Critical Nurse Staffing, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Critical Nurse Staffing, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions, agrees to or is derived from in all material respects the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a—Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, and Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Critical Nurse Staffing, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Critical Nurse Staffing, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and eligibility: The Plan is a defined contribution plan, established by the owners of Critical Nurse Staffing, LLC (the Company or the Plan Sponsor) located in Grand Junction, Colorado. The Plan is available to all employees of Critical Nurse Staffing, LLC, Restore Home Health, LLC, and Arizona's Choice Home Health Agency, LLC (collectively, the Company), who are 21 years old or older and have completed 60 days of service as defined by the Plan in order to make salary deferral contributions and receive all types of employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee is responsible for oversight of the Plan.

Contributions: Participants may elect to contribute certain amounts of compensation as either pretax or Roth contributions, subject to limitations established by the Internal Revenue Service (IRS). Participants who would attain age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. At the discretion of the Company, additional amounts may be contributed by the Company into the Plan, including matching contributions, qualified nonelective contributions, or profit-sharing contributions. No qualified non-elective contributions were made for the year ended December 31, 2021. No profit-sharing or matching contributions were made for the year ended December 31, 2021.

Participant accounts and investment options: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) plan earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participant contributions and account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Participants direct the investment of both their contributions and the Company's contributions into various investment options offered by the Plan. Participants may change their elections daily.

Vesting: All elective participant contributions and rollover contributions plus actual earnings thereon are immediately vested. Participants may become fully vested in their portion of all types of the employer discretionary contributions at a rate of 20% after two years of service with full vesting after six years of credited service.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the vested balance in the participant's account. The repayment period is limited to five years, except for a note used for the purchase of a principal residence which may be repaid over a longer term as approved by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Notes outstanding at December 31, 2021, mature through June 2029 and bear interest at 4.25% per annum.

Critical Nurse Staffing, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits: Participants or their beneficiaries are eligible for benefits upon retirement, termination, death or disability. Vested benefits are made in a single lump sum payment or as a direct rollover to an individual retirement account or to another employer's tax qualified plan. If the vested balance is less than \$1,000 immediately following termination and the participant has not made an election to the contrary, the Plan can make a cash distribution for the entire vested balance out of the Plan. If the vested account balance is greater than \$1,000 but less than \$5,000 and the participant has not made an election to the contrary, the Plan can distribute the account in a direct rollover to an individual retirement account (IRA). The Plan also provides for in-service withdrawals after attaining age 59½ and for certain financial hardships as defined in the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United State of America (U.S. GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties: The Plan utilizes various funds as investment instruments. Investments are exposed to various risks, such as interest rate and credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Management fees and operating expenses charged to the plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of benefits: Benefit payments to participants are recorded when paid.

Note receivables from participants: Note receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are treated as distributions based upon the terms of the Plan document.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i – schedule of assets (held at end of year).

Critical Nurse Staffing, LLC 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative expenses: Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan Sponsor and are excluded from these financial statements.

Subsequent events: The Plan Administrator evaluated subsequent events through May 31, 2023, the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by the Trustees

The following is a summary of the Plan's asset information, included throughout the Plan's financial statements and ERISA-required supplemental schedules, that was agreed to or derived from information provided by Newport Trust Company (the Current Trustee) as of December 31, 2021, and for the period from August 27, 2021 to December 31, 2021, and Capital Bank and Trust Company (the Former Trustee) (collectively, the Trustees) as of December 31, 2020, and for the period from January 1, 2021 to August 26, 2021, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustees that information provided to the Plan Administrator by the Trustees related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	December 31,	
	2021	2020
Investments, at fair value:		
Mutual funds	\$ 2,235,217	\$ 2,072,519
Money market funds	-	141,912
	<u>\$ 2,235,217</u>	<u>\$ 2,214,431</u>
Notes receivable from participants	<u>\$ 19,596</u>	<u>\$ 48,316</u>

The Trustees also certified to the completeness and accuracy of the investment income information (including investments bought, sold, and held during the year) and interest income on notes receivable from participants included on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.

Critical Nurse Staffing, LLC 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2021, compared to December 31, 2020.

Mutual funds and money market funds: These are public investment vehicles valued using net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted market price on an active market and classified within Level 1 of the valuation hierarchy.

The method above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

During the year ended December 31, 2021, the Plan did not make any transfers between levels.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,235,217	\$ -	\$ -	\$ 2,235,217
	\$ 2,235,217	\$ -	\$ -	\$ 2,235,217

Critical Nurse Staffing, LLC 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,072,519	\$ -	\$ -	\$ 2,072,519
Money market funds	141,912	-	-	141,912
	<u>\$ 2,214,431</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,214,431</u>

Note 5. Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by affiliates of the Plan's third-party administrators (TPA) or Trustees and, therefore, these transactions qualify as party-in-interest, which are exempt from the prohibited transaction rules. The administrative expenses paid by the Plan of \$5,057 for the year ended December 31, 2021, were remitted to the third-party administrators and other advisors as appropriate, based on customary and reasonable rates for such services. Fees paid by the Plan for the investment management services were included as a reduction of the return earned on each fund.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, the net assets of the Plan, after payment of any expenses properly charged, will be distributed to each participant according to the amount then credited to his or her account. Additionally, in the event of Plan termination, participants would become 100% vested in all contributions.

Note 7. Tax Status

The Plan adopted a non-standardized form of a defined contribution pre-approved plan sponsored by Newport Group, Inc. The pre-approved plan has received an opinion letter from the IRS dated November 30, 2020, as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable provisions of the Internal Revenue Code.

The Plan applies the standards on accounting for uncertainty in income taxes. The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustments to the financial statements; therefore, no provision of liability for income taxes has been included in the financial statements.

Note 8. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2021 and 2020:

	2021	2020

Net decrease in net assets per Form 5500	<u>\$ (7,934)</u>

Note 9. Prohibited Transactions

During 2021, the Plan Sponsor inadvertently failed to deposit approximately \$203,000 of participant deferrals within the required timeframe as stated by the Department of Labor regulations. The Plan Sponsor corrected approximately \$37,000, outside of VFCP in 2022, and approximately \$166,000 is pending correction. The breakout is provided in the supplemental schedule, Schedule H, line 4a – schedule of delinquent participant contributions. The Plan Sponsor filed Form 5330 and paid the applicable excise tax in 2022. The excise tax payments were made from the Plan Sponsor's assets and not from assets of the Plan.
