Twin Cities Eye Consultants 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Twin Cities Eye Consultants 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020 and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Twin Cities Eye Consultants 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Twin Cities Eye Consultants 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

TWIN CITIES EYE CONSULTANTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Twin Cities Eye Consultants 401(k) Plan (the Plan) is intended to provide general information only. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) Profit Sharing Plan sponsored by Edina Eye Physician and Surgeons P.A. d.b.a. Twin Cities Eye Consultants (the Company). The Plan became effective on January 1, 1968 and restated on March 11, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all requirements of Sections 401(a) and 401(k) of the Internal Revenue Code (IRC).

Plan Administration

The Company is the plan sponsor and plan administrator. The plan sponsor has appointed Principal Trust Company (Trustee/Custodian) as asset custodian of the Plan. The Custodian pays the distributions and retirement benefits at the direction of the plan administrator and provides custodial and investment management services with respect to the net assets of the Plan. The Custodian also advises the plan administrator of compliance with ERISA and other matters related to the operation of the Plan.

Eligibility

Employees must complete three months of service and reach the age of 21 to participate in the Plan. Employees may become participants in the Plan at the start of the month after satisfying the eligibility requirements.

Automatic Enrollment

The Plan has a feature called "Auto Enrollment". This feature automatically enrolls eligible participants into the Plan at 4% of participant's compensation, unless the participant makes a contrary election.

Participant Wage Deferrals

Participants may elect to contribute up to 100% or a specified dollar amount of their compensation to the Plan via wage deferrals subject to a calendar year dollar limit determined annually by the Internal Revenue Service (IRS). Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may make two types of contributions to the Plan – a pre-tax 401(k) deferral or a Roth 401(k) deferral.

Participants may increase or decrease their contribution percentage to the Plan or stop making contributions at any time. Contributions in excess of IRS annual limitations are returned to participants when determined following each Plan year end.

Employer Profit Sharing Contributions

The Plan is a Safe-Harbor plan, as such, the Plan sponsor has elected to make qualified nonelective contributions to participants equal to 3% of a participant's compensation. To be eligible for the employer contributions, a participant must have completed one year of service with at least 1,000 hours, and be employed on the last day of the Plan year unless termination is due to death, disability, or retirement. The employer made qualified nonelective contributions of \$311,589 for the Plan year ended December 31, 2021.

**TWIN CITIES EYE CONSULTANTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

NOTE 1 DESCRIPTION OF PLAN – Continued

Employer Contributions – Continued

In addition, the Plan sponsor may make discretionary profit sharing contributions in an amount determined by management subject to Plan limitations under an allocation formula as set forth in the Plan. The employer discretionary profit sharing contribution was \$483,839 for the Plan year ended December 31, 2021.

Rollover Contributions

The Plan provides for participants to roll over contributions from other qualified retirement or profit sharing plans.

Participant Accounts

Each participant's account is credited with the participant's wage deferrals, rollover contributions, allocations of the employer's contributions, if any, and allocation of plan investment earnings (losses) and charged with Plan withdrawals and an allocation of administrative expenses. The allocation of the employer's profit sharing contributions, if any, is based on allocation groups and each participant's ratio of their annual pay to the total annual pay of all qualifying participants in the group. Allocations of fund earnings (losses) are based on the participant's account balances in each fund.

Participants direct the amount of wage deferrals and employer contributions into various investment options offered by the Plan. The Plan currently offers its participants 25 investment options.

Forfeited Accounts

Forfeitures of nonvested amounts in terminated participants accounts are used to reduce Plan administrative expenses or to reduce future employer obligations.

At December 31, 2021, there was \$14,570 of forfeited nonvested account balances. During 2021, the Plan used \$0 of forfeited nonvested accounts to fund employer contributions and \$0 to pay administrative expenses of the Plan.

At December 31, 2020, there was \$8,737 of forfeited nonvested account balances.

Suspense Account

Employer discretionary profit sharing contributions in excess of allowed amounts to participant accounts are transferred to suspense account and are used to reduce future employer obligations. At December 31, 2021 and 2020 the suspense account balance was \$9,370 and \$0, respectively.

Notes Receivable from Participants

Participant loans are permitted in accordance with the Plan's written loan policy. Loans may not exceed the lesser of 50% of the participant's vested account balance or \$50,000. Participants may be granted three loans during any one-year period but are limited to having two outstanding loans at any given time. Loans bear interest at a rate based on similar loans from commercial lending institutions determined by the loan administrator. Payments are made through payroll deductions over the loan term, not to exceed five years.

NOTE 1 DESCRIPTION OF PLAN – Continued

Vesting

Participants are immediately 100% vested in their wage deferrals, rollovers, qualified nonelective contributions and the related earnings (losses). The following schedule determines vesting in the employer discretionary profit sharing contributions:

<u>Years of Vesting</u>	<u>Percentage Vested</u>
Less Than One Year	0%
One Year	25%
Two Years	50%
Three Years	75%
Four or More Years	100%

Payment of Benefits

Upon termination of employment, participants are entitled to their vested account balance. A participant with an account balance that exceeds \$5,000 may elect to keep the remaining funds in the Plan, directly roll over the account balance into an IRA or savings account, or receive the balance in cash. Participants with an account balance under \$5,000 must either directly roll over the account balance into an IRA or savings account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The financial statements and related notes are intended to conform with The Department of Labor's rules of Section 2520.103-8 and regulations for reporting and disclosures under The Employee Retirement Income Security Act of 1974. All information required to comply with these laws has been included herein and is in conformity with those laws.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. The realized gain or loss on sales of investments is determined based upon the average cost of investments sold. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividend income is recorded on the ex-dividend date. Interest is recorded as earned.

**TWIN CITIES EYE CONSULTANTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Investment Valuation and Income Recognition – Continued

The Plan's investments held in Insurance Company General Account are valued at contract value (see Note 6).

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Employee Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no participant contributions and earnings thereon returned to participants related to the Plan year ended December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Personnel within the Company's organization perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included as Plan expenses.

The Plan incurred administrative expenses during the 2021 Plan year consisting of custodian, recordkeeping and other administrative fees to Principal Trust Company of \$72,601 and investment advisory fees to Accredited Investors, Inc. of \$68,411.

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment advisory fees to Accredited Investors, Inc. are also charged directly to the participant's account and are included in administrative expenses. Other investment advisory related expenses are included in Net Appreciation in Fair Value of Investments.

NOTE 3 INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

In accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has received certifications from the trustee as to the accuracy and completeness of certain plan financial information. The Independent Auditors have not audited the following information regarding investments and earnings and losses on investments and participant loans receivable and interest income from participant loans contained in the financial statements and supplemental schedule to the financial statements as it has been certified by the custodians for the applicable periods:

- Investment balances
- Interest and dividend income
- Net appreciation in fair value of investments
- Supplemental Schedule of Assets (Held at End of Year) – December 31, 2021
- Notes receivable from participant balances and interest income

NOTE 4 ABILITY TO TERMINATE THE PLAN

The plan sponsor has the right to discontinue its contributions or terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is completely terminated, all amounts credited to the affected participants' accounts shall become 100% vested and shall not be subject to forfeiture. All unallocated amounts shall be allocated to the accounts of all participants in accordance with the provisions of the Plan document.

Upon such termination, the plan sponsor will direct the trustee and plan administrator either to completely distribute all assets in the trust fund to the participants or continue the trust and distribute benefits in such a manner as though the Plan had not been terminated.

NOTE 5 FAIR VALUE MEASUREMENTS

The Fair Value Measurements topic of the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: ◆ Quoted prices for similar assets or liabilities in active markets; ◆ Quoted prices for identical or similar assets or liabilities in inactive markets; ◆ Inputs other than quoted prices that are observable for the asset or liability; ◆ Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

TWIN CITIES EYE CONSULTANTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 FAIR VALUE MEASUREMENTS – Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Collective Trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 12,874,650	\$ -	\$ -	\$ 12,874,650
Self-Directed Brokerage Accounts	10,827,772	-	-	10,827,772
Collective Trusts at NAV	-	-	-	1,166,427
Investments at Fair Value	<u>\$ 23,702,422</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,868,849</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,697,003	\$ -	\$ -	\$ 11,697,003
Self-Directed Brokerage Accounts	9,421,448	-	-	9,421,448
Collective Trusts at NAV	-	-	-	867,694
Investments at Fair Value	<u>\$ 21,118,451</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,986,145</u>

**TWIN CITIES EYE CONSULTANTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

NOTE 5 FAIR VALUE MEASUREMENTS – Continued

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2021	2020			
Collective Trust	\$ 1,166,427	\$ 867,694	N/A	Daily	None

The plan administrator determines the fair value measurement policies and procedures subject to oversight by the Plan's investment committee. Those policies and procedures are reassessed at least annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted as necessary, based on current market conditions and other third-party information.

NOTE 6 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has a traditional fully benefit-responsive investment contract with Principal Life Insurance Company that invests contributions in the Fixed Income Fund, which is a general account product.

Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the Statement of Net Assets Available for Benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract issuer is contractually obligated to repay a guaranteed income amount that is based on the annuity purchase rates in effect at the time of the purchase. Purchase rates vary based on participants' age, current interest rates and certain actuarial assumptions at the time of purchase. The contract value was \$13,420 and \$13,485 as of December 31, 2021 and 2020, respectively.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by the Trustee or its affiliate, and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. The Trustee is not precluded under contract provisions or by ERISA, from executing investment transactions involving assets under the Trustee's control.

**TWIN CITIES EYE CONSULTANTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS— Continued

Certain fees incurred by the Plan for investment services are included in net appreciation in fair value of investments, as they are paid through revenue sharing and are charged directly to each participant's account, rather than a direct payment. In addition, as described in Note 2, the Plan made payments to various service providers which are party-in-interest transactions under ERISA.

NOTE 8 FEDERAL INCOME TAX STATUS

Principal Life Insurance Company, the provider of the prototype Plan Document adopted by the Plan has received an opinion letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan is relying on an opinion letter that the prototype plan received from the Internal Revenue Service, that the Plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The prototype plan has been amended since receiving the opinion letter. However, the plan administrator believes the prototype plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The plan administrator believes the Plan meets the requirements of Section 401(a) of the IRC and is exempt from federal income tax under Section 401(a) of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment funds. These funds hold various securities including U.S. Government securities, corporate debt securities, and equities. Investments in general are exposed to various risk factors, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
