plan is intended to be qualified under Section 401(a) and tax-exempt under Section 501(a) of the Internal Revenue Code. The Plan is a volume submitter plan and obtained its last advisory letter, dated August 8, 2014, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. Company management believes the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code and that the Plan is tax-exempt at the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Although the Plan has been restated since this opinion, the Plan's management believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. As of the date of this report, the current economic environment has increased the degree of uncertainty.

NOTE H | TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are units of the pooled separate accounts and insurance company general accounts managed by Principal Life Insurance Company. Fees paid by the Plan for these services amounted to \$ 70,764 and \$ 34,023 for the years ended December 31, 2021 and 2020, respectively. The Society pays for CAPTRUST consulting fees that also qualify as party-in-interest transactions.
