Independent Auditors' Report

The Board of Trustees of
Local 7 Tile Industry Annuity Fund

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Local 7 Tile Industry Annuity Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (1) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2021 and (2) Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions (modified cash basis) for the year then ended, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to

prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules (modified cash basis) related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Board of Trustees of
Local 7 Tile Industry Annuity Fund

We were engaged to audit the accompanying statement of net assets available for benefits (modified cash basis) of Local 7 Tile Industry Annuity Fund (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the presentation of the 2020 financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 10, which was certified by Amalgamated Bank, Prudential Retirement Insurance and Annuity Company, and Manufacturers and Traders Trust Company (the "Custodians"), the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the Custodians as of December 31, 2020 that the information provided to the plan administrator by the custodians is complete and accurate.

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement (modified cash basis), other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employment Retirement Income Security Act of 1974.

1. Description of the Plan

The following description of Local 7 Tile Industry Annuity Fund (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions regarding rules of eligibility and benefits.

General

The Plan was formed as a result of a merger agreement approved on February 28, 2005 by the Board of Trustees of Local #77 Annuity Fund, Local #52 Annuity Fund and Local #88 Annuity Fund to merge said funds retroactive to January 1, 2005. The net assets of each fund were transferred to Local 7 Tile Industry Annuity Fund. The Plan is a multi-employer defined contribution plan which was organized for the primary purpose of providing retirement benefits for eligible Local #7 Union members as determined by the collective bargaining agreement between Greater New York and New Jersey Tile Contractors Association, Inc., and Tile Setter and Tile Finishers Union of New York and New Jersey, Union Local #7 of the International Union of Bricklayers and Allied Craftworkers dated June 3, 2013. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The collective bargaining agreement with Local #7 and Greater New York and New Jersey Tile Contractor's Association, Inc. was renewed through June 2, 2025.

In April 2022, Prudential Financial Inc. sold its full-service retirement business to Empower. As of December 31, 2021, Prudential was still the custodian of the Plan.

Contributions

Amounts contributed to the Plan by an employer are based on the number of hours paid to each employee at a fixed rate per hour as determined by the collective bargaining agreement.

Vesting and Payment of Benefits

Participants are vested immediately in employer plan contributions plus actual earnings thereon. A participant's account may be distributed upon retirement at the earliest normal retirement age (55), death, or total disability. Participants with no required contributions made on their behalf for employment with an employer for six consecutive months are eligible to apply to receive their account balance. Distributions may be made by either a lump-sum payment or an annuity payment, or combination of both.

Participant Accounts

An employee account is maintained for each participant, the value of which is determined by crediting it with annuity contributions made by their employer for all payments made on all hours paid for employment, and net investment results. Participant accounts are adjusted by their share of administrative expenses. Net investment results and administrative expenses are based proportionately upon a participant's average account balance during the year and subject to maintaining an account balance at year end.

1. Description of the Plan *(continued)*

Administration

The administration of the Plan is the responsibility of a board of trustees comprising Union Trustees and Employer Trustees. The Union Trustees and Employer Trustees have equal voting rights. The investments of the Plan are managed by investment advisers and maintained by separate Plan custodians.

Notes Receivable from Participants

Participants may borrow from their account a minimum amount of $1,000 up to a maximum amount of the lesser of $50,000, or 50% of their account balance. However, loans in excess of $25,000 are only permitted for the purchase of a home, cooperative, or condominium apartment. The loans are secured by the balance in the participant's account. Interest is charged at a rate equal to the average of prime rates of those local banks designated by the trustees. The rate is determined at the inception of the loan and is fixed for the remaining term of the loan. Loans are permitted for medical, tuition, funeral, burial and cemetery expenses, housing, and emergency economic assistance. Loan repayments must be made quarterly over a maximum of five years or ten years in the case of a home purchase. At December 31, 2021 and 2020, loans outstanding bore interest at a rate between 4.25% and 7.19% per annum.

2. Summary of Significant Accounting Policies

Basis of Accounting

Local 7 Tile Industry Annuity Fund prepares its financial statements on the modified cash basis but includes, when applicable, liabilities for payroll withholding and accruals of payroll taxes, accrued investment income and adjusted securities investments at fair value. This is a basis of accounting other than accounting principles generally accepted in the United States of America (“U.S. GAAP”). Under this basis, revenues and contributions are recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value and contract value with unrealized gains and losses reported as a component of investment income. Consequently, contributions due from employers and employees and amounts due to vendors, are not included in the financial statements. These financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in conformity with U.S. GAAP.

Use of Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Plan investments are stated at fair value (except for investment contracts with insurance company which are valued at contract value). Mutual funds are stated at the net asset value

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition (continued)

of shares held by the Plan at year end based on quoted market prices. Investments in common/collective trusts and real estate investment funds are reported at the fair values, which are based on the underlying assets of the common/collective trust and the real estate investment fund. Investments in limited partnerships are valued at the NAV of units held or percentage of ownership. The NAV, as provided by the partnership fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Equity securities and debt securities are stated at quoted market price. Net appreciation or depreciation in fair value of the investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income and dividends are recorded when received. Purchases and sales of securities are recorded on a trade-date basis.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment contracts held by a defined contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. Contract value for the investment contract is based on the net asset value or unit price as reported by the investment advisor.

Investment Risks and Uncertainties

Alternative investments consist of non-traditional, not readily marketable investments, some of which may be structured as limited partnerships, venture capital funds, hedge funds, private equity funds and common trust funds. The underlying investments of such funds, whether invested in stock or other securities, are generally not currently traded in a public market and typically are subject to restrictions on resale. Values determined by investment managers and general partners of underlying securities that are thinly traded or not traded in an active market may be based on historical cost, appraisals, a review of the investees'

2. Summary of Significant Accounting Policies *(continued)*

Investment Risks and Uncertainties (continued)

financial results, financial condition and prospects, together with comparisons to similar companies for which quoted market prices are available or other estimates that require varying degrees of judgment. Because of the inherent uncertainty of valuations, the estimated fair values may differ significantly from the values that would have been used had a ready market for such investments existed or had such investments been liquidated, and those differences could be material.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits Paid to Participants

Benefits paid to participants represent the distribution of the vested amounts of retirement benefits paid to individual members upon their retirement, termination, loan default or request for distribution. Benefit payments are recorded upon distribution.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 13, 2022.

3. Investments

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Cash equivalents and short term investments	$ 566,284	$ -	$ -	$ 566,284

Total Investments at fair value	$ 8,755,760	$ 92,102,564	$ 14,573,737	$ 140,934,832

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy. The fair value amounts presented in the total column of these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits. The Plan has no unfunded commitments at December 31, 2021.

Information regarding alternative investments valued at NAV using the practical expedient is as follows:

	December 31,	
	2021 Fair Value	2020 Fair Value
Limited Partnerships		
GSA fund (see "a" below)	$14,003,267	$12,961,537
Infrastructure tax-exempt fund (see "b" below)	13,820,339	12,541,234
	$27,823,606	$25,502,771

a. The GSA Fund's objective is wealth preservation and generating consistent current income, using risk parameters and portfolio management strategies established by Boyd Watterson GSA GP, LLC. The fund invests predominantly in real estate leased to the U.S. Federal Government through either the GSA or other federal government agencies.

b. The fund's objective is to invest in a diverse portfolio of quality infrastructure assets in order to achieve attractive risk-adjusted returns with a significant annual cash yield after stabilization of the underlying investments and relatively low volatility over the long-term in the U.S. and Canada ("Infrastructure Assets").

3. Investments (*continued*)

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2021:

Beginning of year	$ 14,573,737
Unrealized/realized losses	2,817,762
Dividends	714,119
Incentive Fee	(480,292)
Administrative expenses	(119,400)
End of year	$ 17,505,926

The Plan is invested in the U.S. Real Estate Fund LLC (U.S. REIF) which is a limited liability company. The real estate investment fund is stated at fair value.

The U.S. REIF investment objectives are to invest in a pool of real estate assets that are diversified by geography and property type. The U.S. REIF values the real estate investments at fair value. The manager of the fund is Intercontinental Real Estate Corporation. The fund is an open-end, commingled real estate investment fund and it is intended to have an indefinite term.

4. Investment Contract with Insurance Company

In July 2005, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Prudential. Prudential maintains the investment in its guaranteed investment account. The account is credited with actual earnings on the underlying investments and charged for administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates were 1.50% (new money) and 2.90% (old money) for 2021 and 2.05% (new money) and 2.85% (old money) for 2020. Prudential is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events, such as the premature termination of the contract by the Plan, the termination of the Plan, amendments to the Plan documents, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, would limit the Plan's ability to transact at contract value with Prudential. The Plan trustees believe the occurrence of such events, that would also limit the Plan's ability to transact at contract value with Plan participants, is not probable. There

4. Investment Contract with Insurance Company *(continued)*

are not any actual events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value either within 90 days or over time.

In addition, certain events could allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Events in which the issuer can discontinue the contract include if the Plan does not pay expenses on time, if the issuer does not receive timely notice that the Plan is qualified under Section 401(a) of the Internal Revenue Code, if the issuer receives evidence that the Plan is not qualified, or the Plan changed without their consent in a way that adversely affects its obligations.

Due to the acquisition of Prudential (see note 1) effective April 2022, the insurance product was reinsured to Great-West and maintains an Aa3 rating with Moody's Investors Service.

5. Concentrations

The following investments represent 10% or more of the Plan's net assets available for benefits at December 31:

	2021	2020
Amalgamated Longview Collective Large Cap 500 Index Fund	$ 93,128,699	$ 72,384,520
Prudential Guaranteed Deposit Fund	38,427,453	41,950,178
Loomis Sayles Intermediate Total Return Trust	*	19,718,044

* Investment was less than 10%.

6. Income Tax Status

The Plan has received its latest determination letter from the Internal Revenue Service on March 16, 2016, stating that the Plan is qualified under Section 401(a) of the Code and, as such, is exempt from Federal income taxation. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

U.S GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by the taxing jurisdictions for periods since 2018; however, there are currently no examinations for any tax periods in progress.

7. Party-In-Interest Transactions

Certain Plan investments are managed by various financial institutions in custodial accounts in which the investment manager exercises a certain degree of discretionary authority in carrying out the instructions and directions given to them by the Plan's Board of Trustees. These transactions qualify as exempt party-in-interest transactions under ERISA.

7. Party-In-Interest Transactions *(continued)*

Investment management fees paid for the year ended December 31, 2021, totaled $1,322,323.

Participants may borrow from their accounts and such loans qualify as party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits

Transactions with administrators, auditors, attorneys and any other person who provides services to the Plan qualify as exempt party-in-interest transactions under ERISA. During the year ended December 31, 2021, fees paid by the Plan for such services totaled $497,245.

8. Plan Termination

The Plan's Board of Trustees reserves the right, at any time, to amend, suspend or terminate the Plan in whole or in part. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such a manner as will, in the opinion of the trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan's assets to be used for, or diverted to, purposes other than the exclusive benefit of the participants.

9. Expenses

Expenses incurred for the administration of the Plan during the year ended December 31, 2021 are as follows:

Administrator fees	$ 258,775
Professional fees	238,470
Other	39,407
	$ 536,652

10. Information Certified by the Plan's Custodians

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules (1) Schedules H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) and (2) Schedule H, Part IV, line 4j – Schedule of Reportable Transactions including investments from participants held at December 31, 2021 and 2020, and net appreciation in value of investments, interest and dividend income, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Amalgamated Bank and Prudential, qualified institutions.

	Year ended December 31, 2021
Investment Income:	
Net appreciation in fair value of investments	$ 21,131,434
Interest and dividends	1,170,008
Total Investment Income	$ 22,301,442

11. Transactions with Affiliated Funds

The account "Due from affiliated funds" represents net amounts receivable from Local 7 Tile Industry Clearing Fund for employer contributions received and to be transferred to the Plan, netted against amounts payable to affiliated funds for allocated common administrative expenses paid for the Plan. As of December 31, 2021 and 2020, the net balance due to Local 7 Tile Industry Annuity Fund totaled $1,570,327 and $1,617,406.

12. Concentration of Credit Risk and Uncertainties

The Plan's financial instruments that are exposed to concentrations of credit risk consist of cash. The Plan places its cash with quality financial institutions. At times, the fund maintains cash balances in excess of the Federal Deposit Insurance Corporation insured limit. The trustees believe that the financial institutions in custody of these assets are of an acceptable credit quality to mitigate any potential material risk of loss.

The Plan's investments include mutual funds, common stock, guaranteed investment contracts, bonds and notes, real estate funds and limited partnerships. These funds invest in U.S. equities, international equities, and fixed income securities. Investment securities, in general, are exposed to various risks, such as interest rate, foreign exchange, credit and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments into varied instruments.

In the normal course of business, certain of the Plan's assets are transacted with and held by the custodians. The Plan is subjected to credit risk to the extent the custodians are unable to fulfill contractual obligations on their behalf. The trustees do not anticipate any losses from these counter parties.

12. Concentration of Credit Risk and Uncertainties *(continued)*

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
