## **Independent Auditors' Report**

The Trustees and Plan Administrator  
Western Industrial Resources Corp. Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Western Industrial Resources Corp. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Western Industrial Resources Corp. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Industrial Resources Corp. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Western Industrial Resources Corp. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Industrial Resources Corp. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and directly relates to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with

GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Western Industrial Resources Corp. Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# WESTERN INDUSTRIAL RESOURCES CORP RETIREMENT SAVINGS PLAN

## Notes to Financial Statements

December 31, 2021 and 2020

### 1. Summary of significant accounting policies

The following is a summary of the significant accounting policies followed by Western Industrial Resources Corp. Retirement Savings Plan (the Plan) which is sponsored by Western Industrial Resources Corp. (the Company). The policies conform with accounting principles generally accepted in the United States of America, which require management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

#### a. Investments

Mutual and exchange traded funds are stated at fair value based on the quoted market prices. The stable value fund, which is a benefit-responsive investment contract, is valued at contract value. Purchases and sales of securities are recorded on a trade-date basis and interest income is recorded on an accrual basis. Most investment options have management fees that reduce the overall return on assets. Net appreciation (depreciation) is inclusive of those fees.

#### b. Cash and cash equivalents

Cash and cash equivalents consist of cash and interest-bearing money market funds.

#### c. Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

#### d. Payment of benefits

Benefits are recorded when paid.

#### e. Administrative expenses

Administrative expenses are paid directly by the Plan. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses.

#### f. Income taxes

The Plan is maintained on a volume submitter document sponsored by Sungard Business Systems, LLC. The document sponsor received a favorable opinion letter dated March 31, 2014 from the Internal Revenue Service, which states that the document qualifies under the applicable provisions of the Internal Revenue Code. The Plan has been amended since adopting the volume submitter document, however, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. However, the Plan is subject to examination; generally for a period of three years from filing its Form 5500.

## Notes to Financial Statements

December 31, 2021 and 2020

### 1. Summary of significant accounting policies, continued

#### f. Income taxes, continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### g. Concentrations of risk

The Plan provides for various investment fund options, which in turn invest in any combination of mutual funds and other investments. Investments are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the changes in net assets available for benefits.

Economic uncertainties have arisen which may impact the fair value of investments in the Plan. Other financial impact could occur though such potential impact is unknown at this time.

### 2. Description of plan

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### a. General

The Plan, established May 1, 2004, is a defined contribution 401(k) plan. The Plan covers employees with six months of service to the Company and who are age twenty one or older. Effective April 1, 2020 the Plan was amended to change eligibility to age nineteen. Employees may become participants on the first of the quarter coinciding with or next following completion of the eligibility requirements. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated on a volume submitter document sponsored by Sungard Business Systems, LLC., effective January 1, 2016.

Each participant may make salary deferral contributions of up to 100% of his/her annual compensation, not to exceed the annual deferral limit set by the Internal Revenue Code. Catch-up contributions are permitted for participants age 50 and older. The Plan also allows participants to make rollover contributions.

#### b. Contributions

Each plan year, the Company may elect to make a discretionary matching contribution equal to a percentage of each participant's salary deferral contribution. For the plan years ended December 31, 2021 and 2020, the Company made a discretionary matching contribution of \$343,362 and \$118,742, net of forfeitures, respectively.

## **WESTERN INDUSTRIAL RESOURCES CORP RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements**

**December 31, 2021 and 2020**

#### **2. Description of plan, continued**

##### **b. Contributions, continued**

The Company may also make a discretionary contribution to all eligible participants. The exact percentage or amount is determined annually by the Company and is allocated based on each participant's proportionate share of the total compensation paid to all participants during the plan year. For the plan years ended December 31, 2021 and 2020, the Company did not make discretionary contributions to the Plan.

##### **c. Vesting**

Each participant is immediately vested in his/her salary deferral, catch-up, and rollover contributions, and any earnings or losses on those contributions. The remainder of a participant's account balance is vested based on years of service. Participants vest at 20% after two years of service, and the percentage increases by 20% annually until the participant is fully vested after six years of service.

Forfeited non-vested matching and discretionary profit sharing contributions may be used to pay plan expenses or to reduce the Company's matching and discretionary profit sharing contributions. At December 31, 2021 and 2020, forfeited, non-vested accounts totaled \$11 and \$33,204, respectively. Forfeitures of \$11,828 and \$32,491 were used to pay plan expenses in 2021 and 2020, respectively. No forfeitures were used in 2021 to offset the 2020 employer contribution. Forfeitures of \$27,531 were reinstated to participant accounts due to the partial plan termination that occurred during the year ending December 31, 2020.

##### **d. Participant accounts**

Each participant's account is credited with the participant's salary deferral, catch-up, and rollover contributions, Company matching and discretionary contributions, if applicable, and Plan earnings/losses. Plan earnings/losses are allocated based on account balances, as defined in the Plan document.

Each participant directs the investment of his/her account into various investment options offered by the Plan through Matrix Trust Company.

##### **e. Payment of benefits**

Each participant is entitled to Plan benefits equal to 100% of his/her vested account balance. Benefits begin upon the earliest of retirement age, termination of employment, total and permanent disability or death of the participant. Benefits will be paid in a lump-sum amount or installments. Benefits are paid soon as administratively feasible following the participant's date of termination. The Plan permits hardship distributions and in-service distributions under certain circumstances.

**WESTERN INDUSTRIAL RESOURCES CORP RETIREMENT SAVINGS PLAN****Notes to Financial Statements****December 31, 2021 and 2020****2. Description of plan, continued****f. Loans**

The Plan permits participants to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates of 4.25% to 6.50% which is equal to the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions, generally over five years.

**g. Plan termination**

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant will become fully vested in his/her account.

**3. Information certified by the Custodian (unaudited)**

At December 31, 2021 and 2020, the Plan's assets were held by Matrix Trust Company. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**4. Fully benefit-responsive investment contract**

The Plan entered into a benefit-responsive investment contract, a stable value fund (SVF) with Reliance Trust Company. Reliance Trust Company maintains the contributions in a general account. The SVF issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the stable value fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the SVF investment contract. Contract value, as reported to the Plan by Reliance Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and applicable expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events that are not in the ordinary course of fund operations may limit the ability of the Plan to transact at contract value with the issuer.

**5. Fair value measurements**

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

# WESTERN INDUSTRIAL RESOURCES CORP RETIREMENT SAVINGS PLAN

## Notes to Financial Statements

December 31, 2021 and 2020

### 5. Fair value measurements, continued

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include 1) quoted prices for similar assets or liabilities in active markets, 2) quoted prices for identical or similar assets or liabilities in inactive markets, 3) inputs other than quoted prices that are observable for the asset or liability, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020, respectively.

Mutual and exchange traded funds: valued at the net asset value (NAV) of shares held by the Plan at year end.

Cash equivalents: interest-bearing money market funds are valued at the current dollar value at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, respectively:

**6. Party-in-interest transactions**

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. The Custodian of the Plan assets, record keeper, investment advisor, plan sponsor, and other service providers are considered parties-in-interest with respect to the Plan. Certain Plan investments are shares of mutual funds managed by the Custodian. The Plan issues loans to participants, which are secured by the balance in the participant's account. Such transactions are party-in-interest and related party transactions for which a statutory exemption exists.

**7. Subsequent Events**

Management reviewed the financial statements for subsequent events through March 31, 2023, the date the financial statements were available to be issued.

The Plan was restated on a non-standardized pre-approved profit sharing document, effective January 1, 2022.
