INDEPENDENT AUDITOR'S REPORT

To the Trustees
Cohn Wholesale 401(k) Retirement Savings Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2021 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or are derived from, in all material aspects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Cohn Wholesale 401(k) Retirement Savings Plan is provided for general information purposes only. Participants should refer to the plan document for more complete information.

[1] General

The plan is a defined contribution 401(k) profit-sharing plan covering all full-time employees who have one year of service and are age twenty-one or older. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan sponsor consists of the following affiliated companies:

Cohn Wholesale Fruit & Grocery Co., San Diego, California
Danimaxx of Colorado, Inc., Breckenridge and Winter Park, Colorado
Hi-Way 20 Investment Co., Inc., San Diego, California
Ideal Market of Gordon, Inc., Gordon, Nebraska
Ideal Market of Rushville, Inc., Rushville, Nebraska
Mission Shopping Center, Inc., Mission, South Dakota
Philcohn, Inc. of California, San Diego, California
Philcohn, Inc. of Nebraska, Winner, South Dakota
Tri-State Distributing Co., Winner, South Dakota
Wagner Super Foods, Inc., Wagner, South Dakota
Williams Brothers Supermarket, Inc., O'Neill, Nebraska

Aaron Cohn and David Cohn are the plan trustees. Massachusetts Mutual Life Insurance Company (Mass Mutual) is the plan custodian.

[2] Contributions

Participants may contribute up to 100% of annual compensation as defined by the plan, not to exceed the annual dollar limit established by the Internal Revenue Service. Participant rollover contributions from other qualified plans are permitted. The plan sponsor can make both discretionary matching contributions and discretionary profit-sharing contributions. Discretionary contributions are determined by appropriate action of the Board of Directors.

[3] Participant Accounts

Participant accounts are credited with participant, company and rollover contributions. Plan earnings are allocated to participants accounts based on each participant's investment election. Company matching contributions are allocated based on the participant's eligible elective deferrals, as defined by the plan. Company profit-sharing contributions are allocated based on each participant's compensation, as defined by the plan, compared to total recognized compensation. Participant accounts are charged for administrative expenses on a pro-rata basis.

[4] Vesting

Participants are immediately vested in their elective contributions and rollover contributions plus earnings thereon. Vesting in the remainder of their accounts is based on years of service, with a participant becoming fully vested after six years of credited service.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

[5] Investment Options

Upon enrollment in the plan and periodically as determined by the plan administrator and trustees, participants may direct contributions and account balances into any of the plan's investment options. A listing of these investment options and account descriptions can be obtained from the plan custodian.

[6] Participant Loans

On July 15, 2021, the plan was changed to no longer allow participants to borrow against their plan assets. Participants were able to borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions were treated as transfers from the investment fund to participant note accounts. Loan terms provide for periodic repayment over a reasonable period of time. Loans are secured by the participant's vested account balance and bear interest at 2% higher than the prime interest rate at the date of the note. Collections are made through payroll deductions by the plan sponsor.

[7] Payment of Benefits

Upon termination of service for any reason, a participant's vested account balance will be distributed in a single lump-sum amount as soon as administratively feasible following the event that entitles the participant to a distribution. In addition, the plan allows in-service distributions for those participants that qualify.

[8] Forfeited Accounts

Forfeitures of terminated participants' nonvested accounts are applied against the employers' matching contributions. The forfeiture account balance was $794 at December 31, 2021. There was no forfeiture account balance at December 31, 2020. Forfeitures were used to reduce employers' matching contributions by $2,863 for the year ended December 31, 2020. No forfeitures were used to reduce employer's matching contributions for the year ended December 31, 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

[2] Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's administrator determines the plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[3] Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

[4] Payment of Benefits

Benefits are recorded when paid.

[5] Expenses

Certain expenses of maintaining the plan are paid by the plan, unless otherwise paid by the company. Expenses that are paid by the company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

[6] Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Units of Separate Pooled Accounts (Level 1): Valued at quoted market prices of shares held by the plan at year end. The separate pooled accounts held by the plan are deemed to be actively traded.

Units of Separate Pooled Accounts (Level 2): Valued at the quoted market value of the account's underlying assets from an actively traded exchange.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	FAIR VALUE	FAIR VALUE MEASUREMENTS USING QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	FAIR VALUE MEASUREMENTS USING QUOTED PRICES IN ACTIVE MARKETS FOR SIMILAR ASSETS (LEVEL 2)
DECEMBER 31, 2021			
Units of separate pooled accounts	**$ 2,762,130**	**$ 119,995**	**$ 2,642,135**
DECEMBER 31, 2020			
Units of separate pooled accounts	$ 2,218,429	$ 21,862	$ 2,196,567

NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The plan entered into a traditional fully benefit-responsive guaranteed investment contract with Massachusetts Mutual Life Insurance Company (Mass Mutual) in the current year. The contract balance was $503,309 at December 31, 2021 and $743,571 at December 31, 2020. Mass Mutual maintains the investment in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and earnings at a specified interest rate that is guaranteed to the plan. The crediting rate is based on a formula established by the contract issuer and was 1.25% at December 31, 2021 and 1.55% at December 31, 2020. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

This contract meets the fully benefit-responsive guaranteed investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive guaranteed investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable to occur that may limit the ability of the plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 5 - PARTICIPANTS' NOTES RECEIVABLE

This account consists of the following:

DESCRIPTION	2021	2020
(1) Number of loans	**8**	8
(2) Note balances	**$1,570 to $12,049**	$2,562 to $18,449
(3) Interest rates	**5.25% to 7.50%**	5.25% to 7.50%
(4) Maturity dates	**June, 2022 to March, 2025**	June, 2022 to March, 2025

The notes are secured by the participants' vested account balances.

NOTE 6 - INVESTMENTS AND PARTICIPANTS' NOTES RECEIVABLE

The December 31, 2021 and 2020 Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the plan's custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and participants' notes receivable of $3,312,604 and $3,041,248 at December 31, 2021 and 2020, respectively, and related income on investments of $244,095 in 2021 and $193,684 in 2020.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain plan investments are units of separate pooled accounts and a guaranteed investment contract with an insurance company managed by Mass Mutual, the plan custodian, and therefore these transactions qualify as party-in-interest transactions.

Certain administrative services are provided to the plan by Nova 401k Associates, the plan's third party administrator and Empower Retirement, LLC, the plan's services provider, and therefore qualify as party-in-interest transactions. Fees paid by the plan for administrative services were $1,535 in 2021 and $1,632 in 2020.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participant accounts will become fully vested.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net assets available for benefits reported in the financial statements compared to Form 5500 is as follows:

	DECEMBER 31, 2021	DECEMBER 31, 2020
Net assets available for benefits per financial statements	$ 3,352,227	$ 3,043,646
Adjustments:		
Corrective distributions payable	--	--
NET ASSETS AVAILABLE FOR BENEFITS PER FORM 5500	$ 3,352,227	$ 3,043,646

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

A reconciliation of net increase of net assets available for benefits as reported in the financial statements compared to net income on Form 5500 is as follows:

	2021	2020
Net increase per financial statements	**$ 308,581**	$ 206,036
Adjustments:		
Prior year employees' corrective distributions	--	(732)
NET INCOME PER FORM 5500	**$ 308,581**	$ 205,304

NOTE 10 - TAX STATUS

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

The plan did not file its return for the year ended December 31, 2021 by the extended due date. The plan will file its return using the Delinquent Filer Voluntary Compliance Program to correct this matter. All penalties and fees will be paid by the plan sponsor.

NOTE 11 - RISKS AND UNCERTAINTIES

The plan invests in various investment securities and a guaranteed insurance contract. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 12 - SUBSEQUENT EVENTS

Subsequent to year end, the company failed to timely remit certain employee deferrals and loan repayments to the Plan in the aggregate amount of $36,476. The company subsequently remitted the late deferrals and loan repayments to the Plan. The plan's third party administrator is computing the lost earnings on the late 2021 and 2022 deferrals and loan repayments and the plan sponsor will be remitting these amounts to the plan after they are determined.

The plan has evaluated subsequent events through May 30, 2023, the date on which the financial statements were available to be issued, and represents that there are no other subsequent events to be reported.
